

CARMEL COLLEGE (AUTONOMOUS), MALA
Nationally Re-accredited with 'A' grade (Fourth Cycle)

STRATEGIC PLAN

Aligned with NEP, the institution refined its policies and action plan to enhance its academic, administrative and research environment. The strategic initiatives include:

- Partnership with Linways Technologies and IPSR Solutions to digitize academic, administrative, and examination processes
- OBE integrated question bank preparation and generation
- Preparation for OBE implementation across all courses in the upcoming academic year is in progress.
- Implementation of certificate courses and value-added certificate courses covering diverse areas
- Providing seed money to faculty/departments undertaking research projects/institutional collaboration
- Providing financial aid to faculty for the conduct of disciplinary/multi-disciplinary seminars, workshops and skill-grooming sessions
- Providing financial assistance to encourage participation in professional development programmes, paper presentations and publications
- Enhancing infrastructural support for the implementation of the DST-CURIE project
- Orientation programme/workshops on research practices, ethics, and methodology under the aegis of the Research Cell and various departments
- Pursual of PhD and Guideship has been encouraged
- Plagiarism checks for faculty publications and student dissertations
- Implementation of IRINS and Vidwan Database

Furthermore, the institution prioritizes student progression and placement by organizing higher studies/career orientation sessions, industry-focused skill training, and placement drives facilitated by the Campus Recruitment and Placement Cell.
