Department of B.Voc Agriculture 2023-2024

Webinar on FSSAI Licensing

Report

On 07-07-2023, the Department of Agriculture organized a seminar focussed on the Food Safety and Standards Authority of India (FSSAI) Licensing process. The webinar aimed to educate participants of acquiring FSSAI Licenses ,and to address any queries they might have had regarding the licensing procedure. This report summarizes the key highlights and outcomes of the webinar

The primary aim of the webinar was to create awareness among the participants, Primarily B. Voc. Agricultural students, about the process and importance of getting an FSSAI License. It aimed to equip them with the knowledge and resources necessary to navigate the application process. The webinar show participation from all students and faculty from Department of Agriculture. There was a business operator from processing, packing, storage and marketing sector. Food safety consultant and experts were present.

The webinar covered a range topics related to the FSSAI Licensing process, including; Introduction to FSSAI, Importance of FSSAI, Types of FSSAI Licensing, Online application process, Documentation and compliances, Hygiene in the processing unit, *etc.*

The webinar included an interactive session where participants had opportunity to ask questions and seek clarification from the expert. This session facilitated a meaningful exchange of ideas and provided practical solutions to participants concerns.

Outcome:

The Department of Agriculture's webinar on FSSAI Licensing in the online mode successfully achieved its objective of educating and guiding the students through the licensing process. Participants gained valuable insights into the significance of FSSAI Licenses, the application process, and associated compliance requirements. The webinar

played a crucial role in enhancing the participants understanding and confidence in navigating the licensing process effectively.

General Banking Report – 30/10/2023

The Department of Accounting & Taxation organized an informative seminar on "General Banking" on 30th October, 2023 at 11.00 am in Audio Visual Hall. It helps to provide students with insights into the foundational principles and practices of banking operations. The seminar featured Ms. Nimmy Rose, Branch Manager at South Indian Bank, Mala, as the resource person. Her extensive experience and expertise in the banking sector made her a valuable source of knowledge. She delivered a comprehensive presentation, covering various aspects of general banking, including account types, transaction procedures, customer service, and the importance of security and compliance. Attendees had the opportunity to ask questions and engage in discussions with Ms. Nimmy Rose, gaining practical insights into the banking industry. The seminar also included real-world case studies and examples to illustrate key concepts in general banking. 27 students participated in this seminar.

Outcome:

- The seminar on General Banking was highly informative and had the following notable outcomes:
- Increased understanding of the fundamental principles and operations of general banking among the participants.
- Valuable insights into the practical aspects of banking, including account types, transaction procedures, and customer service.
- Opportunities for students to interact with an experienced banking professional, gaining real-world perspectives on the industry.
- Enhanced knowledge that can help students in pursuing careers in the banking and finance sectors.

In conclusion, the seminar on General Banking was a valuable learning opportunity, equipping students with a foundational understanding of banking practices and principles. The Department of Accounting & Taxation remains committed to organizing events that enhance students' knowledge and prepare them for careers in accounting and finance.

DEPARTMENT OF BANKING FINANCE SERVICE AND
INSURANCE

REPORT ON SEMINAR: SIGNIFICANCE OF FINANCIAL SERVICE
PROVIDERS IN THE PRESENT SCENARIO

In connection with Association Inauguration, Department of Banking, Financial Services, and Insurance (BFSI) in association conducted a seminar 'Significance of Financial Service Providers in the present scenario' on 25/09/2023 at Seminar Hall and the resource person for this event was Ms. Chitra P., Assistant Professor, Research Department of Commerce, Asmabi College, Vemballur.

Ms. Chitra P, a distinguished expert in the field of finance, delivered an engaging and informative presentation on the role and importance of financial service providers. Her presentation covered various aspects, including the evolving regulatory landscape, technological advancements, and the impact of globalization on financial services. Following Ms. Chitra P's presentation, there was an interactive session where participants had the opportunity to ask questions and engage in discussions. This allowed for a deeper exploration of the topics and addressed specific queries raised by the attendees. The seminar was a resounding success and 35 students attended the seminar.

Outcome: The insights provided by Ms. Chitra P and the subsequent discussions enriched the knowledge of all participants and contributed to a greater understanding of the BFSI sector's role in the current economic landscape. The seminar shed light on the vital role played by financial service providers in today's rapidly evolving financial landscape. It provide participants with insights into the challenges and opportunities facing the BFSI sector and highlighted the significance of financial services in the current economic scenario.

Seminar Report: Importance of Equity Investment

Date: 10/09/2023

Organizer: Department of BFSI

Resource Persons: Mr. Prasanthan K and Mr. Midhun from Geojith Securities

The Equity Investment Seminar conducted by the Department of BFSI aimed to provide participants with insights into the nuances of equity investment, including strategies, risks, and market analysis. The seminar aimed to empower attendees with the knowledge necessary to make informed investment decisions in the equity market.

The seminar began with a comprehensive introduction to equity investment, elucidating its significance in wealth creation and financial planning.

Mr. Prasanthan K and Mr. Midhun from Geojith Securities conducted an in-depth analysis of current market trends, including factors influencing market movements and the importance of fundamental and technical analysis. The resource persons shed light on the various risks associated with equity investment, including market risk, sectoral risk, and individual stock risk. Strategies for mitigating these risks were discussed, emphasizing the importance of diversification and asset allocation. Attendees were introduced to various investment strategies, including value investing, growth investing, and momentum investing. The resource persons provided insights into the implementation of these strategies in different market scenarios.

91 students from different departments attended the seminar. A question and answer session provided attendees with the opportunity to clarify doubts and seek further information on specific topics discussed during the seminar.

Program Outcome:

- Understanding of equity investment fundamentals.
- Knowledge of market analysis techniques.
- Awareness of risk management strategies

**Organizing
A seminar on the topic**

**Beat Plastic Pollution in the Plastic Planet
05.06.2023**

In observance of World Environment Day 2023, the Department of Botany, in collaboration with the Eco-friendly & Ethnobotany Club and IQAC, organized a seminar on the crucial topic, "Beat Plastic Pollution in the Plastic Planet." The event took place on June 5, 2023, at 2:00 pm in the College Auditorium. Ms. R Lakshmi, assistant conservator of forest, DFO Vazhachal was the resource person. The seminar commenced with a solemn prayer. Dr. Geo Joseph, the Coordinator of the seminar, delivered a warm welcome address, expressing gratitude to the participants and setting the stage for the impactful discussions to follow. Dr. Sr. Kochuthressia KP, the Principal-in-charge, delivered the presidential address, emphasizing the importance of addressing plastic pollution for the well-being of our environment. Dr. Bindhu KB, Head of the Department of Botany, delivered words of felicitation, highlighting the department's commitment to environmental awareness and sustainable practices. The seminar session was really interactive and interesting. Resource person shared her experience and it really motivated us.

Ms. R Lakshmi, Assistant Conservator of Forest, DFO Vazhachal, began the session with an insightful introduction to the theme, "Beat the Plastic Pollution." She elaborated on the adverse effects of plastic, including global warming and the dangers of microplastics. The presentation included alarming facts, such as the projected increase in the plastic content of oceans surpassing living content by 2030. Ms. R Lakshmi captivated the audience by sharing her personal experiences during the floods in Kerala, emphasizing the urgency of environmental protection. The resource person conveyed that World Environment Day is not merely a

celebration but a reminder of our collective responsibility to protect nature for future generations. She stressed the need for sustainable development as a pivotal step toward making the world a better place. 52 participants actively participated in the programme. Ms. Greeshma KS, the student representative, expressed gratitude to all participants, organizers, and the resource person in a heartfelt vote of thanks, acknowledging the collective effort to spread awareness. The seminar concluded at 3:15 pm, concluding with the singing of the National Anthem.

OUTCOME: The seminar successfully educated participants on the urgent need to combat plastic pollution, fostering a sense of responsibility and commitment to sustainable practices. Ms. R Lakshmi's engaging presentation and personal anecdotes left a lasting impact, motivating attendees to take concrete actions in their daily lives to reduce plastic usage and contribute to a healthier planet. The event served as a meaningful observance of World Environment Day, aligning with the global call to "Beat Plastic Pollution."

About the seminar

The international seminar on the topics intersection of floristic endemism and plants adapting to high CO₂ levels! Let's explore how these two concepts intertwine and influence each other.

The impact of high CO₂ levels on plants, we can see how this environmental factor plays a role in shaping floristic endemism. Elevated CO₂ levels can have both positive and negative effects on plants, and these effects can influence the distribution and adaptation of endemic species

Floristic endemism, the occurrence of plant species in a specific geographic area and nowhere else in the world. These endemic plants have evolved and adapted to unique environmental conditions, which includes factors like climate, soil composition, and geographical isolation. Their distinct characteristics make them particularly fascinating and valuable in terms of biodiversity conservation.

In conclusion, the impact of high CO₂ levels on plants can influence the distribution, adaptation, and conservation of endemic species. While increased CO₂ can stimulate plant growth, its long-term effects and associated climate change can pose challenges for endemic species. By studying and understanding these dynamics, we can work towards preserving the biodiversity and ecological integrity of these unique plant populations.

About The College

Carmel, a first grade college for women under the University of Calicut, stands nestled in an idyllic locate in a small town called Mala near the southern tip of Thrissur district, the cultural capital of Kerala. This college, which began in the year 1981, is run by the Sisters of the Congregation of Mother of Carmel who, guided by their founders Saint Kuriakose Elias Chavara and Rev. Fr. Leopold Boccaro, have taken up the apostolate of education. <https://www.carmelcollegemala.ac.in/>

Research & PG Department of Botany

**In Collaboration with University of Calicut & Kerala State Higher
Education Council**

Organising International Seminar on Evaluating the Prospects of Biology- 02.11.2023

The Research & Postgraduate Department of Botany, in collaboration with the Department of Botany, University of Calicut and the Kerala State Higher Education Council, organized an esteemed International Seminar on Evaluating the Prospects of Biology. The seminar aimed to explore and discuss the vast potential and future prospects in the field of biology. The event took place on November 2nd, 2023, from 10:00 am to 4:00 pm.

Technical Session:

The seminar commenced with the technical session, which began promptly at 9:30 am and concluded at 12:30 pm. This session provided a platform for experts and scholars to present their research findings and share their insights on various aspects of biology.

Inauguration:

At 1:45 pm, the seminar proceeded with the inaugural session, which began with a warm welcome speech delivered by Dr. Geo Joseph. Following that, the ceremonial lighting of the lamp took place, symbolizing the illumination of knowledge and wisdom. The esteemed Chief Guest, Professor Christine H Foyer, delivered an inaugural speech, providing valuable perspectives on the prospects of biology. The seminar was further graced by the presence of Dr. Sr. Kochuthressia K. P., the Principal of the institution, who delivered a keynote address highlighting the importance of the seminar. Dr. Bindhu K. B., the Head of the Botany Department, felicitated the event, acknowledging the significance of the seminar. The speaker for the first session, Professor Christine H Foyer, was introduced by Dr. Dhanya Thomas T. T., an Assistant Professor in the Department of Botany.

During the first session, Professor Christine H Foyer, from the Department of Molecular Biology at the University of Birmingham, UK, delivered an engaging talk, sharing her expertise and research findings with the audience. This talk aims to discuss the potential challenges and adaptations that plants may undergo in a future with increased carbon dioxide levels. It is an important discussion considering the impact of climate change on our environment and the need to understand how plants can cope with these changes. The talk is likely to provide valuable insights into the field of plant biology and contribute to our understanding of the natural world.

Vote of Thanks:

Ms. Mirsha M, an Assistant Professor in the Department of Botany, expressed sincere gratitude to all the distinguished guests, speakers, and attendees for their valuable presence and contributions.

Second Session:

The seminar resumed at 3:10 pm with Dr. Sr. Sinjumol Thomas introducing the speaker for the second session, Dr. Naveen Kumar. Dr. Kumar, a scientist from the Centre for Environment & Marine Studies at King Fahd University in Saudi Arabia, presented his talk on the prospects of biology through a hybrid mode of participation. Floristic endemism refers to the unique plant species found in specific geographic regions. It is influenced by various factors such as climate, topography, and soil conditions. India and Saudi Arabia, despite being located in different climatic regions, exhibit distinct floristic endemism. In India, the country's diverse climate and topography have led to the presence of several endemic plant species. The Western Ghats, for example, is known for its high levels of endemism, with many plants found exclusively in this region. Similarly, the Eastern Himalayas are home to numerous endemic species due to the unique combination of altitude and climate.

Saudi Arabia, on the other hand, has a predominantly arid climate with vast deserts such as the Rub' al Khali (Empty Quarter). Despite the challenging conditions, Saudi Arabia still harbours several endemic plant species that have adapted to survive in these extreme environments. The Arabian Peninsula's unique geography, including mountains, wadis (dry riverbeds), and coastal areas, also contributes to the presence of distinct plant species.

Vote of Thanks:

Ms. Amiya Shaju, an Assistant Professor in the Department of Botany, delivered the final vote of thanks, expressing gratitude to all those involved in making the seminar a success.

OUTCOME:

The International Seminar on Evaluating the Prospects of Biology provided a remarkable platform for experts and scholars to exchange knowledge, insights, and research findings. The event was a significant success, thanks to the collaborative efforts of the organizing committee, resource persons, and esteemed speakers. The seminar succeeded in fostering an environment conducive to intellectual growth and the exploration of future opportunities in the field of biology.

ABOUT THE SEMINAR

We are excited to announce a national seminar on biodiversity conservation and sustainable development, hosted by our college. This seminar aims to bring together students, researchers, professionals, and enthusiasts from various disciplines to explore and discuss the critical issues surrounding the conservation of biodiversity and the promotion of sustainable development.

The seminar will feature expert speakers who will delve into topics such as the current state of biodiversity, the impact of human activities on ecosystems, and innovative approaches to conservation. They will share their knowledge and research findings, providing valuable insights into the challenges we face and the potential solutions available.

Additionally, the seminar will focus on sustainable development, which aims to meet the needs of the present generation without compromising the ability of future generations to meet their own needs. We will explore how sustainable development practices can integrate biodiversity conservation into various sectors, such as agriculture, energy, tourism, and urban planning. Through interactive discussions and case studies, we will examine successful initiatives and identify strategies to promote sustainable practices.

Join us for this enlightening seminar as we strive to deepen our understanding of biodiversity conservation and sustainable development, and explore ways to protect our planet's precious ecosystems for generations to come.

PROGRAM SCHEDULE

THURSDAY, 7TH DECEMBER 2023

Venue : *Audio-visual room*

- 9 - 9.30 - Registration
9.30 - Prayer, Welcome, Inauguration
10.30 - Tea break

Technical session I 10.45 - 12.30

DR. J. PHILIP ROBINSON
TOPIC: Modern and Sustainable Techniques
for Plant Conservation

- 12.30 - Lunch break
1.00 - 2.00 - Presentations

Technical session II 2.00 - 4.00

DR. KAYEEN VADAKKAN
TOPIC : Bacterial Quorum quenching-
Sustainable methodology against
Bacterial pathogenesis

FRIDAY, 8TH DECEMBER 2023

Venue : *Seminar Hall*

Technical session III 9.30 - 11.15

DR. JOYCE JOSE
TOPIC : Biodiversity Documentation for
Conservation: Experiences with
Psychidae of Kerala

- 11.15 - 11.30 - Tea break
11.30 - 01.00 - Presentations
1.00 - 1.30 - Lunch break

Technical session IV 1.30 - 3.00

PRABHU P M
TOPIC : Biodiversity - It's Beauty & Science

- 3.00 - Valedictory session

NATIONAL SEMINAR ON

BIODIVERSITY CONSERVATION AND SUSTAINABLE DEVELOPMENT

SPONSORED BY

KERALA STATE BIODIVERSITY BOARD (KSBB)

07.12.2023 & 08.12.2023

The two-day national seminar on biodiversity conservation and sustainable development, sponsored by the Kerala State Biodiversity Board, was conducted by the PG and Research Department of Botany. It took place on the 7th and 8th of December. The seminar had a total of four resource persons from various colleges and research institutes who delivered their sessions effectively. On the first day, Dr. Bindhu KB, the Head of the Department, delivered the welcome speech. The Principal, Dr. Kochuthressia K.P, gave the presidential address, while Dr. J. Philip Robinson delivered the inaugural address. During the seminar, participants from various colleges and research institutes presented abstracts of their various projects. Biodiversity conservation and sustainable development are important topics that go hand in hand. Biodiversity refers to the variety of life on Earth, including all living organisms and the ecosystems they inhabit. Sustainable development, on the other hand, aims to meet the needs of the present without compromising the ability of future generations to meet their own needs. In a seminar on biodiversity conservation and sustainable development, you can expect to learn about the importance of preserving biodiversity for the well-being of our planet and future generations. The seminar may cover topics such as the threats to biodiversity, including habitat loss, pollution, climate change, and overexploitation of natural resources. Additionally, the seminar may discuss various conservation strategies and approaches to promote sustainable development. These could include protected areas, sustainable agriculture, renewable energy, and responsible consumption and production practices.

Dr. J. Philip Robinson, Professor, Department of Biotechnology, K. S. Rangasamy College of Tecnology Namakkal, Dr. Kayeen Vadakkan, Assistant Professor, Department of Biology, St. Mary's College, Thrissur, Dr. Joyce Jose, Assistant Professor, Department of Zoology, St. Thomas College, Thrissur. Mr. Prabhu P. M., Assistant Conservator of forest, Kelala forest Department, Wildlife Warden Peechi Division were taken 4 technical sessions respectively. Total of 15 paper presentation by Faculty members, research scholars and students from various aspects of biodiversity conservation and related topics. Overall, the seminar will likely emphasize the need for a balanced approach that considers both environmental conservation and socio-economic development. It may highlight the interconnectedness of ecosystems and the role of biodiversity in providing essential ecosystem services, such as clean air and water, climate regulation, and food security. By the end of the seminar, you should have a better understanding of the challenges and opportunities associated with biodiversity conservation and sustainable development. You may also gain insights into practical solutions and actions that can be taken at individual, community, and global levels to promote a more sustainable future. 66 participants attended the National Seminar. Dr. Sinjumol Thomas, the coordinator of the program, delivered the vote of thanks.

OUTCOME: The national Seminar on Biodiversity conservation and sustainable development provided a remarkable platform for experts and scholars to exchange knowledge, insights, and research findings. The event was a significant success, thanks to the collaborative efforts of the organizing committee, resource persons, and esteemed speakers. The seminar succeeded in fostering an environment conducive to intellectual growth and the exploration of future opportunities in the field of biology.

Seminar report on "Chemicals in Everyday Life : Unveiling Risks and Exploring Sustainable Solutions"

Date – 15/09/2023

Time – 02.00 pm

Venue – Audio Visual Room

Chemistry Association was formally inaugurated by Dr. Lali Thomas Kotturan, Associate Professor and Head (Rtd.), Department of chemistry, Little Flower College, Guruvayoor on 15th September 2023. The ceremony began with a warm welcome address by Dr.Princy K.G, Head, Department of Chemistry. Respected Principal, Dr.Sr.Kochuthressia K.P, Dr. Lali Thomas Kotturan and Dr.Bindhu K.B, Head, Department of Botany with expertise in the event's domain shared their knowledge, experiences, and perspectives. Ms.Visniya Wilson proposed the vote of thanks.

Apart from this, a book entitled "Medicinal and Environmental Chemistry" jointly published by Dr.Princy K.G, Dr.Roshini K Thumpakara and Dr.Vidya Francis was launched on the same day. The book is written in a clear and engaging style and it is a valuable resource for students, researchers and practitioners in the field.

A seminar on "Chemicals in Everyday Life : Unveiling Risks and Exploring Sustainable Solutions" was also organized on the same day. The seminar was a comprehensive exploration of the role of chemicals in our daily lives, including the benefits and potential risks associated with their use. The event consisted of three informative sessions and discussions. Session 1 was about Chemicals in daily life. This session focused on the omnipresence of chemicals in everyday products and their contributions to modern life. It discussed examples such as pharmaceuticals, cleaning products, and agricultural chemicals. The second session named Risks and Challenges delved into the potential risks associated with the misuse and overuse of chemicals. Topics included health risks, environmental pollution, and regulatory challenges. The final session concentrated on sustainable alternatives and practices that can minimize the negative impacts of chemicals. Speaker presented strategies for responsible chemical management and sustainable development.

Outcome: The Chemistry Association Inauguration and Seminar on "Chemicals in Everyday Life" was a thought-provoking and informative event that provided attendees with a deeper understanding of the chemical world that surrounds us. It highlighted the significance of responsible chemical management and the pursuit of sustainable solutions. This event not only facilitated knowledge sharing but also encouraged discussions on how society can harness the benefits of chemicals while mitigating their risks.

Date – 21/07/2023
Time – 10.00 am
Venue – Auditorium

In connection with World Youth Skill day, the students of our Skill development Centre 'Chemicules', conducted sale of various toiletries and food items as part of **Monsoon Fest 2K23**, organised by 7(K) Girls BN NCC, Thrissur and Skill development Centre of Carmel College (Autonomous), Mala on 21st July 2023 at 10.00 am in the College Auditorium. The fest was inaugurated by Dr.Sr.Kochuthressia K.P, The Principal, Carmel College (Autonomous), Mala. The students set up stalls and conducted various games. They also exhibited their culinary and marketing skills through preparing various food items and by selling them for reasonable prices.

Outcome: The Monsoon Fest showcased a diverse range of food items and games reflecting the creativity and skill diversity of the students. This event provided the opportunity for the students to earn money. They also learned about pricing, product presentation and effective sales techniques.

is organizing

NATIONAL SEMINAR
on

**" ADVANCEMENTS IN
CHEMICAL RESEARCH:
UNVEILING EMERGING TRENDS
AND INNOVATIONS"**

(Hybrid mode)

19. 01. 2024 | AUDIO VISUAL ROOM

ABOUT THE SEMINAR

Carmel College (Autonomous) Mala, established in the year 1981, a first-grade college for women under Calicut University stands nestled in an idyllic locale in a small town called Mala near the southern tip of Thrissur district. The department of chemistry started functioning with the very inception of the college and has the history of 42 years so far. B.Sc Chemistry Programme started in the year 1995 and uplifted to P.G department in the year 2015. The department provides a scholastic atmosphere through competent instruction, curricular and extra- curricular activities.

The Department of Chemistry, Carmel College (Autonomous), Mala is organizing a National Seminar on “Advancements in Chemical Research: Unveiling Emerging Trends and Innovations” scheduled on 19th January 2024. The primary goal of this seminar is to assemble a diverse group of experts, scholars, and trailblazers from academic, research and development, and industrial sectors within the relevant disciplines. This will offer students a platform to gain insights into the current landscape of science and technology. By bringing together individuals with a shared passion for advancing scientific understanding, we aim to bridge the gap between theory and application. Through interactive sessions, participants will have the opportunity to delve into the intricacies of cutting-edge research, gaining valuable perspectives that extend beyond conventional classroom teachings. Furthermore, the seminar strives to cultivate research enthusiasm among emerging graduates, fostering an environment conducive to staying abreast of the latest discoveries in the field of chemistry.

Seminar report

“Advancements in Chemical Research: Unveiling Emerging Trends and Innovations”

Date – 19/01/2024

Time – 10 am

Venue – Audio Visual Room

Department of Chemistry, Carmel College (Autonomous), Mala organized a National Seminar on “Advancements in Chemical Research: Unveiling Emerging Trends and Innovations” on 19th January 2024. Advancements in Chemical Research: Unveiling Emerging Trends and Innovations" reflects the dynamic nature of the field of chemistry, showcasing the latest breakthroughs, methodologies, and discoveries that shape our understanding and application of chemical science. From fundamental research to practical applications, this theme highlights the continuous evolution of chemistry and its pivotal role in addressing global challenges and driving technological innovation. The primary goal of this seminar was to assemble a diverse group of experts, scholars, and trailblazers from academic, research and development, and industrial sectors within the relevant disciplines. Furthermore, the seminar strived to cultivate research enthusiasm among emerging graduates, fostering an environment conducive to staying abreast of the latest discoveries in the field of chemistry.

Outcome: The seminar offered the students a platform to gain insights into the current landscape of science and technology. By bringing together individuals with a shared passion for advancing scientific understanding, it could bridge the gap between theory and application. Through interactive sessions, participants got an opportunity to delve into the intricacies of cutting-edge research, gaining valuable perspectives that extend beyond conventional classroom teachings.

Time – 10.00 am

Venue – Chemistry Lab

Department of Chemistry participated in the programme named OPEN DAY conducted by Carmel College (Autonomous), Mala by arranging a chemistry exhibition on 8th December 2023 at chemistry lab. It was a remarkable showcase of the fascinating world of chemistry. The aim of the programme was to promote scientific curiosity and awareness among students. The main beneficiaries of this programme were the higher secondary students of nearby schools. The exhibition provided a platform for educators, researchers, and students to demonstrate and explore various chemical phenomena through engaging experiments and demonstrations. The exhibition featured a diverse range of experiments and demonstrations covering various branches of chemistry, including organic, inorganic, physical, and analytical chemistry. Participants showcased their creativity and ingenuity in designing experiments that not only illustrated fundamental chemical principles but also highlighted their practical applications in everyday life and industry. Visitors were invited to participate in hands-on demonstrations where they could conduct simple yet instructive experiments under the guidance of expert chemists. These demonstrations included activities such as titrations, chemical reactions, chromatography, and spectroscopy, allowing participants to observe and analyze chemical phenomena firsthand.

OUTCOME

The Chemistry Experimental Exhibition was a resounding success, serving as a testament to the boundless creativity and innovation within the field of chemistry. The exhibition serves as a platform to raise public awareness about the importance and relevance of chemistry in our daily lives. By showcasing practical experiments and demonstrations, attendees gain a better understanding of chemical phenomena and their applications, fostering scientific literacy and appreciation. The interactive nature of the exhibition sparks curiosity and interest in chemistry among participants, particularly students. Engaging in hands-on experiments and workshops can inspire young minds to pursue further studies and careers in science.

SKILL DAY 2023

Date – 23/08/2023

Time – 09.30 am

Venue – Chavara Block

As part of Skill Day 2023, the students of our Skill development Centre 'Chemicules', sold various products including toiletries and food items and also conducted variety of fun activities including games. The **Skill Day 2023** was inaugurated by Dr.Sr.Kochuthressia K.P on 23rd August 2023 at Chavara Block. This event provided an ideal platform for students to set up stalls and interact with the community. The event aimed to provide students with practical experience and an opportunity while showcasing their talents. A wide range of home made food items was available such as baked foods and snacks. The food items were delicious and hygienically prepared. The games conducted by the students were simple and was enjoyable.

Outcome: The skill day showcased a diverse range of products, reflecting the creativity and skill diversity of students. The event provided students with the opportunity to earn money, which could be used for their personal needs or further investments in their skills and education.

**A Seminar on "Issues and Challenges of Environment Safety
for Sustainable Development"**
Report

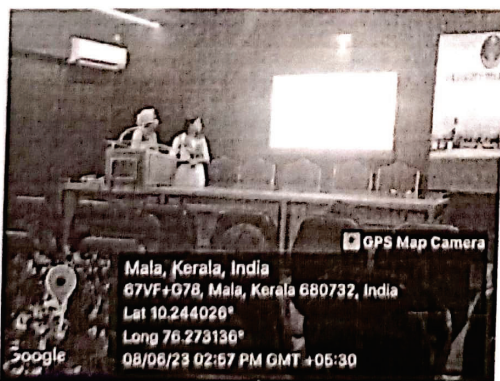

Date – 08/06/2023

Time – 2.30pm

Venue – Audio Visual Room

In connection with 'World Environment day' department Organized a seminar on the topic " **Issues and Challenges of Environment Safety for Sustainable Development** "on 8th June 2023. Ms.Farsana Thajudeen & Ms.Sreela P.C .II M.Sc. Chemistry students of our department were the resource persons. World Environment Day is a global event commemorated every year on June 5th to promote awareness with regard to environmental protection. This seminar highlights the urgent challenges of environment safety we currently face. Challenges like climate change, biodiversity loss, and pollution. Plastic pollution touches on all three of those challenges. For the sake of the planet's health, for the sake of our health, for the sake of our prosperity, we must end plastic pollution. There were a total of 23 participants from chemistry departments. All of them were actively participated in the interaction session after the seminar presentation.

Outcome: The seminar puts a spotlight on the pressing environmental challenges of our times and called for a concerted global effort to repair the damage that has been done.

From Ingredients to Innovation: A Hands-on Training Workshop
Report

Date – 20/10/2023

Time – 2-3.30pm

Venue – Chemistry Lab

The Chemistry Department in collaboration with NISP & IIC organized a training session for students on the production of detergents, on 20th October 2023 from 2pm to 3.30 p. m in Chemistry Lab. The detergent making industry presents a plethora of entrepreneurial prospects. Opportunities range from small-scale local businesses catering to niche markets to larger-scale ventures targeting broader consumer bases. Innovation in product development and marketing strategies plays a pivotal role in establishing a successful enterprise within this industry. This training served as a catalyst for inspiration, emphasizing the potential for innovation and growth within the detergent industry. The workshop covered both theoretical information and hands-on demonstrations. Theoretical information included insights into the chemical compositions of detergents, understanding raw materials, production methodologies, and quality control measures. Equally important were the hands-on demonstrations, allowing for a direct application of the learned concepts, thereby solidifying the understanding of detergent production processes.

Outcome:

Through this training, practical skills essential for entrepreneurship in detergent making were acquired. These encompassed product formulation, manufacturing techniques, quality assessment, and compliance with industry standards. These skills form the backbone of any successful entrepreneurial endeavor in this field. In conclusion, the detergent making training not only equipped participants with technical skills but also instilled an entrepreneurial mindset. It

illuminated the pathway towards leveraging this expertise to embark on entrepreneurial ventures within the detergent manufacturing domain.

Report: Association inauguration and seminar on gender sensitization

On July 25, 2023, the Department of Political Science at Carmel College (Autonomous), Mala, held an association inauguration and seminar on gender sensitization in the Audio-Visual Room. The seminar was led by Dr. Satheesh Kumar P.K., Assistant Professor in the Department of Political Science at PMG College, Chalakudy, and was presided over by Dr. Sr. Kochuthresia K.P. The event was coordinated by Ms. Mary Philip, Head of the Department of Political Science, with collaborative efforts from Ushus Mol EU, Sujith K.S., and Amilsha A.A.

The seminar, which began at 10:30 AM, was attended by 73 students and provided an in-depth exploration of gender issues, focusing on enhancing gender sensitivity. Dr. Satheesh Kumar's expert presentation and interactive discussions offered valuable insights into gender dynamics and the importance of fostering gender equality.

Outcome of the Program

The students gained a thorough understanding of gender issues and practical approaches to promoting gender equality. The engaging discussions and presentations facilitated a deeper awareness of the impact of gender sensitivity in various aspects of life. The successful organization of the event and the active participation of the students highlighted the department's dedication to addressing critical social issues and advancing educational initiatives on gender awareness.

Report on Training and Orientation Session: A Winning Strategy in the Competitive World

On 18 September 2023, the Department of Political Science at Carmel College (Autonomous), Mala, hosted a significant training and orientation session titled "A Winning Strategy in the Competitive World" at the college auditorium, starting at 9:30 AM. The event was conducted by Anukrishnan, the Manager at Aptitech Placement and Training Institution. Coordination of the session was overseen by Ms. Mary Philip, Head of the Department of Political Science, with joint efforts from Ushus Mol E U, Sujith K S, and Amilsha A A.

The session aimed to equip students with crucial soft skills necessary for success in the competitive job market. Anukrishnan began by stressing the importance of soft skills such as communication, teamwork, problem-solving, and time management. The interactive nature of the session included various activities that allowed students to engage directly with the content and apply these skills in practical scenarios.

A significant portion of the session was dedicated to discussing strategic approaches for career development. Anukrishnan shared insights on building a strong personal brand, effective networking, and navigating career opportunities. The Q&A segment at the end of the session provided students with the chance to seek personalized advice, further enhancing their understanding and readiness for the professional world.

Outcome of the Program

Students gained a deeper awareness of the importance of soft skills, improved their practical abilities through interactive exercises, and received strategic advice on career planning. The session also boosted students' confidence in their career pursuits and facilitated valuable networking opportunities with a seasoned professional.

Overall, the training and orientation session was highly successful, providing students with both the knowledge and practical tools needed to excel in a competitive environment. The collaborative efforts of the Department of Political Science and the guidance provided by Anukrishnan made the event a valuable experience for all participants.

Report: National Webinar on Health and Hygiene

As part of experiential learning, we the Department of Political Science conducted a national webinar on the topic of health and Hygiene under MOU in collaboration with St.Paul Institute of Professional Studies Indore. The webinar took place in the Audio-Visual Room on 5th October 2023 at 2:00 PM.

Dr.G Venugopal delivered session about relevance of health and hygiene in our daily life. The webinar was attended by 128 participants, who engaged actively with the content and discussions. The programme was coordinated by Ms. Mary Philip and Dr. Aravind Jain, Ms.UshusMol E U, Ms Amilsha A A, and Mr. Sujith K S were the members of organising committee.

Outcome of the programme

This programme helped the students to understand about the relationship between hygiene and health. Health and hygiene remain crucial today for overall wellbeing. They helps to prevent illness, ensure healthier life and inevitable for resilience of body and clear mind and maintaining health and hygiene.

Report: Women and Gender Democracy

On November 9, 2023, at 2:00 PM, the seminar on "Women and Gender Democracy" took place in the Audio Visual Room. The event commenced with a welcoming address from Ms. Mary Philip, Head of the Department of Political Science, who provided an overview of the theme and set the tone for the forthcoming discussions.

The keynote address was delivered by C.A. Francis, Programme Coordinator from the Legal Service Authority. His insightful speech provided a comprehensive overview of the intersections between women's rights and gender democracy, highlighting the challenges and progress in these areas. Francis emphasized the importance of legal frameworks and societal changes in promoting gender equality and democratic values.

Following the keynote address, K.G. Satheesan from the Irinjalakuda Sub Court conducted a detailed class on the topic "Women and Gender Democracy." Satheesan's presentation delved into legal perspectives on gender equality, exploring how laws and policies impact women's rights and contribute to democratic governance. The session included discussions on various legal instruments and their effectiveness in addressing gender disparities. The seminar was attended by 62 participants, who engaged actively with the content and discussions.

The seminar was meticulously coordinated by Ms. Mary Philip, with essential support from joint coordinators Ms. Ushus Mol E.U., Ms. Amilsha A.A., and Mr. Sujith K.S. Their efforts ensured the event was well-organized and engaging for all participants.

Outcome of the Program

The seminar achieved several significant outcomes. Participants developed a deeper understanding of how gender democracy intersects with women's rights and the effectiveness of legal frameworks in advancing these issues. The event also heightened awareness about the ongoing challenges and progress in the realm of gender equality. Attendees left feeling more empowered to engage in discussions and actions related to gender democracy. Additionally, the seminar provided valuable networking opportunities, connecting professionals, students, and activists committed to promoting gender equality and democratic principles. Overall, the seminar made a meaningful contribution to the discourse on women's rights and gender democracy, fostering a collaborative and informed community.

Report: Career in Law

The Department of Political Science at Carmel College (Autonomous), Mala, organized a career-oriented session titled "Career in Law" on January 12, 2024, as part of its alumnae engagement programme. The session featured Advocate Archana K.K. as the resource person, who provided valuable insights into the legal profession and the opportunities it offers.

Advocate Archana K.K. delivered an informative presentation, outlining the various career paths within the field of law, including litigation, corporate law, and public service. She shared her personal experiences and offered practical advice on pursuing a legal career, including the educational requirements, skills needed, and potential challenges. The session also included a Q&A segment, allowing students to seek guidance on specific queries related to the legal profession.

Outcome of the Programme

The outcomes of the "Career in Law" session were notably positive. The students gained a clearer understanding of the legal field and the diverse career opportunities available within it. Advocate Archana's insights and practical advice were highly appreciated, providing students with a realistic perspective on the demands and rewards of a legal career. The session also fostered enhanced engagement between alumnae and current students, strengthening the department's commitment to guiding students through their career planning. Overall, the event successfully equipped students with valuable knowledge to make informed decisions about pursuing a career in law.

Report: India's Foreign Policy at 77: Challenges and Prospects

On January 17, 2024, the Audio-Visual Room at Carmel College, Mala, provided a dynamic setting for a seminal discussion on "India's Foreign Policy at 77: Challenges and Prospects." The event, which began at 11:00 AM, was led by Chair Arun Karippal from Kerala Varma College and featured a panel of esteemed speakers, including faculty and students..

The program commenced with an illuminating keynote address delivered by Sudhir Singh, Head of the Department of Political Science at Dayal Singh College Delhi and a distinguished Peer Member of the National Assessment and Accreditation Council (NAAC). The event was attended by 80 participants, who contributed to and benefited from the in-depth exploration of India's foreign policy. Singh's insightful analysis provided attendees with a comprehensive understanding of India's foreign policy evolution, highlighting the challenges it faces and the opportunities it seeks to embrace.

Throughout the event, joint coordinators Ushus Mol, Amilsha AA, and Sujith KS ensured the smooth organization and coordination of proceedings. Attendees actively engaged in discussions and presentations, exploring a myriad of topics ranging from regional diplomacy to economic partnerships and security dynamics. The exchange of ideas and perspectives fostered a rich intellectual environment, encouraging critical thinking and scholarly discourse.

Outcome of the programme

Participants gained a deeper understanding of the complexities inherent in India's foreign policy landscape, enabling them to appreciate the nuanced interplay of domestic and international factors. The program shed light on the multifaceted challenges confronting India's foreign policy, ranging from geopolitical tensions to economic dependencies, fostering critical thinking and dialogue among attendees. Through constructive dialogue and scholarly exchange, the program identified potential pathways for advancing India's interests on the global stage, emphasizing the importance of strategic partnerships and proactive diplomacy.

Report: Domestic Violence Act 2005

On February 7, 2024, a seminar on the Domestic Violence Act 2005 was held at 10:30 AM in the Audio Visual Room. The event was inaugurated by Ms. Maya S. Paniker, Women Protection Officer from Thrissur, who set the stage with her insightful remarks on the importance of addressing domestic violence through legal frameworks and community efforts. Following her, Mr. A.V. Thomas, Director of Brain Society, delivered the welcome address, emphasizing the significance of legal literacy in combating domestic violence.

Dr. Sr. Kochuthresia K.P. provided the presidential address, underscoring the need for robust legal measures and heightened societal awareness. Her speech reinforced the seminar's role in educating individuals about their rights and available legal resources.

The seminar featured a comprehensive session led by Advocate K.R. Retnakumari, a respected legal counsellor. Advocate Retnakumari's presentation covered the scope and definitions under the Domestic Violence Act 2005, key legal provisions such as protection orders and residence orders, and practical insights into the Act's implementation. She also shared case studies to illustrate real-life applications of the law.

The event was coordinated by Ms. Mary Philip, Head of the Department of Political Science, with crucial support from joint coordinators Ms. Ushus Mol E.U., Ms. Amilsha A.A., and Mr. Sujith K.S. Their combined efforts ensured the seminar ran smoothly and effectively.

Outcome of the programme

The seminar achieved notable outcomes, including a deeper understanding of the Domestic Violence Act 2005 among participants, increased awareness about domestic violence and legal remedies, and greater empowerment for individuals to advocate for themselves and others. The event also provided valuable networking opportunities for professionals, students, and activists involved in domestic violence prevention and support. Overall, the seminar successfully contributed to the broader goal of combating domestic violence and promoting legal knowledge in the community.

REPORT – WEBINAR ON LANGUAGE DISCOURSES: ROLES AND STRATEGIES IN CLASSROOM

Date & Time : 05/02/2024, 8-9 PM

Venue : Google Meet

Topic : Language Discourses : Roles and Strategies in Classroom

Department of Zoology Carmel College (Autonomous), Mala conducted a webinar on Language Discourses: Roles and Strategies in Google Meet Platform. The resource person for the event was Dr. Krishnakumar K S (MA Malayalam, M.Ed in Technology, PGDBSA, Ph.D in Education) an esteemed expert in the field. The session aimed to shed light on effective communication strategies and the roles language plays in the teaching and learning process within the context of zoology education. The Programme was conducted with the blessing of Dr. Sr. Kochuthressia, Principal and Dr. Sr. Rini Raphael vice principal, HOD, of zoology department. Ms. Haritha P Nair, faculty of our department were introduce the resource person. Dr. Krishnakumar began by highlighting the pivotal role of language in the educational setting, emphasizing its influence on knowledge transfer and comprehension. The resource person discussed various strategies to enhance communication in the classroom, including active listening, clear articulation, and the use of visual aids to aid understanding. He was very interactive with the students. The language discourse session conducted by the Zoology Department with Dr. Krishnakumar as the resource person was insightful and provided valuable perspectives on the roles and strategies of language in the classroom. He also explains the roles in terms of science curriculum. The event was very successful. 21 students were participated in the programme. Ms. Ayrin Jose faculty of our department expressed gratitude to resource person. The session end at 9.00 PM.

OUTCOMES

- Help to understand Language is a fundamental tool for effective teaching and learning.
- Discussions on effective communication strategies enhance student engagement and understanding.
- Get an idea about inclusive language practices contribute to a positive classroom environment

REPORT - WEBINAR ON – NATURE POSITIVE TRADE FOR SUSTAINABLE DEVELOPMENT

Date & Time : 06/02/2024, 7-8 PM

Venue : Google Meet

Topic : Nature- Positive Trade for Sustainable Development

On February 6, 2024, the Department of Zoology organized a webinar on Nature-Positive Trade for Sustainable Development, led by Ms. Anjali Devadas (Assistant Professor, Department of Aquaculture & Fisheries Microbiology, Stella Maris College, Kottapuram, Kodungallor) with the blessing of our Principal Dr.Sr.Kochuthressia and Dr. Sr. Rini Raphael vice principal, HOD, of zoology department. The event aimed to enlighten students on the importance of incorporating sustainable practices in the field of zoology and promoting responsible environmental citizens. Ms. Haritha P Nair, faculty of our department were introducing the resource person. The seminar delved into the significance of biodiversity conservation and ecosystem restoration in maintaining a healthy planet. The seminar concluded with an interactive session, allowing students to engage with Ms. Anjali Devadas in a Q&A session. This provided an opportunity for students to seek clarification, share insights, and discuss potential ways to integrate sustainable practices into their future careers as zoologists. The seminar on sustainable development, led by Ms. Anjali Devadas, was a resounding success. It not only provided valuable insights into the challenges facing wildlife and ecosystems but also inspired students to become advocates for sustainable practices in the field of zoology. The class was very informative. 21 students participated in the programme. Ms. Ayrin Jose, faculty of our department expressed gratitude to Anjali Mam for her valuable contribution to the webinar. Students were very well cooperated with the resource person.

OUTCOMES

- The event significantly increased awareness among students about the importance of sustainable development
- Attendees were enriched with new and relevant information on topics such as biodiversity conservation, ecosystem restoration, climate change impact on wildlife
- Students had the chance to connect with an experienced professional in the field, gaining valuable insights and advice for their future careers
- Discuss about the current affairs related to Sustainable Development

Date & Time : 07/02/2024, 7-8 PM

Venue : Google Meet

Topic : Gender and Education

Department of Zoology Carmel College (Autonomous), Mala conducted a webinar on Gender and Education on Online Platform. The major objective of the programme was to explore and discuss the intersection of gender and education, addressing pertinent issues and disparities. The programme conducted on 7th February 2024 on Google Meet with the blessing of Dr. Sr. Kochuthressia, Principal and Dr. Sr. Rini Raphael vice principal, HOD, of zoology department. Then Ms. Haritha P Nair, faculty of our department were introduced the resource person Mr. Akhil A R (Ph.D Research Scholar, Centre for Historical Studies, Jawaharlal Nehru University, Delhi). Akhil A R provided an overview of the importance of understanding the link between gender and education. He presented a historical perspective on gender and education, outlining key milestones and challenges faced over the years. The session included examples of successful initiatives and interventions that have positively impacted gender inclusivity in education. The class was very informative. It starts at 7.00 PM and ends at 8.00 PM. 21 students participated in the programme. The Department of Zoology expressed gratitude to Akhil Sir for his valuable contribution to the understanding of gender and education. Students were very well cooperated with the resource person.

OUTCOMES

- The programme helps to aware about gender.
- Get an idea about historical perspective on gender and education,
- Outlining key milestones and challenges faced over the years
- Discuss about the current affairs related to Gender
