What happens next?

- You are advised not to make any firm commitments (or resign from your current employment) until you have completed the following steps and have received your CAS and visa.
- In preparation for the CAS process, you will need to obtain financial evidence showing you have enough money to support yourself in the UK. Please ensure this evidence meets the requirements detailed here: <https://www.tees.ac.uk/sections/international/outside.cfm>. You will need to login to <https://e-vision.tees.ac.uk> and upload a copy of your financial evidence before a CAS can be issued.
- Please check all the details above are correct then login to the applicant portal at: <https://e-vision.tees.ac.uk>. Some new items may have now appeared for you to action. Please make sure you have completed all the requirements now listed on your applicant portal.

Important Information About Your Offer

This offer provides no guarantee that a CAS will be assigned to you. The University has a limited number of CAS that it can issue and due to UKVI rules that govern its status as a student sponsor, the University will only assign a CAS where it is believed that a subsequent visa application will be successful. Therefore, notwithstanding your offer, the University reserves the right to refuse to assign a CAS if there is no more availability or if there are reasonable grounds for suspecting your subsequent visa application will be unsuccessful.

As you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you are required to upload this evidence via the applicant portal <https://e-vision.tees.ac.uk> before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfied the evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for assigning a CAS.
