The collaborative effort of the Research & PG Department of Botany and Zoology with IIC and Zaara Biotech Product School resulted in a significant product launching program held on October 6, 2023. The program aimed to bring together academic expertise and industry innovation to address malnutrition challenges and enhance living standards. The program was inaugurated by Principal Dr. Sr. Kochuthressia K P, reflecting the commitment of the institution towards fostering research and industry partnerships. The programme is facilitated by Dr.Sr.Rini Raphel (Vice principal & HOD of Zoology) and Dr.Bindhu K B (HOD of Botany). Recognition and distribution of internship certificates to students who had successfully completed their internships, promoting practical exposure and skill development. Students had the opportunity to showcase and launch innovative products aimed at addressing malnutrition challenges. This platform allowed students to apply theoretical knowledge in a practical setting and contribute to innovative solutions. The program facilitated the registration of new students, welcoming fresh minds to engage in collaborative efforts and contribute to ongoing projects. Zaara's team also participated in this program. 61 participants participated in the product launch; among them, 16 were students who launched their products.

**Outcome:** The product launch marks a significant milestone for Department of Botany . Despite a few challenges, the overall response has been overwhelmingly positive. The success of the

launch lays a solid foundation for future growth, and we are committed to continually improving and delivering innovative products to meet the evolving needs of our customers.

**Organizing Seminar on Micro Green A Way to Entrepreneurship – Report  
30.10.2023**

The Ecofriendly and Ethno botany Club of the Department of Botany organized a seminar on October 30<sup>th</sup>, delving into the captivating topic of "Micro greens: A Way to Entrepreneurship." The primary objective was to enlighten participants about the concept of micro greens, their significance, cultivation techniques, and the potential for transforming them into a profitable entrepreneurial venture. The seminar, held in the well-equipped audiovisual room, commenced at 2:00 pm. It attracted a diverse audience eager to explore the world of micro greens and entrepreneurship. The event was skill fully coordinated by Dr. Bindhu KB, Dr. Dhanya Thomas TT. Dr. Bindhu K.B welcomed the gathering. Dr. Sr. Kochuthressia K.P felicitated the event. Mr. Ajay Gopinath, the founder of a successful micro green business in Kerala, served as the esteemed resource person. His practical experience in the field added depth to the seminar, providing valuable insights and guidance. Mr. Ajay Gopinath delivered an enlightening talk covering various aspects of micro greens. He provided a comprehensive understanding of what microgreens is, delving into their nutritional value and their significance in the culinary and health sectors. Furthermore, Mr. Gopinath shared practical insights on how aspiring entrepreneurs can establish their own micro green ventures and generate income. The seminar attracted a total of 62 participants who actively engaged in the session. The interactive nature of the event allowed participants to ask questions and seek advice from the expert, fostering a dynamic and engaging atmosphere. The event not only expanded the knowledge and understanding of the participants but also ignited their interest in exploring entrepreneurial opportunities in the field of micro greens. The efforts of the program coordinators, the resource person, and the support of the department's principal were instrumental in making the seminar a memorable

and enriching experience for all involved. The success of this seminar reflects the commitment of the department to providing holistic and practical knowledge to its students. The event not only expanded the knowledge and understanding of the participants but also ignited their interest in exploring entrepreneurial opportunities in the field of micro greens. The efforts of the program coordinators, the resource person, and the support of the department's principal were instrumental in making the seminar a memorable and enriching experience for all involved. The success of this seminar reflects the commitment of the department to providing holistic and practical knowledge to its students.

**Outcome:** The seminar proved to be highly informative and inspiring, leaving a lasting impact on the participants. Attendees gained a thorough understanding of microgreens, opening up new possibilities for entrepreneurship and income generation. Mr. Ajay Gopinath's talk provided valuable guidance on initiating and sustaining a successful micro-green business, serving as a source of inspiration for budding entrepreneurs.

**RESEARCH & PG DEPARTMENT OF BOTANY  
ORGANISING A CLASS ON  
INTRODUCING LATEST TECHNIQUES IN HORTICULTURE IN VENNUR  
VILLAGE**

**11.12.2023**

The Research & PG Department of Botany recently organized a workshop titled "Exploring Innovative Horticulture Techniques" in Vennur village. This initiative was made possible through collaboration with ward member Annie and an Anganvadi teacher. The informative session took place at Anganvadi Vennur Panchayath, specifically at 71 number Anganvadi, on December 11th at 11 am. The workshop focused on imparting knowledge about various horticultural techniques, including budding, layering, and grafting. Attendees, consisting of 28 participants, displayed enthusiasm and attentiveness during the classes. The event provided an interactive platform for participants to seek clarification on any queries they had. Ms. Amiya Shaju extended a warm welcome to all attendees, and the ward member played a pivotal role in facilitating the gathering. The venue, Vennur Anganvadi, served as the perfect backdrop for this educational initiative. The program concluded with Megha Mukundhan, an MSC student, delivering a gracious vote of thanks, expressing gratitude to all involved in making the event a success.

**OUTCOME**: The outcome of the event organized by the PG & Research Department of Botany in Vennur village was successful and informative. The event focused on introducing the latest techniques in horticulture, such as budding, layering, and grafting. The classes were taught by knowledgeable speakers, including Ms. Amiya Shaju. Overall, the event provided valuable knowledge and insights into horticulture techniques. It was a great opportunity for attendees to learn and enhance their understanding of the subject. The organizers, speakers, and participants can consider it a successful and informative event.

Resource Person:

Ms. Keerthana Iratt Babu, Founder, Vayastyag Herbal Health and Skin Care Products, Canada;  
Supervisor, Sobeys, Canmore, Canada; Former Content Editor ETV Bharat National TV Channel and  
Alumnae- B.A. Functional English 2013-2016 Batch

#### **REPORT**

On 12th January 2024, the Department of English and Alumnae Association jointly organized an International Seminar focusing on “Balancing Career and Business: The Story of a Successful Woman Entrepreneur.” The seminar aimed to provide students, particularly those from the Functional English Programme with Media and Journalism as their Core Courses, with insights into lucrative career paths, entrepreneurship, and the challenges and opportunities associated with balancing career and business pursuits. The Resource Person for the event was Ms. Keerthana Iratt Babu, a distinguished alumna of the Department of English (B.A. Functional English 2013-2016 Batch) and the founder of Vayastyag Herbal Health and Skin Care Products in Canada, currently also working as Supervisor, Sobeys, Canmore, Canada. Formerly, she worked as the Content Editor of ETV Bharat National TV Channel. Ms. Babu, with her extensive background in entrepreneurship, media, and career pursuits across different domains, shared her inspiring journey and valuable insights with the participants.

## OUTCOMES

- **Entrepreneurship Insights:**

Ms. Keerthana shared her entrepreneurial journey, offering students valuable insights into the process of establishing and managing a successful business venture. She highlighted the importance of creativity, innovation, and perseverance in overcoming challenges and achieving success in the entrepreneurial landscape. Students gained practical advice on entrepreneurship, including ideation, market research, product development, and marketing strategies.

- **Media and Journalism Experience:**

Ms. Keerthana also shared her experience in media and journalism as a former Content Editor at ETV Bharat National TV Channel. She provided attendees with insights into the dynamic world of media, emphasizing the role of effective communication, storytelling, and audience engagement in journalism. Students from the Functional English stream with Media as their Core Course gained valuable perspectives on the practical application of their academic studies in real-world media environments.

- **Balancing Career and Business Pursuits**

The seminar focused on the theme of balancing career and business pursuits, particularly from the perspective of women entrepreneurs. Ms. Babu shared strategies for managing multiple roles and responsibilities effectively, drawing from her experiences in entrepreneurship and media. Attendees gained practical advice on time management,

prioritization, delegation, and self-care, essential for navigating the demands of both professional careers and entrepreneurial endeavors.

- **Alumnae Interaction**

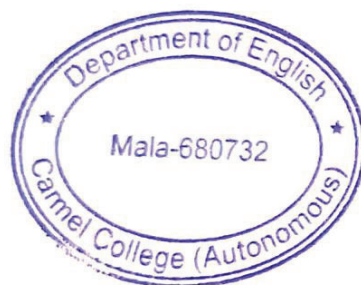

The event incorporated alumnae interaction as a central component, allowing students to engage directly with Ms. Keerthana Iratt Babu and learn from her experiences and expertise. As an alumna of the Department of English, Ms. Keerthana shared her journey from academia to entrepreneurship and media, inspiring students to pursue their passions and overcome obstacles in their career paths. Participants were encouraged to leverage their academic knowledge and skills to pursue diverse career opportunities and make a positive impact in their chosen fields.

In conclusion, the International Seminar on “Balancing Career and Business: The Story of a Successful Woman Entrepreneur” jointly organized by the Department of English and the Alumnae Association provided students with invaluable insights, inspiration, and guidance to pursue entrepreneurial endeavors and careers in media and journalism. Through alumnae interaction, entrepreneurship insights, and media experience shared by Ms. Keerthana Iratt Babu, participants gained a deeper understanding of the challenges and opportunities associated with entrepreneurship and media careers. The event exemplified the collaborative efforts of the Department of English and the Alumnae Association in empowering students with the knowledge, skills, and inspiration needed to succeed in diverse professional landscapes and make a positive impact on society.

**Workshop on Food Processing Techniques: Empowering Women through Food processing for self-help groups**

**20.12.2023**

On December 20, 2023, the Department of Botany at Carmel College (Autonomous) Mala organized a workshop on "Food Processing Techniques for Women Self-Help Groups." The coordinators of the event, Dr. Bindhu K.B and Dr. Dhanya Thomas T T, played a pivotal role in its successful organization. The workshop commenced with a warm welcome from Dr. Bindhu K.B, who also introduced the resource person for the day. Dr. Vidya TA, a Skilled Assistant from the Department of Community College, College of Agriculture, Kerala Agricultural University, Mannuthy, Thrissur, brought a wealth of knowledge and experience to guide the participants through the intricacies of food processing. The workshop aimed to empower women through practical training in various food processing techniques, with a focus on jam preparation, cake making, squash making, and pickle making. The event incorporated hands-on activities, allowing the 47 participants to actively engage in each session. Dr. Vidya TA provided personalized guidance, ensuring that participants gained practical experience in the covered food processing techniques. Her expertise and insights added depth to the workshop, making it a valuable learning experience for all attendees.

**Outcome:** Participants acquired practical skills in jam preparation, cake making, squash making, and pickle making. The hands-on approach enabled them to gain confidence in independently executing these techniques. The workshop empowered women with the knowledge and skills to explore entrepreneurial opportunities in the food processing industry. Participants expressed interest in utilizing their newfound skills to initiate small-scale ventures.

## Report: Visit to Snackoman Food Processing Company

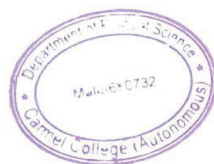

On April 10, 2023, at 1:30 PM, the Department of Political Science organized an entrepreneurial venture visit to Snackoman Food Processing Company, located in Poovathussery. The visit was aimed at providing students with practical insights into the operations of a food processing business and the entrepreneurial challenges and opportunities within this industry.

Upon arrival, the group was welcomed by the management of Snackoman, who provided an overview of the company's history, mission, and product range. The visit included a comprehensive tour of the production facilities, where participants observed the various stages of food processing, from raw ingredient handling to packaging. The company representatives also discussed their entrepreneurial journey, including the challenges faced and strategies employed to achieve success in a competitive market.

The visit was attended by 12 participants and was meticulously organized by the Department of Political Science, offering valuable exposure to the dynamics of running a successful food processing enterprise.

### Outcome of the Program

The visit to Snackoman Food Processing Company was highly successful and yielded several key outcomes. Students gained practical knowledge about the food processing industry, including insights into production processes, quality control, and business management. The exposure to real-world entrepreneurial practices provided a clearer understanding of the challenges and opportunities inherent in starting and managing a business. Additionally, the visit sparked interest and inspiration among students, motivating them to consider entrepreneurial ventures and explore potential career paths in the industry. Overall, the experience significantly contributed to the students' educational growth and practical understanding of entrepreneurship.

### SKILL MELA AUGUST 2023

On August 23, 2023, the Skill Centre of Carmel College Autonomous Mala organized a skill mela in collaboration with IEDC and IIC. Dr. Sr. Kochuthressia KP, the principal, officially opened the Skill Mela. On that day, 27 stalls were set up as part of the mela and organized exhibitions and sales of the products made by various departments. Participants demonstrated their expertise through live demonstrations and interactive sessions. The facility was accessible to both locals and students from other institutions. Around 134 students participated in the skill mela. The skill mela provides a platform for collaboration and encourages teamwork among students and also gives immense strength to pursue and trust their ideas.

#### Outcome

The Skill Mela was a dynamic and engaging event that succeeded in promoting skills development, fostering creativity, and creating a platform for individuals to showcase their talents. The event not only provided valuable opportunities for participants but also contributed to the overall growth and development of the community.

## IDEA HACKATHON 2024

### Rules & Guidelines

- Registration deadline: Ensure your registration by **25th January 2024**
- Participants: Individual as well as team participation is possible. Teams are limited to a maximum of 3 to 4 participants.
- Registration process: Participants should register specifying their name or team name (PS: details of other team members will be collected at a later stage).
- Registration  
Link: <https://forms.gle/1HpREEB01jy63bNh6>
- Powerpoint submission deadline:  
**27th January 2024**
- Free Registration
- Eligibility: The competition is open to all interested participants.
- Participants, upon successful registration, can upload a presentation (PPT) detailing the idea via a template which will be provided later.
- Time limit: 5 to 10 min max.
- Presentation: **31st January 2024**
- Participants selected for the competition will be notified via email.
- All participants will receive participation certificates.
- The winning ideas will select for YIP & Kerala Startup Mission Idea Fest Competition.

### IDEA HACKATHON REPORT

The Idea Hackathon held at the Audio Visual Room on 31st January 2024 was a highly successful event that brought together innovative minds from various backgrounds. The purpose of the hackathon was to encourage participants to brainstorm and develop creative ideas to solve real-world problems. The hackathon commenced at 1.30 PM with an opening ceremony, where the organizers welcomed the participants and provided an overview of the event. There are 11 participants engaged in intense brainstorming sessions and come up with unique and innovative solutions. And each team presented their ideas to a panel of judges. The presentations were evaluated based on criteria such as innovation, feasibility, and impact. The judges were impressed by the quality of ideas presented and had a challenging time selecting the winners. Finally, the winners were announced, and prizes were awarded to the top three teams. The winning teams were recognized for their exceptional ideas and their potential to make a significant impact in their respective fields.

The Idea Hackathon held at the Audio Visual Room on 31st January 2024 was a resounding success. It provided a platform for participants to showcase their creativity, problem-solving skills, and teamwork. The event fostered an atmosphere of innovation and collaboration, encouraging participants to think outside the box and come up with ground breaking ideas.

# CARMEL COLLEGE (AUTONOMOUS)

Mala, Thrissur, Kerala, India

Re-Accredited by NAAC with 'A' Grade (Fourth Cycle)

## Young Innovators Programme (YIP) 2023 - 2024

**Date and Time:** 12<sup>th</sup> February (Monday), 2024, at 2:00 PM to 3:30 PM

**Venue:** College Auditorium

**Topic:** *Introduction to Young Innovators Programme (YIP)*

**Resource person:** Ms. Aleena Ann Baby, a YIP Intern from Thrissur District

### **Coordinators**

The event was coordinated by the following members of the YIP Cell:

- Dr. Roby T J (Coordinator)
- Dr. Dhanya Thomas T T
- Dr. Archana K A
- Ms. Jipcy Mol P

### **Participants**

The session was attended by UG and PG students, who actively participated in the discussions and showed great enthusiasm for the opportunities offered by YIP.

An engaging and informative session on the *Young Innovators Programme (YIP)* was successfully held on 12<sup>th</sup> February 2024 in the College Auditorium.

### **Programme Details**

The event commenced sharply at 2:00 PM, presided over by Dr. Sr. Kochuthressia K P, the Principal of the college. The session began with a welcome speech delivered by Dr. Roby T J, the YIP Coordinator.

The resource person, Ms. Aleena Ann Baby, a YIP Intern from Thrissur District, presented a comprehensive overview of the Young Innovators Programme. She elaborated on the programme's mission to foster creativity, innovation, and entrepreneurship among students. Ms. Aleena also explained the government's various funding initiatives and guided students on how to register and submit their projects on the YIP website.

The event concluded with a vote of thanks delivered by Dr. Archana K A, a YIP Cell member. The session was well-received by participants, marking a significant step in encouraging innovation and creativity among students.

### **Outcome**

The session successfully achieved its objectives:

1. Students were made aware of the Young Innovators Programme and the government's funding initiatives.

2. Many students registered on the YIP website to upload their innovative project ideas.

## CARMEL COLLEGE (AUTONOMOUS)

Mala, Thrissur, Kerala, India

Re-Accredited by NAAC with 'A' Grade (Fourth Cycle)

The session was conducted by Ms. Rini Reji K, a faculty member from the Department of Fashion Technology. Ms. Rini Reji K provided a comprehensive overview of various entrepreneurial ventures related to the fashion industry. The Skill Development Training on Garment Construction was a success, providing valuable insights into both the technical aspects of fashion design and the entrepreneurial opportunities within the industry. The session effectively bridged the gap between creativity and business, empowering participants with the knowledge needed to pursue their entrepreneurial goals

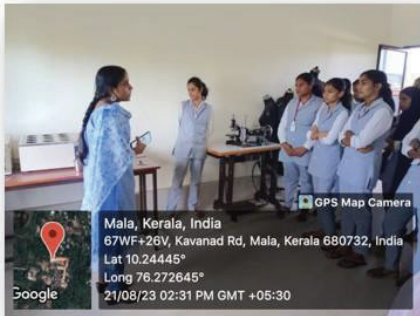

### **Outcome of the Session:**

The session was well-received, and the following outcomes were achieved:

- **Skill Enhancement:** Participants gained practical skills in garment construction, embroidery, and other craft techniques that can be used to create products for sale.
- **Business Awareness:** Attendees were introduced to various entrepreneurial ventures in the fashion industry, which could potentially lead to small business setups or startups.
- **Understanding Online Marketing:** The tips and methods shared regarding online marketing were valuable, enabling participants to understand how to market their products effectively on various online platforms.

## REPORT -World Entrepreneurship Day

In celebration of World Entrepreneurship Day, the Entrepreneurship Development (ED) organized a series of engaging and informative programs from 21st August to 31st August 2023. This initiative aimed to inspire students to embrace entrepreneurship, promote innovative thinking, and highlight the vital role entrepreneurship plays in the global economy. The event series brought together students, faculty, and guest speakers to discuss contemporary issues related to entrepreneurship, innovation, and socio-economic impact.

The event series began with an essay writing competition on the theme "The Role of Entrepreneurship in Shaping a Sustainable Future." Students from various departments participated enthusiastically, presenting their views on how entrepreneurship can drive social and environmental sustainability.

A quiz competition was organized to test participants' knowledge on entrepreneurship, famous entrepreneurs, global business trends, and innovations that have transformed the industry. The quiz was held in multiple rounds, featuring questions that ranged from general knowledge about business to specific case studies of entrepreneurial ventures.

### **Outcomes**

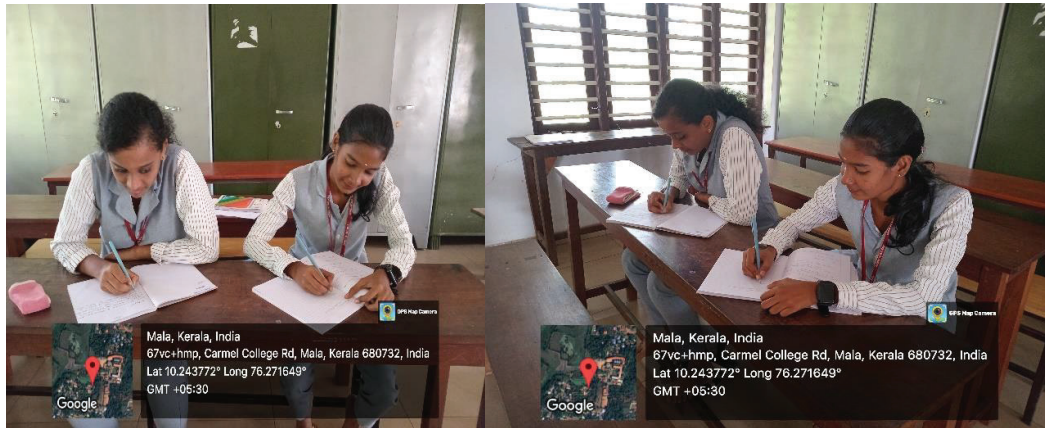

1. The event series succeeded in raising awareness about the importance of entrepreneurship, particularly its role in shaping the future of economies worldwide.
2. Through engaging discussions, competitions, and workshops, students were encouraged to think creatively and critically about entrepreneurship.

3. A significant outcome of the essay writing competition and the guest lectures was the growing recognition of innovation and sustainability as central tenets of modern entrepreneurship.
4. The debate competition and interactive workshops provided students with an opportunity to develop essential entrepreneurial skills such as communication, problem-solving, and teamwork

Mala, Thrissur, Kerala, India

Re-Accredited by NAAC with 'A' Grade (Fourth Cycle)

The Entrepreneurship Development (ED) Club of the college organized a grand inauguration ceremony on 12th July 2023 to mark the beginning of the Jackfruit Day Exhibition. This event was designed to highlight the diverse uses and benefits of jackfruit, while simultaneously promoting entrepreneurial thinking and innovation among the college students.

The event saw a vibrant participation from the college's faculty members, students, and various esteemed dignitaries, including the college principal, who inaugurated the exhibition. The ceremony was an ideal platform for discussing the potential of jackfruit in various industries, ranging from food and beverages to healthcare and beyond. Through the event, the ED Club also aimed to encourage students to explore opportunities in agri-business and sustainable entrepreneurial ventures.

The Jackfruit Day Exhibition Inauguration on 12th July 2023 proved to be a significant event in the college's calendar, providing a platform to celebrate the economic and environmental significance of jackfruit while promoting entrepreneurship among students. The event successfully engaged participants in discussions about sustainable business practices and created opportunities for networking and collaboration. Through this initiative, the ED Club not only raised awareness about the potential of jackfruit but also ignited a passion for entrepreneurial endeavors that could lead to positive change in local economies and industries.

## **Outcomes**

1. The event successfully raised awareness about the nutritional, environmental, and economic benefits of jackfruit. Many attendees were surprised by the numerous products that could be created from this single fruit, which sparked new ideas for potential business ventures among students.
2. One of the key outcomes was the visible enthusiasm among students to explore entrepreneurship

3. The event created an environment where students, faculty members, and external experts
4. The emphasis on jackfruit as a sustainable resource aligned with the growing global need for sustainable agricultural practices.

## MINI INDUSTRIAL VISIT-REPORT

ED Club organized a mini-industrial visit to Mini Industrial Limited, Kottamury, Mala on 5th October 2023 at 2 pm in order to get a practical knowledge of manufacturing goods. This industry is making bottles, pipes, batteries etc for various purposes. Students and faculties were interacted with the unit workers. The supervisors explained the production process of the industry. They were allowed the students to see the making process, produced items and production goods. They also got chance for discussing company's administration matters. The students got awareness about the functioning of the industry, how the machine parts work, how much time it will take to complete the process and how the workers manage the work properly. The students were divided into two groups for the convenience and it took around three hours for both groups to complete the visit. The industrial visit was very informative to students.

### **Outcome**

1. The field visit helped students to know about the production process in an industry.
2. The students understood the basics of manufacturing, production and packaging.
3. Planned to arrange industrial visit for students which can practically train the students.

## REPORT

On 24<sup>th</sup> January, E D club members & Two teacher co-ordinators organized an industrial visit to Noble Industries located in Avittathur, Thrissur. The visit aimed to provide students with practical insights into industrial operations and food cultural studies. Upon arrival, the students were warmly welcomed by Mr. Paul Kodyil, the manager of Noble Industries. He provided an overview of the company's history, products, and operations. The students were divided into groups and guided through various sections of the factory. They witnessed firsthand the manufacturing processes, machinery, and quality control measures implemented by the company.

Mr.Paul Kodyil conducted an interactive session where students could ask questions and engage in discussions about the challenges and opportunities in the industrial sector. the company representatives delivered a presentation on Noble Industries' commitment to corporate social responsibility, including their initiatives towards environmental sustainability and community welfare. Students had the opportunity to interact with members of the management team, gaining insights into the strategic decision-making process and future plans of Noble Industries.

The visit concluded with a vote of thanks to the management of Noble Industries for their hospitality and valuable insights. The industrial visit to Noble Industries provided students with a comprehensive understanding of industrial operations, management practices, food culture and corporate social responsibility initiatives. It offered a valuable learning experience that complemented their theoretical knowledge and prepared them for future careers in the industrial sector.

**OUTCOMES :**

- Enhanced Understanding of industrial production.
- Real World Application.
- Facilitated networking & Career Insights.
