The department of BFSI in association with St. Paul Institute of Professional Science, organized a national webinar on mental health and well-being. The webinar, which took place on 17/02/2023 was designed to raise awareness about the importance of mental health and provide participants with tools and resources to support their own mental health and that of others.

The webinar was attended by 93 participants from across India, including students, educators, mental health professionals, and community leaders. The webinar is started with a welcome speech by Ms. Beena Thomas, The Head of the department of AT. The Chief guest Dr. Poonam Phogat delivered an informative lecture on the topic “Mental health and well being ” and interacted with the students. The keynote speaker for the event provided insights and practical tips on how to maintain mental well-being in the face of stress and adversity.

The webinar covered a range of topics related to mental health and well-being, including stress management, coping strategies, mindfulness, and self-care. Participants had the opportunity to engage in interactive sessions, group discussions, and Q&A sessions with the speakers and other participants. The session concluded with an official vote of thanks by Dr. Aravind Jain (The head of the department of science)

Outcome: The webinar given an opportunity to raise awareness and promote discussion about mental health. The event provided participants with practical tools and resources to support their own mental health and that of others, and was a positive step towards building a more mentally healthy and supportive community.

REPORT

Seminar on “Women’s safety in India”

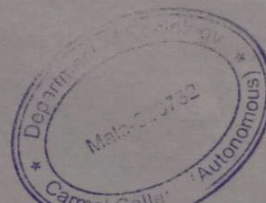

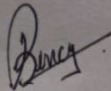

Department of Sociology

Carmel College (Autonomous) Mala 2022-23

As part of MoU with Brain Society Mala, Department of Sociology of Carmel College organized a seminar on the topic “ Women’s safety in India” on March 14th in the college auditorium. The resource person of the seminar was Adv. K R Ratnakumari (Legal Counsilar) Brain society Mala. The seminar aimed to raise awareness about the prevalent challenges faced by women in the country and to discuss potential solutions to ensure their safety and well-being. The seminar facilitated an open discussion where participants could voice their concerns and share personal experiences related to women's safety. Topics such as street harassment, domestic violence, access to justice, and cultural barriers were thoroughly examined. Adv. Ratnakumari elucidated the existing legal framework pertaining to women's safety, including relevant laws and provisions aimed at safeguarding women's rights. There were 54 participants for the seminar. The seminar ended at 3:30 PM.

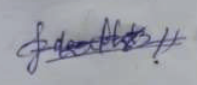

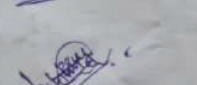

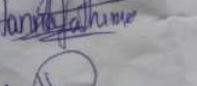

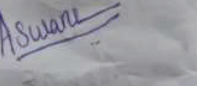

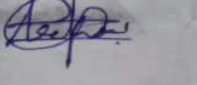

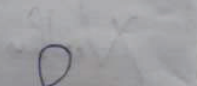

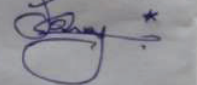

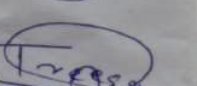

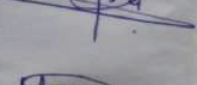

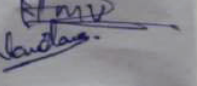

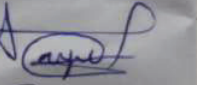

Outcomes:

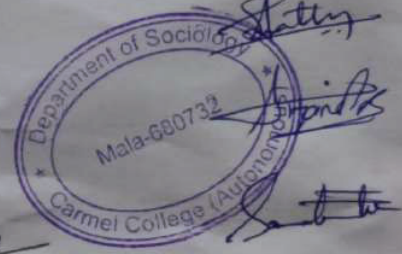

1. The seminar heightened awareness among participants about the multifaceted challenges confronting women's safety in India, including issues such as gender-based violence, discrimination, and societal norms.
2. Students gained insights into practical steps they can take to promote women's safety and challenge existing norms and practices that perpetuate gender-based violence.
3. The seminar served as a catalyst for action, inspiring participants to take concrete steps towards promoting women's safety in their respective spheres of influence.

Time – 7.00pm

Platform – Google meet

Chemistry Department organised a webinar for students on Career Perspectives in Chemistry on 13th July 2023 at 7.00 p. m via Google Meet. The resource person of the webinar was Dr. Newly Joseph, Assistant Professor, Department of Chemistry, St. Xavier's College for Women, Aluva. In this seminar, the resource person discussed about the career perspectives in chemistry, including the different career options, job prospects, and skills required to excel in this field. The job prospects in chemistry are excellent. According to the Bureau of Labor Statistics, employment of chemists is projected to grow 7 percent from 2020 to 2030, faster than the average for all occupations. The demand for chemists will continue to increase as companies and governments invest in research and development in fields such as renewable energy, biotechnology, and nanotechnology. Chemists work in various industries such as pharmaceuticals, biotechnology, chemicals, materials, energy, consumer goods, and environmental science. In conclusion, chemistry offers a wide range of career options, excellent job prospects, and requires a strong foundation in mathematics, physics, and chemistry. Chemists need to have strong analytical skills, problem-solving skills, communication skills, and attention to detail to excel in this field. With the increasing demand for research and development in various fields, the demand for chemists will continue to grow in the coming years.

Outcome: Students became aware about job opportunities and salary levels in various fields such as education and industry. The webinar also gave an insight to various courses that they can opt after their degree programme.

Department of Physics in connection with International day for Women and Girls in Science, organized a training talk on “ Women in Science” for the students of Physics Department. The talk was conducted in the Physics lab on 21st December 2022. Dr. Dhanya N. P., Assistant Professor, KKTM Govt. College, Pullut was the resource person. She elaborated on new trends in the field of research and the opportunities of girls in reasearch .

OUTCOME

Students were highly motivated to do research after their higher studies.

National webinar

Department of Physics and IQAC of Carmel College, Mala, under MoU collaboration with St. Paul Institute of Professional Studies (SPIPS) Indore, organised a national webinar on 13th September 2022 on the topic "Application of Knowledge Management in Higher Education". Dr. Shilpa Parikh, from Dept. of Computer Application, M.K.H.S. Gujarati Girls college, Indore was the resource person of the program. Dr. Sr. Alice Thomas, Principal of SPIPS welcomed the gathering. The talk mainly focused on how effectively handle the information and resources within a commercial organisation. Dr. Arvind Jain, HoD, Department of Science, SPIPS, proposed the vote of thanks.

Outcome

The session was very interesting for the students. They got to know how the knowledge learned during their courses can be used in their respective career.

DELIBERATIONS ON THE LEGISLATIONS TOWARDS WOMEN & CHILDREN

March 6th & 7th 2023
(Monday & Tuesday)

Cauvery College for Women
(Autonomous),
Tiruchirapalli,
Tamil Nadu, India.

ABOUT CAUVERY COLLEGE & SOCIAL WORK DEPARTMENT

Cauvery College for Women (Autonomous) Tiruchirappalli started in October 1984 endeavors to provide the necessary environment and opportunities for the development of an integrated personality of girls to help them grow in faith and love with due emphasis on traditional values and progressive ideals. With 16 UG & 10 PG departments, the College has been recognized with 'AA' rank in top 100 Local Chapter in SWAYAM-NPTEL. Secured 82nd rank in the National level amongst top most Colleges in India.

The Department of Social Work was started with BSW in 1985 with a vision to train the young minds with right aptitude to serve humanity. A pioneering institute offering BSW in Tamil Nadu, MSW in 1995 with 4 specializations- M&P, FCW, CD and HRM with an objective of producing skillful, effective professional social workers. The Department upgraded into a Research department offering M.Phil in 2005 & PhD from 2011 onwards. Collaborated with more than 30 organizations for Field Work, Summer & Block Placement, the Department is known for inculcating the ethical and principles of Social Work to students. MOUs with industries, professional bodies & NGOs serve as a platform for practice and knowledge building. The Department offers soft skills training and social work skill training to students.

ABOUT CARMEL COLLEGE & POLITICAL SCIENCE DEPARTMENT

Carmel, a first grade college for women under the University of Calicut, stands nestled in an idyllic locale in a small town called Mala near the southern tip of Thrissur district, the cultural capital of Kerala. Began in 1981, the College is run by the Sisters of the Congregation of Mother of Carmel. The Management adopts a proactive approach providing infrastructural facilities and learning resources that are periodically enhanced and up-graded in order to ensure the smooth execution of the academic and administrative process. Consistent support and ample platforms are extended to students who aspire to excel in academics, sports and arts.

The Department of Political Science started functioning in 1981 with BA political science as a recognized course during the year 2002-2003 under university of Calicut. The Vision of the department is to empower young women with knowledge on policy decisions and its implications on the political front and imbue their hearts with a sense of commitment towards nation building so that they grow into well informed and participative citizens of the country. International, National level conferences, workshops are conducted to stimulate student's knowledge and upskill them.

ABOUT THE INTERNATIONAL CONFERENCE

Women are empowered when they are able to claim their rights and to shape the decisions, policies, rules and conditions that affect their lives. An approach to development that is grounded in human rights treats everyone as agents of their own development. Being the primary caretakers of children and elders in every country of the world, they demonstrate leadership and adjust to new realities and challenge when the economy and political organization of a society change. The importance of protecting women's rights is recognized in the UN's Sustainable Development Goals (SDGs), particularly those on Gender Equality (SDG 5) and Decent Work and Economic Growth (SDG 8). The Preamble, Fundamental Rights, Fundamental Duties and Directive Principles of the Indian Constitution not only grants equality to women, but also empowers the State to adopt measures of positive discrimination in favor of women. Within the framework of a democratic polity, our laws, development policies, Plans and programmes have aimed at women's advancement in different spheres. Having a host of laws to protect women & children against discrimination, violence, exploitation and sexual harassment, it is important that we witness its reality of how it is being implemented and practiced widely. The aim of the conference is to facilitate a deliberate discussion on the legislations that are meant for Women & Children in terms of its provisions, importance, implementation, challenges, gaps and amendments.

THEMES FOR RESEARCH PAPER PRESENTATION

It is important to note that as of July 2022, there are about 839 Central laws as per the online repository hosted by the Legislative Department, Ministry of Law and Justice, Government of India. ABOUT THE COLLEGE

Carmel, a first grade college for women under University of Calicut stands nestled in an idyllic locale in a small town called Mala near southern tip of Thrissur district, the cultural capital of Kerala. This college, which began in the year 1981, is run by the sisters of the Congregation of Mother of Carmel who, guided by their founders Saint kuriakose Elias Chavara and Rev. Fr. Leopold Broccaro, has taken up the apostolate of education. The management adopts a proactive approach providing infrastructural facilities and learning resources that are periodically enhanced and upgraded in order to ensure the smooth execution of the academic and administrative process. Consistent support and ample platforms are extended to students who aspire to excel in academics, sports and arts.

ABOUT THE DEPARTMENT

The Department of Political Science started functioning in 1981 with BA Political Science as a recognised course during the year 2002-2003 under University of Calicut. The vision of the department is to empower young women with knowledge on policy decision and its implications on the political front and imbue their hearts with a sense of commitment towards nation building so that they grow into well informed and participative citizens of the country. International, National level conferences, workshops are conducted to stimulate students knowledge and upskill them.

DEPARTMENT OF FASHION TECHNOLOGY
WORKSHOP ON CAD

The Department of Fashion Technology arranged an online CAD workshop in academic collaboration with St. Teresa's College on 26th March 2023. The expert of the workshop was Ms. Shruthi R, Assistant Professor, JD institute of Fashion Technology, Cochin. The major objectives of the workshop is to give an insight to the various applications and tools of Photoshop, Introduce students to the latest CAD software and tools used in the fashion industry, Develop basic intermediate skills in creating fashion design using CAD Enhance understanding of the role of technology in fashion design and manufacturing and Provide a platform for students to interact with professionals. The feedback from participants was overwhelmingly positive, with many highlighting the hands-on experience and the opportunity to learn from professionals as the workshop's most beneficial aspects. The session was coordinated by Ms. Sinju Raju.

Outcome : The workshop enhanced students' understanding of the pivotal role CAD technology plays in the fashion industry, from design to manufacturing. It provided insights into how technology is transforming traditional practices and opening new avenues for innovation. Participants developed basic to intermediate skills in using CAD software for fashion design. This includes creating basic garment designs, fabric rendering along with exposure to advanced techniques such as 3D modeling and virtual fitting.

Report - The workshop on "Python Programming"

The workshop on "Python Programming" was officially inaugurated by Mr. Arun V., Assistant Professor, Department of Physics, KKTU Govt. College, Pullut, on the 26th of October 2022. The event commenced with a brief inaugural ceremony, where Mr. Arun V. highlighted the importance of Python programming in today's technological landscape.

The function was well-attended by students and faculty members alike, demonstrating the keen interest in learning this versatile programming language. Following the inauguration, Mr. Arun V. led the workshop, providing insights into the fundamentals of Python programming.

Throughout the workshop, participants learned about the basic syntax of Python, data structures, functions, and loops. Mr. Arun V. also introduced advanced topics such as file handling, object-oriented programming, and libraries like NumPy and Pandas. Practical sessions were conducted to help participants apply the concepts learned and gain hands-on experience.

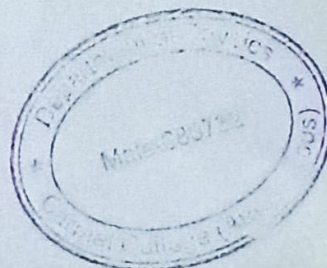

The workshop provided a valuable opportunity for participants to enhance their programming skills and gain a deeper understanding of Python. It also served as a platform for networking and sharing ideas among peers and experts in the field.

Outcome

Resource person explained starting from the basics of python programming in detail. Students mainly from Physics and Mathematics participated in the workshop. They received hands-on training in the programming language.
