Laundry detergent, or soap powder, is a type of detergent (cleaning agent) used for cleaning laundry. Laundry detergent is manufactured in powder and liquid form. Laundry detergents may contain builders (50% by weight, approximately), surfactants (15%), bleach (7%), enzymes (2%), soil anti-deposition agents, foam regulators, corrosion inhibitors, optical brighteners, dye transfer inhibitors, fragrances, dyes, fillers and formulation aids.

The Department of Chemistry, Carmel College, Mala, in association with IIC (Institution's Innovation Council), organized a training programme in making of Soap Powder on 18<sup>th</sup> February 2022 at 2.30 p.m. . Second year and Third year B. Sc. Chemistry students got trained under the guidance of faculty members of Chemistry department. The ingredients were mixed well to make the soap powder.

The ingredients used in detergent powder are as follows:-

**Ingredients**

1. 85% active LAB acid slurry
2. Sodium carbonate (soda ash)
3. Sodium metasilicate
4. Alkaline sodium silicate
5. Sodium bicarbonate
6. Sodium Sulphate (anhydrous)
7. Sodium tripolyphosphate
8. Sodium carboxymethyl cellulose
9. Synthetic dye
10. Optical whitener
11. Perfume
12. Water

## REPORT OF ED CLUB WEBINAR ON 16<sup>th</sup> AUGUST 2021

Sociology department in association with Entrepreneurship Club and IIC conducted a webinar in the topic "SUCCESS TO SIGNIFICANCE" by Mr. Manoj Palathingal Jose, the Managing director – Movement or Education on 16<sup>th</sup> August 2021 at 2.30 pm. Mr. Manoj Palathingal is An international trainer and education consultant who uses his corporate experience and uniquely effective coaching, to help people tap into their inner being; to utilise their own potential and develop skills to make an influence and impact in today's society. Certified Independent Trainer in Corporate training, Life Coaching, Sales and Marketing from John Maxwell Institute Florida, USA and certified Leadership trainer from Haggai Institute of Leadership Maui Hawaii, USA. Member of JCI India, Associate member of Educational Mentoring India and Managing Director at Movement or Education. The aim of the webinar was to cultivate and enrich the entrepreneurial skill among the students for their future life. The webinar was a fruitful one with the participation of 62 members through google meet platform. The programme was a real motivational session to the students for their future life because they were encouraged by true life path of successful entrepreneurs with examples. They actively participated in the interactive session also. The knowledge and experience of the resource person reflected in the talk throughout the session. The participants asked their doubts and clearly noted it also. The programme was very useful as a guideline for the participants during any controversial situation when they will face during their journey of life.

## DEPARTMENT OF ENGLISH

### REPORT ON

#### ENTREPRENEURSHIP SKILLSET PROGRAMME: MAKING ECO-FRIENDLY PAPER PENS IN ASSOCIATION WITH CAREER GUIDANCE AND PLACEMENT CELL (15-03-2021)

The Department of English in association with Career Guidance and Placement Cell organized an “Entrepreneurship Skillset Programme: Making Eco-Friendly Paper Pens” exclusively for the students of the Department of English as part of the Entrepreneurship Skills Development of the Department.

Making eco-friendly paper pens add one’s social responsibility. Plastic waste reduction is the greatest advantage of this type of pens, though plastic refills are used. The raw materials include old newspaper covered by new colour craft papers. Paper pens carry seeds too. So once a pen is used up, sapling will sprout from seed, if it is planted into the soil.

Dr. Pretty John P., HOD of English, Career Guidance and Placement cell Co-ordinator and IIC Start-up Activity Co-ordinator gave an introduction to the “Entrepreneurship Skillset Programme: Making Eco-Friendly Paper Pens.” Amrithalakshmi K.M. of II B.A. Functional English trained her peers of the Department of English regarding the advantages of using ecofriendly paper pens and how to make them. It was decided that they would give eco-friendly paper pens to the outgoing students of III B.A. Functional English and II M.A. English as a token of love and appreciation to them along with ADIEU Cards made by them. Though the former students of the Department of English havemade and sold eco-friendly paper pens earlier, eco-friendly products have not been named officially yet. It was decided to name the eco-friendly products made by the students of the Department of English as LITWORLD.

Eco-friendly paper pens offer students not only plastic waste reduction, up-cycling of paper, women empowerment and but also help in creating inclusive atmosphere and tree plantation.
