REPORT ON KAITHANGU

Date & Time : 21/02/2023, 1.00 PM – 3.30 PM

Venue : Carmel College (Autonomous), Mala

Topic : Kaithangu

Department of Zoology in association with Life Club organized a waste paper collection for charity on 21/02/2023. The students of our department collect the paper wastes from various departments and all around the college. The main objective of this program was to help the needy ones suffering from chronic illness such as Dialysis patients, heart patients etc. we also provide a link for registration who wish to avail the help. Our HOD Dr.Sr.Rini Raphael arranged everything for this event and provides instructions regarding the collection. All the wastes were collected and brought to the scrap shop. We got nearly 2000 rupees. In the link there are 2 registrations. We used this money to support those two needy ones.

OUTCOMES

- Through the waste collection the backgrounds of our departments became neat and clean
- They understood the importance of cleanliness
- The idea of helping others is formed in students.
- Students got idea about how to make useless things useful

LIGHT-A-LAMP ANTI-DRUGS AWARENESS CAMPAIGN (25-10-2022)

<https://youtu.be/whwFtkqhQjE?si=1ySHtSqr4cJkHm7->

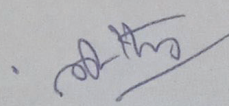

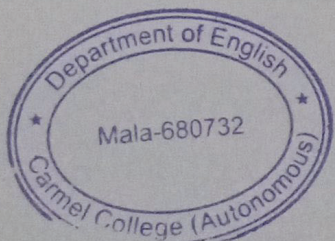

The Light-a-Lamp Anti-Drugs Awareness Campaign has integrated the symbolic act of lighting lamps during Deepavali (Diwali) festivities to underscore its message of hope, renewal, and illumination in the fight against drug abuse. This incorporation adds cultural significance and strengthens the campaign's resonance within communities. Through the uploading of this video in English Department's Non-Academic YouTube Channel Epicureanz, the campaign shares messages and visuals incorporating the symbolism of lighting lamps, reinforcing its anti-drug advocacy efforts.

Link: <https://youtu.be/whwFtkqhQjE?si=1ySHtSqr4cJkHm7->

Lighting lamps during Deepavali symbolizes the triumph of light over darkness, signifying hope and positivity. In the context of the anti-drugs campaign, it represents the belief in overcoming challenges and embracing a brighter future free from substance abuse. Deepavali is also associated with renewal and transformation, marking the beginning of a new year in many traditions. Similarly, the campaign promotes personal transformation and renewal through awareness, education, and support for individuals struggling with addiction. Lighting lamps during Deepavali is a communal activity that fosters unity and solidarity among families and communities. By aligning the campaign with this cultural practice, it encourages collective action and support in addressing the societal issue of drug abuse.

Teachers Day Contest 2022

Teachers Day is one such event to which students and teachers equally look forward. The Day is important for the students as it gives them a chance to understand the efforts put in by their teachers to ensure that they get a proper education. Similarly, teachers also look forward to the Teachers' Day celebration as their efforts get recognized and honoured by students and other agencies as well. This year's theme for World Teachers' Day is "the transformation of education begins with teachers".

In connection with Teachers day the Department of BFSI has organized inter departmental video making competition on 10th September 2022. "My Teacher My Pride" was the theme given to the participants. The competition conducted via online and the students from various departments actively participated in Teacher's day contest 2022. There were 15 students participated and Ms. Dona Rose M.R.(I BSC Zoology) won the first prize.

Objective: To honour the memory of India's first Vice President and to commemorate the importance of teachers in our lives.

Extension Program Report: Seminar on "Drug Abuse and Addiction Awareness"

As part of the Students' Extension Programme, the Department of Political Science, in collaboration with the Mala Excise Office, conducted a seminar on Drug Abuse and Addiction Awareness at Kunnathukadu Community Hall. The seminar was held on July 28, 2022, at 2.30 PM. The Resource Person of the event was Mr. Manikandan K, Excise Inspector Mala. Mrs. Usha Balan, the Ward member, presided over the seminar. The seminar lasted one hour and included an interactive session between students and excise officers at the end. The seminar was attended by 27 students from the department. The department organised the seminar with the goal of making students aware of the increasing drug use among Kerala's youth, as well as its side effects, how it jeopardises their future and completely destroys their health.

Outcome

The students found the seminar to be interesting and informative, and the interactive session at the end allowed students to mingle with the officers and express their views and opinions about addiction and drug use.

Extension Activity Report: Survey on Socio-Political Inclusion

The Department of Political Science at Carmel College Mala conducted a survey on "Socio-Political Inclusion" as part of the Students' Extension Programme. The survey was conducted on 26/08/2022 Friday, in Kunnathukadu, Mala panchayath Ward No. 17. The survey was carried out under the supervision of Ward member Mrs. Usha Balan. The survey took more than an hour to complete from 2:30 PM to 3:30 PM and was done by 26 students from the department. The seminar was organised by the department with the purpose of connecting students with the villagers by asking them various questions about their current state of socio-political participation and integration. After the completion of the survey, students provided various types of feedbacks, stating that their interactions with the villagers made them aware that they still lack proper socio-political inclusion, despite the fact that the government and local government have taken measures to ensure their full participation and government needs to concentrate more in enhancing their current economic status as well.

Extension Activity Report: Second Survey on Socio-Political Inclusion

Following after the successful completion of First Survey, The department of Political Science at Carmel College Mala conducted another survey on the same theme "Socio-Political Inclusion" as part of the Students' Extension Programme. The survey was conducted at the same place on 30/09/2022 Friday, in Kunnathukadu, Mala panchayath Ward No. 17. Like the previous survey, students carried out this survey under the supervision of Ward member Mrs. Usha Balan. The timing of the survey was from 2:30 PM to 3:30 PM and was done by 35 students from the department.

Outcome

The survey was organised with the objective of more insightful interaction between students and more villagers from the ward. Through the survey students have learnt more about the socio economic situations of those people and it created a deeper connection between students and villagers. Students have given various types of suggestions in order to accelerate the socio-political development of the people.

Report of Micro Plan for Extreme Poverty

The Micro Plan for Extreme Poverty Alleviation is a comprehensive initiative aimed at addressing the challenges faced by the most vulnerable communities. The programme focuses on implementing targeted interventions to improve livelihoods, access to education and healthcare, and overall well-being. The programme is designed to be implemented in phases, with a strong emphasis on community participation and sustainability.

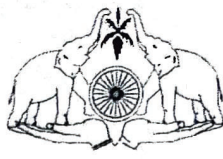

Political science department attended the training program for preparation of micro plan for extreme poverty held at Kuzhur Grama Panchayat Hall on 26 August 2022 Friday.

Outcome of the program

Participants gained a deeper understanding of the complexities of extreme poverty and the factors that contribute to its persistence. They also learned about best practices and innovative approaches to poverty alleviation. Participants developed practical skills in community engagement, needs assessment, and programme planning. They also learned how to design and implement effective poverty alleviation strategies. The training programme motivated participants to take action and make a difference in their communities. They expressed a renewed sense of purpose and commitment to the cause of poverty alleviation. Overall, the training programme empowered participants to become agents of change in their communities. They expressed confidence in their ability to make a positive impact and contribute to the fight against extreme poverty.

REPORT

LINKAGE PROGRAMME ON 6th Jan 2023

The Department of AT and BFSI from Carmel College, Mala organized a linkage programme to Pariyaram Sadhanam, an old age home in the nearby area on 6th January 2023. The purpose of the program was to create a bridge between the students of the department and the residents of the old age home. This report aims to summarize the events and activities conducted during the linkage program.

The program started with a welcome address from the Mother Superior of Sadhanam followed by an introduction of the students and faculty members from the department. The students were then divided into small groups and assigned to interact with the residents of the old age home. The students had prepared a variety of activities and games to engage the residents, which included puzzles, board games, and storytelling sessions.

Outcome

The linkage program between the Department of AT and BFSI from Carmel College, Malappuram, and Pariyaram Sadhanam was a huge success. The students had an opportunity to learn from the residents and gain a better understanding of their needs and challenges. The program provided a platform for the students to develop their social and communication skills while making a positive impact on the community. The department plans to continue such initiatives in the future and hopes to create more opportunities for students to engage in community service activities.
