## **Becoming an Entrepreneur:**

### **Skills, Attitudes, and Behavioral Development**

**12.03.2024**

The workshop titled "Becoming an Entrepreneur: Skills, Attitudes, and Behavioral Development" was held on March 12, 2024, at Carmel College (Autonomous), Thrissur at 10.30 am. The aim of the workshop was to equip participants with the necessary skills, attitudes, and behaviors essential for success in entrepreneurship. Organized by the Department of Botany, the event featured Ms. Keerthana Iratt Babu as the resource person, who shared insights from her experience at Vayastyag Body Care, Canmore, Alberta, Canada. Twenty six students participated in the programme. The programme started with a prayer. Dr. Sinjumol Thomas, Assistant Professor welcomed the Gathering.

Ms. Keerthana Iratt Babu commenced the session by highlighting the pivotal skills necessary for entrepreneurs. She emphasized the significance of adaptability, critical thinking, decision-making, and effective communication in navigating the challenges of entrepreneurship. Drawing from her entrepreneurial journey, she provided real-life examples to elucidate the practical application of these skills in various business scenarios.

The discussion then shifted towards the attitudes and behaviors exhibited by successful entrepreneurs. Ms. Keerthana emphasized the importance of resilience, persistence, optimism, and a growth mindset in overcoming obstacles and seizing opportunities. Participants engaged in interactive activities and case studies to internalize these attitudes and understand their role in fostering entrepreneurial success.

The final segment of the workshop focused on strategies for developing the requisite skills and behaviors. Ms. Keerthana underscored the value of continuous learning, seeking mentorship, and embracing failure as opportunities for growth. Participants were encouraged to cultivate self-awareness and to actively pursue personal and professional development through consistent practice and reflection.

Entrepreneurship requires a diverse skill set, including adaptability, critical thinking, decision-making, and communication. Successful entrepreneurs exhibit attitudes such as resilience, persistence, optimism, and a growth mindset. Continuous learning, mentorship, and embracing failure are essential for skill and behavioral development in entrepreneurship.

**Outcome:**

The workshop "Becoming an Entrepreneur: Skills, Attitudes, and Behavioral Development" provided valuable insights and practical strategies for aspiring entrepreneurs. Through the guidance of Ms. Keerthana Iratt Babu, participants gained a deeper understanding of the skills, attitudes, and behaviors essential for success in entrepreneurship. The event served as a catalyst for personal and professional growth, empowering participants to embark on their entrepreneurial journey with confidence and determination.

**20.12.2023**

On December 20, 2023, the Department of Botany at Carmel College (Autonomous) Mala organized a workshop on "Food Processing Techniques for Women Self-Help Groups." The coordinators of the event, Dr. Bindhu K.B and Dr. Dhanya Thomas T T, played a pivotal role in its successful organization. The workshop commenced with a warm welcome from Dr. Bindhu K.B, who also introduced the resource person for the day. Dr. Vidya TA, a Skilled Assistant from the Department of Community College, College of Agriculture, Kerala Agricultural University, Mannuthy, Thrissur, brought a wealth of knowledge and experience to guide the participants through the intricacies of food processing. The workshop aimed to empower women through practical training in various food processing techniques, with a focus on jam preparation, cake making, squash making, and pickle making. The event incorporated hands-on activities, allowing the 47 participants to actively engage in each session. Dr. Vidya TA provided personalized guidance, ensuring that participants gained practical experience in the covered food processing techniques. Her expertise and insights added depth to the workshop, making it a valuable learning experience for all attendees.

**Outcome:** Participants acquired practical skills in jam preparation, cake making, squash making, and pickle making. The hands-on approach enabled them to gain confidence in independently executing these techniques. The workshop empowered women with the knowledge and skills to explore entrepreneurial opportunities in the food processing industry. Participants expressed interest in utilizing their newfound skills to initiate small-scale ventures.

On 12th January 2024, the Department of English and Alumnae Association jointly organized an International Seminar focusing on “Balancing Career and Business: The Story of a Successful Woman Entrepreneur.” The seminar aimed to provide students, particularly those from the Functional English Programme with Media and Journalism as their Core Courses, with insights into lucrative career paths, entrepreneurship, and the challenges and opportunities associated with balancing career and business pursuits. The Resource Person for the event was Ms. Keerthana Iratt Babu, a distinguished alumna of the Department of English (B.A. Functional English 2013-2016 Batch) and the founder of Vayastyag Herbal Health and Skin Care Products in Canada, currently also working as Supervisor, Sobeys, Canmore, Canada. Formerly, she worked as the Content Editor of ETV Bharat National TV Channel. Ms. Babu, with her extensive background in entrepreneurship, media, and career pursuits across different domains, shared her inspiring journey and valuable insights with the participants.

## OUTCOMES

- **Entrepreneurship Insights:**

Ms. Keerthana shared her entrepreneurial journey, offering students valuable insights into the process of establishing and managing a successful business venture. She highlighted the importance of creativity, innovation, and perseverance in overcoming challenges and achieving success in the entrepreneurial landscape. Students gained practical advice on entrepreneurship, including ideation, market research, product development, and marketing strategies.

- **Media and Journalism Experience:**

Ms. Keerthana also shared her experience in media and journalism as a former Content Editor at ETV Bharat National TV Channel. She provided attendees with insights into the dynamic world of media, emphasizing the role of effective communication, storytelling, and audience engagement in journalism. Students from the Functional English stream with Media as their Core Course gained valuable perspectives on the practical application of their academic studies in real-world media environments.

- **Balancing Career and Business Pursuits**

The seminar focused on the theme of balancing career and business pursuits, particularly from the perspective of women entrepreneurs. Ms. Babu shared strategies for managing multiple roles and responsibilities effectively, drawing from her experiences in entrepreneurship and media. Attendees gained practical advice on time management, prioritization, delegation, and self-care, essential for navigating the demands of both professional careers and entrepreneurial endeavors.

- **Alumnae Interaction**

The event incorporated alumnae interaction as a central component, allowing students to engage directly with Ms. Keerthana Iratt Babu and learn from her experiences and expertise. As an alumna of the Department of English, Ms. Keerthana shared her journey from academia to entrepreneurship and media, inspiring students to pursue their passions and overcome obstacles in their career paths. Participants were encouraged to leverage their academic knowledge and skills to pursue diverse career opportunities and make a positive impact in their chosen fields.

In conclusion, the International Seminar on “Balancing Career and Business: The Story of a Successful Woman Entrepreneur” jointly organized by the Department of English and the Alumnae Association provided students with invaluable insights, inspiration, and guidance to pursue entrepreneurial endeavors and careers in media and journalism. Through alumnae interaction, entrepreneurship insights, and media experience shared by Ms. Keerthana Iratt Babu, participants gained a deeper understanding of the challenges and opportunities associated with entrepreneurship and media careers. The event exemplified the collaborative efforts of the Department of English and the Alumnae Association in empowering students with the knowledge, skills, and inspiration needed to succeed in diverse professional landscapes and make a positive impact on society.

by Media Club, Department of English (14-02-2024)

## REPORT

On 14th February 2024, the Media Club of the Department of English organized a Seminar on "Balancing Profession and Passion" along with a Meet and Interact session with Mr. Abhijith U.B., a distinguished Cine Actor, Director, Soft Skills Trainer, Campus-to-Corporate Coach, and Multi-Skilled Professional. The seminar aimed to provide students with insights into the challenges and strategies for balancing a career as a soft skills trainer and a passion for acting. The audience primarily comprised students from the Department of English who study media, journalism, theatre, film studies, advertising, communication skills, linguistics, criticism, language, and technology, among other core courses. Mr. Abhijith U.B.'s diverse personal and professional journey, including his roles as a freelance trainer and actor, resonated with the attendees, aligning with the scope of their academic pursuits. He is a freelance Trainer specializing in different domains such as Employability Skills, Soft-Skills, Faculty Development Training, Counseling and Corporate trainer. He is also known for his roles in movies like *Kaanchi*, *Kaakipada*, *Nimile* and for the Web Series *Killig* besides musical videos.

## OUTCOMES

- **Balancing Career and Passion**

Mr. Abhijith U.B. shared his personal journey of managing a career as a soft skills trainer alongside his passion for acting. He discussed the challenges he faced in balancing these dual roles, including time management, prioritization, and maintaining a healthy work-life balance. Students gained insights into the importance of pursuing one's passion while simultaneously building a successful career in a different domain, highlighting the possibility of achieving fulfillment in multiple areas of interest.

- **Professional Development**

Mr. Abhijith U.B. offered practical advice and strategies for professional development in various domains, including soft skills training and acting. He emphasized the significance of continuous learning, skill enhancement, and networking in advancing one's career in diverse fields. Students learned about the importance of honing their communication skills, interpersonal skills, and creative abilities to excel in their chosen professions, thereby enhancing their employability and entrepreneurial opportunities.

- **Entrepreneurial Opportunities**

Mr. Abhijith U.B.'s career trajectory showcased entrepreneurial opportunities that arise from pursuing diverse interests and talents. As a freelance trainer specializing in employability skills, soft skills, and faculty development training, he exemplified how individuals can leverage their expertise in multiple domains to establish themselves as entrepreneurs. Students were inspired to explore entrepreneurial ventures aligned with their passions and professional skills, fostering a spirit of innovation and creativity.

- **Personal Growth and Development**

The seminar facilitated personal growth and development among attendees by encouraging them to reflect on their career aspirations and passions. Mr. Abhijith U.B.'s success story served as a source of inspiration, motivating students to pursue their interests with determination and resilience. Students were encouraged to embrace challenges, seek opportunities for growth, and strive for excellence in their chosen paths, fostering self-awareness and self-confidence.

- **Healthy Work-Life Balance**

The seminar underscored the importance of maintaining a healthy work-life balance while pursuing diverse professional interests. Mr. Abhijith U.B. shared practical strategies for managing time effectively, setting priorities, and integrating personal interests into one's

professional life. Students learned the significance of self-care, stress management, and boundary setting in achieving a harmonious balance between their career aspirations and personal passions, promoting overall well-being and satisfaction.

In conclusion, the Seminar on “Balancing Profession and Passion” organized by the Media Club of the Department of English provided students with invaluable insights, inspiration, and guidance for navigating the complexities of balancing career aspirations and personal passions. Through interactive discussions and personal anecdotes shared by Mr. Abhijith U.B., students gained a deeper understanding of the strategies for achieving success in multiple domains while maintaining a healthy work-life balance. The event exemplified the Department’s commitment to empowering students with the knowledge, skills, and motivation needed to pursue their passions and build fulfilling careers in diverse professional landscapes, fostering enhanced employability, entrepreneurial opportunities, personal growth, and work-life balance.

## REPORT

### **WORKSHOP ON "EXPLORING FASHION TEXTILES, GARMENTS AND STITCHING"**

Department of sociology conducted skill workshop in connection with World Entrepreneurship Day. The programs conducted at Carmel College Autonomous, Mala, Thrissur, were a resounding success by conducting skill day and faculties from fashion textiles department give a session to students. They not only celebrated the spirit of entrepreneurship but also fostered a culture of innovation and critical thinking among the student community. These programs served as a reminder of the importance of entrepreneurship in driving economic growth, creating job opportunities, and addressing societal challenges. They also encouraged students to explore entrepreneurial ventures and contribute to the dynamic landscape of entrepreneurship in India. The college is committed to nurturing the entrepreneurial spirit among its students, and events like these play a pivotal role in achieving that goal. We look forward to more such initiatives that empower and inspire our students to become successful entrepreneurs and change-makers.

### OUT COMES

- Spirit of entrepreneurship and culture of innovation skill

### Jackfruit Day Exhibition Report

Date: 12/07/2023

The Department of sociology of Carmel College (Autonomous) organized a grand inauguration ceremony in connection with the Jackfruit Day Exhibition. The event was graced by the esteemed presence of the college principal, faculty members, students, and other dignitaries. The occasion aimed to celebrate the versatility and significance of the jackfruit while promoting entrepreneurial skills among the students. The inauguration ceremony commenced in the students corner. The principal of the college inaugurated the function by cutting the ribbon, then took the stage and officially inaugurated the exhibition. Following the inauguration, attendees were led to the exhibition area, where a diverse array of jackfruit-based products and projects were showcased. The exhibition provided a unique platform for students to demonstrate their creativity and innovation, fostering a spirit of entrepreneurship among them. Visitors were impressed by the students' efforts to explore the untapped potential of jackfruit and convert it into marketable products. The Jackfruit Day Exhibition received overwhelming support and appreciation from all participants and visitors. The students of 2nd MA Sociology and 3rd BA Sociology presented a Seminar on the significance of Jackfruit in Sociology.

#### Outcomes

- ☐ The event promoted the use of jackfruit as a sustainable and abundant local resource,
  - raising awareness about its economic and ecological significance.
  - The event fostered community engagement.
  - The seminar paper after the exhibition showcased the theoretical notions of Jackfruit and Sociology and it helps the students to engage more to the sociological
  - interpretations related to jackfruit

### Department of Accounting & Taxation

#### Social Entrepreneurship and Global Challenges Report – 25/09/2023

The Department of Accounting & Taxation hosted an enlightening "Social Entrepreneurship and Global Challenges" seminar on 25<sup>th</sup> September 2023. It aimed at promoting awareness and understanding of the crucial role that social entrepreneurship plays in addressing contemporary global challenges. The seminar featured Dr. Angel Blossom Gonsalvaz as the resource person, a distinguished expert in social entrepreneurship and global challenges. She delivered a captivating and informative presentation, emphasizing the potential of social entrepreneurship to address a wide range of global issues, including poverty, climate change, and inequality. Attendees had the opportunity to engage in a Q&A session, where they could delve deeper into the subject and seek insights from the expert. The seminar included discussions on innovative business models, funding mechanisms, and success stories of social enterprises worldwide. 53 students actively participated in this seminar.

#### Outcome:

- The seminar on Social Entrepreneurship and Global Challenges was a remarkable success, yielding the following outcomes:
- Increased awareness among the participants about the transformative potential of social entrepreneurship in addressing global issues.
- A deeper understanding of the key concepts, challenges, and opportunities associated with social entrepreneurship.
- Inspiration and motivation for students and aspiring entrepreneurs to explore social entrepreneurship as a means to make a positive impact on society.
- An enhanced sense of community and engagement among attendees, as they discussed and shared ideas to address global challenges.

In conclusion, the seminar provided valuable insights into the world of social entrepreneurship and how it can be a catalyst for positive change on a global scale. The Department of Accounting & Taxation remains committed to organizing events that promote awareness and knowledge in fields that impact our society and the world at large.

## **Report on the career Guidance Class on ASP.NET, Red Hat and JAVA**

The Department of Physics, in partnership with I-NET-infotech, organized a career guidance session on July 20, 2023. This event aimed to introduce leading softwares to the students. I-NET infotech experts presented diverse IT career opportunities in ASP.NET, Red Hat and JAVA. The session provided insights into essential IT skills and job opportunities to the students. It encouraged students to pursue internships and hands-on projects for practical experience. The interactive Q&A session allowed students to address their queries directly with I-NET infotech experts.

### **Outcome**

The career guidance session successfully motivated physics students to explore IT career paths and Few final year students joined the internship program. The Department of physics also signed an MoU with the I-NET infotech for future internships and other activities.

### **Report on the career Guidance session 'How to get into IT jobs'**

A Career Guidance session was organized by the Department of Physics in association with Luminar Technolab, an institution which gives training classes for an IT career, on 20<sup>th</sup> June, 2023 in the Audio Visual Room at 1:30 pm. Dr. Maya Mathew, Assistant Professor, Department of Physics welcomed the resource persons and the gathering. Over 100 participants from various departments attended the programme. A team of three resource persons were there and they had an active interaction with the students. They explained the basic concepts like Big Data, Data Science, Artificial Intelligence and so on and the skills required to learn these concepts. Then they introduced several courses which will help students to get into the IT industry. The programme concluded with the vote of thanks by Devikrishna MN of III BSc Applied Physics.

This event aimed to bridge the gap between traditional physics education and the growing IT industry. Luminar Technolab experts presented diverse IT career opportunities and highlighted the relevance of a physics background. Real-world success stories from Luminar Technolab alumni inspired attendees. The session provided insights into essential IT skills, certifications, and networking strategies. It encouraged students to pursue internships and hands-on projects for practical experience. The interactive Q&A session allowed students to address their queries directly with Luminar Technolab experts.

#### **Outcome**

The career guidance session successfully motivated physics students to explore IT career paths and was a positive step towards interdisciplinary education and future employment opportunities.

The Department of Fashion Technology conducted a two day Workshop on Professional Makeup & Hair Styling exclusively for the students of first and second year B.Voc Fashion Technology on 16<sup>th</sup> and 17<sup>th</sup> August 2023. The resource person for the workshop was Ms. Vijaya Lakshmi – Beauty Consultant, Celebrity Artist. This Seminar was planned with an aim to provide participants with comprehensive knowledge and practical skills in the field of makeup artistry and styling. The workshop is designed to meet the needs of individuals interested in pursuing a career as professional makeup artists or stylists, as well as those looking to enhance their personal grooming and styling abilities. Students understand the basic makeup techniques such as foundation application, contouring and highlighting. They acquired knowledge about different makeup products, their uses and how to choose the right shades. It helps them to stay updated on current bridal makeup trends, from classic and natural looks to more glamorous and bold styles. In the session, participants learned effective dandruff treatments, versatile hairstyling techniques, meticulous cleanup procedures and the artistry of applying henna for a well – rounded and enriching beauty experiences. 15 students participated in the workshop. That was very useful for the students.

Outcome: Learn the latest technique in makeup application and hair styling, enhancing their practical skills. For those interested in a career in beauty, the workshop can provide a foundational step towards becoming a professional makeup artist or hair stylist. Introduce participants to the latest trends in makeup and hairstyling, as well as knowledge about the best products on the market. Beyond professional aspirations, participants learn valuable personal grooming techniques for everyday use, improving their daily beauty routines.

## Report: Visit to Snackoman Food Processing Company

On April 10, 2023, at 1:30 PM, the Department of Political Science organized an entrepreneurial venture visit to Snackoman Food Processing Company, located in Poovathussery. The visit was aimed at providing students with practical insights into the operations of a food processing business and the entrepreneurial challenges and opportunities within this industry.

Upon arrival, the group was welcomed by the management of Snackoman, who provided an overview of the company's history, mission, and product range. The visit included a comprehensive tour of the production facilities, where participants observed the various stages of food processing, from raw ingredient handling to packaging. The company representatives also discussed their entrepreneurial journey, including the challenges faced and strategies employed to achieve success in a competitive market.

The visit was attended by 12 participants and was meticulously organized by the Department of Political Science, offering valuable exposure to the dynamics of running a successful food processing enterprise.

### Outcome of the Program

The visit to Snackoman Food Processing Company was highly successful and yielded several key outcomes. Students gained practical knowledge about the food processing industry, including insights into production processes, quality control, and business management. The exposure to real-world entrepreneurial practices provided a clearer understanding of the challenges and opportunities inherent in starting and managing a business. Additionally, the visit sparked interest and inspiration among students, motivating them to consider entrepreneurial ventures and explore potential career paths in the industry. Overall, the experience significantly contributed to the students' educational growth and practical understanding of entrepreneurship.

**Training Programme on Paper Bag Making - A way to Entrepreneurship**

The department of Software Development and IIC organized a training programme on Paper Bag Making on 27-07-2023 at 2.30 pm in Room No. 213. The training was given by two students of II B. Voc Software Development – Raeesiya and Farsana.

The students turned old newspapers, magazine pages, etc. into attractive bags of all shapes and sizes. Natural strings made out of jute and coir and natural objects for decoration such as dry leaves and flowers were used. Apart from all these the training programme aims to provide students a means to earn some money by selling these paper bags to Kudumbasree Units or to nearby shops.

**Outcome**

- The training helps to encourage the students to make their own bags with used paper.
- The paper bags help greatly reduce plastic bags usage.

## DEPARTMENT OF BUSINESS ADMINISTRATION INVITED TALK

### “My Story – Pathway to Entrepreneurship”

### REPORT ON INVITED TALK

Department of Business Administration has conducted an invited talk on “My Story – Pathway to Entrepreneurship” on 28th November, 2023. The Resource person of the talk was Ms. Bharitha Prathap, Entrepreneur, “Hey Baby” “New Born Photography”, Chalakudy. Ms. Bharitha started her career as a journalist and currently she is the District reporter, Dooradarshan, Thrissur. Also, she is deeply engaged in photography. The seminar was presided over by Dr. Sr. Kochuthressia. K.P, Principal, Carmel College (Autonomous), Mala.

The seminar started at 2.00 p.m with prayer. Ms. Fathimath Risvana delivered the welcome speech. Dr. Bindu. K.B. IIC President, felicitated the session.

Ms. Bharitha Prathap shared her experiences in the field of profession and passion. She beautifully explained how to differentiate profession and passion and how to manage both. The difficulties and opportunities faced during the development of her dream were shared with the students. She interacted with students and cleared the doubts of the students in connection with the starting of an entrepreneurship. Many of the students were motivated to start their own businesses. They shared their business ideas with Ms. Bharitha.

35 Students from the Second and final year BBA attended the session. The talk was concluded at 3.15 p.m. The talk ended up at 3.45 p.m. with vote of thanks delivered by Ms. Sona M.B., Association Secretary, Department of Business Administration. .

#### **Purpose of the Talk :**

1. To share the experience of a successful entrepreneur.
2. To clarify doubts of students regarding starting up of a business.
3. To Motivate students to start their own organisations and thus to become self-sufficient.

**PG DEPARTMENT OF COMMERCE**

**ON THE TOPIC THE LIFE OF A WOMEN ENTREPRENEUR**

PG Department of Commerce conducted a seminar on the topic "*The life of a Entrepreneur*" on 22<sup>nd</sup> November 2023 @ 2.00 PM in Audio visual room. Here we the department of commerce decided to conduct a programme to inspire our students through a successful story of an entrepreneur. Our programme started with prayer song delivered by *Akshaya and varsha*. Anchoring session was beautifully handled by our b.com first year student *Athira Ajith*. The welcoming address handled by our head of the department *Dr.Stegy V.J.*. After that the session handled by our *Chief Guest Ms. Nimmy Antlo (Alankaa Boutique,mala Thrissur)*. She had provided a fruitful motivational session about passion more than profession. There is no more force powerful than a woman determined to rise. she proved it through her life story. Then after her lecture our beloved principal *Dr.Sr.Kochuthressia K.P. CMC* hand over our token of love on behalf of our department of commerce to our Chief Guest *Ms. Nimmy Antlo*. After that staff co-ordinator of the programme *Ms. Saranya M.S* delivered Vote of thanks.

**Outcome:** This programme inspired the students to think about their passion. Because our passion is entirely different from our profession. There is a failure story behind every successful story. Just like our chief guest story also motivated and inspired our students to think forward.

## DEPARTMENT OF ENGLISH

### WEBINAR ON INTELLECTUAL PROPERTY RIGHTS (26-03-2024)

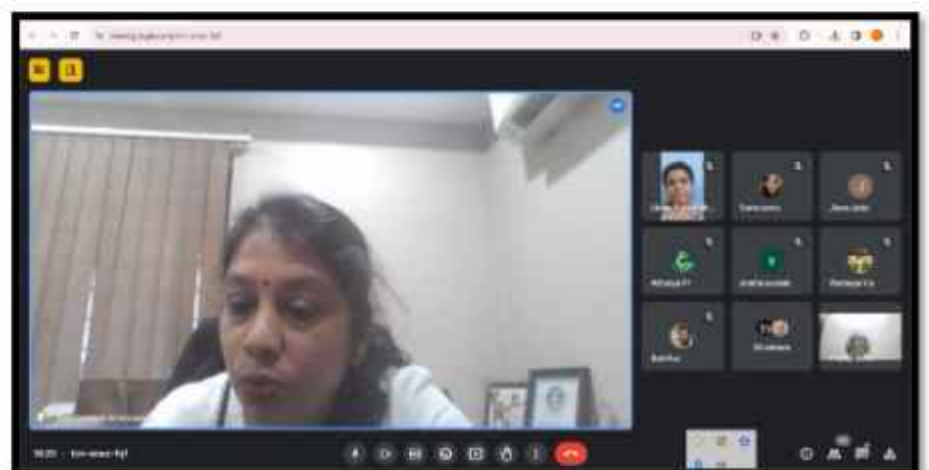

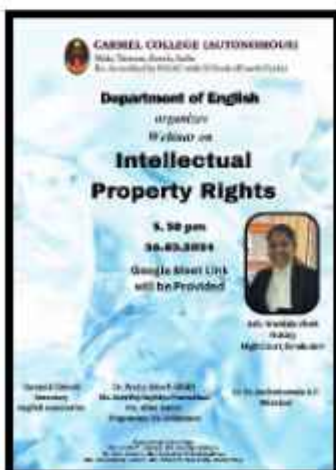

RP: Adv. Sreekala Vivek, Notary, High Court, Ernakulam

### REPORT

On 26<sup>th</sup> March 2024, the Department of English organized a Webinar on “Intellectual Property Rights.” The session aimed to provide students and faculty with insights into the importance and nuances of intellectual property rights in various domains, including literature and creative works. The webinar featured Adv. Sreekala Vivek, a seasoned legal expert and Notary at the High Court, Ernakulam, as the resource person.

The webinar commenced with a warm welcome extended to all participants by Programme Co-ordinator Dr. Pretty John P., highlighting the significance of understanding intellectual property rights in today’s digital age. Adv. Sreekala Vivek then commenced her session, delving into the fundamental concepts of intellectual property, including copyrights, patents, trademarks, and trade secrets. Throughout the webinar, Adv. Sreekala Vivek elucidated key aspects of intellectual property laws, discussing the legal framework, registration process, and enforcement mechanisms. She provided illustrative examples and case studies to elucidate complex legal concepts, ensuring clarity and comprehension among the audience.

The session also explored the intersection of intellectual property rights with various fields, including literature, arts, technology, and business and highlighted the importance of professional ethics. Participants gained insights into how intellectual property laws protect and incentivize innovation, creativity, and entrepreneurship in diverse sectors. The webinar concluded with an interactive Q&A session, where participants had the opportunity to seek clarification on specific aspects of intellectual property rights from the esteemed resource person.

## OUTCOMES

**Enhanced Understanding of Intellectual Property:** Participants gained a comprehensive understanding of intellectual property rights, including copyrights, patents, trademarks, and trade secrets, and their significance in safeguarding creative and innovative works.

**Awareness of Legal Framework:** The webinar equipped participants with knowledge about the legal framework governing intellectual property rights in India, empowering them to navigate legal issues related to creative and innovative endeavors.

**Promotion of Professional Ethics:** Participants gained insights into the ethical considerations surrounding intellectual property rights, including issues related to plagiarism, fair use, and attribution, fostering a culture of integrity and ethical conduct in academic and professional endeavors.

**Promotion of Academic Engagement:** Engaging with a legal expert on intellectual property rights encouraged participants to delve deeper into the subject matter, fostering academic curiosity and engagement among students and faculty.

**Professional Development:** The webinar provided valuable insights into the practical application of intellectual property laws in various professional contexts, enhancing participants' professional skills and competencies.

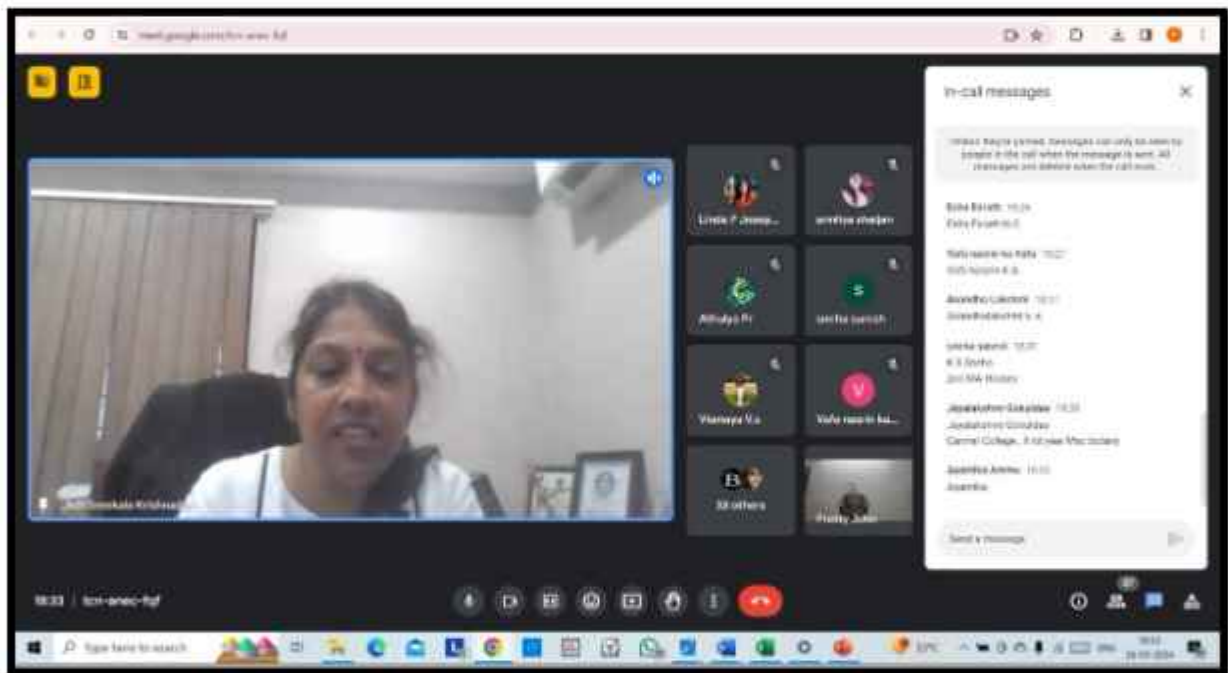

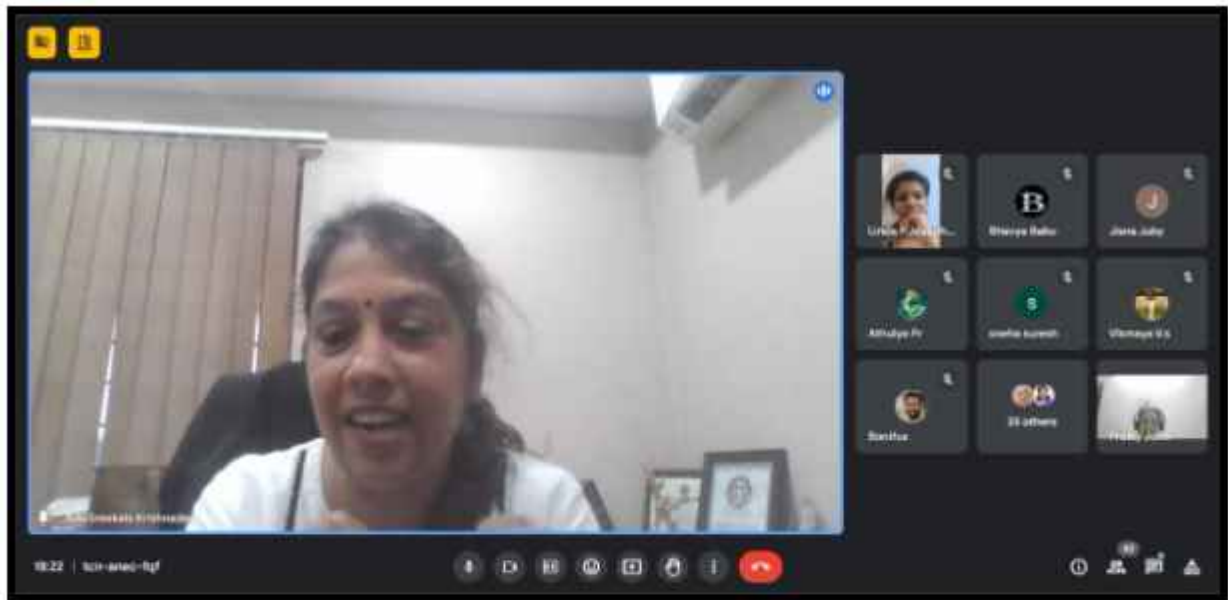

**Capacity Building:** By learning about intellectual property rights, participants developed the capacity to protect their own creative works and respect the intellectual property rights of others, contributing to a culture of innovation and ethical conduct.

**Networking and Collaboration:** The webinar served as a platform for networking and collaboration among students, faculty, and legal professionals interested in intellectual property rights, fostering interdisciplinary dialogue and collaboration.

**Participatory Learning:** Through interactive discussions and Q&A sessions, participants actively engaged with the subject matter, contributing to a participatory learning environment where knowledge exchange and critical thinking were encouraged.

OUTCOME OF THE PROGRAMME

The outcome of a professional ethics program typically reflects the enhancement of ethical awareness, decision-making skills, and a commitment to integrity among participants. Participants develop a deeper understanding of ethical principles and the importance of ethics in their professional roles. They become more aware of the ethical challenges they may face and how to address them. This leads to a more ethically conscious workplace where decisions are made with a strong consideration of moral principles.

**Report on Academic talk on GI tagging in Indian Agriculture**

**Date:** 20<sup>th</sup> March 2024

**Venue:** Seminar Hall

**Resource person:** Dr. Manjusha Rani

The Department of Agriculture at Carmel College Mala organized an academic talk on Geographic Indication (GI) tagging in Indian agriculture. The event aimed to enhance understanding among students and faculty about the significance and implications of GI tagging in the agricultural sector.

The session commenced at 20:00 PM in the spacious Seminar Hall of Carmel College Mala. The atmosphere was charged with enthusiasm as students and faculty members eagerly awaited the insightful discourse on GI tagging.

Dr. Manjusha Rani, a distinguished expert in agricultural biotechnology, served as the resource person for the session. With her vast experience and profound knowledge, she delivered an engaging presentation on GI tagging in Indian agriculture. Her presentation encompassed the following key points:

Dr. Rani provided a comprehensive overview of GI tagging, explaining its concept, purpose, and significance in safeguarding unique agricultural products. She elucidated how GI tagging offers protection to agricultural products associated with a specific geographical origin and traditional practices. This recognition enhances the market value of such products and fosters rural development. Dr. Rani shared insightful case studies of GI-tagged agricultural products from various regions of India, highlighting their economic and cultural importance. The presentation delved into the challenges encountered in obtaining GI tags and the potential opportunities for farmers, producers, and rural communities. Dr. Rani discussed the policy framework governing GI tagging in India, emphasizing the need for robust implementation and stakeholder participation. The speaker shed light on the policy framework governing GI tagging in India, emphasizing the need for effective implementation, stakeholder collaboration, and awareness-building initiatives.

Following the presentation, Dr. Manjusha Rani encouraged an interactive dialogue with the audience. Students and faculty actively participated, posing questions and sharing their

perspectives on the topic. The exchange of ideas enriched the session and deepened understanding on the nuances of GI tagging in Indian agriculture.

The Department of Agriculture extends its gratitude to Dr. Manjusha Rani for her enlightening presentation and to all the participants for their active engagement and contribution to the success of the event.

**Outcome:**

The academic talk on GI tagging in Indian agriculture, facilitated by Dr. Manjusha Rani, concluded successfully, leaving a lasting impact on the attendees. The session fostered greater awareness about the importance of GI tagging in preserving agricultural heritage, promoting rural livelihoods, and enhancing market competitiveness. It served as a valuable platform for learning and dialogue, inspiring students and faculty to delve deeper into the realm of agricultural policy and innovation.

DEPARTMENT OF B VOC BANKING SERVICES AND INSURANCE

On the 13th of March 2024, the Department of BFSI (Banking, Financial Services, and Insurance) organized a webinar on "Intellectual Property Rights: Trademarks." The session aimed to educate participants about the significance of trademarks in safeguarding intellectual property. Ms. Vinu Varghese, an esteemed Assistant Professor from the Department of Biotechnology at St. Mary's College, Thrissur, served as the resource person for the webinar.

Ms. Vinu Varghese commenced the webinar by elucidating the concept of trademarks. She explained that trademarks are distinctive symbols, words, phrases, or designs used to identify and distinguish the goods or services of one entity from another. Participants gained insights into the legal protection and commercial value associated with trademarks.

Participants received comprehensive guidance on the trademark registration process. Ms. Vinu Varghese outlined the steps involved in obtaining trademark protection, including conducting a trademark search, filing an application with the appropriate authorities, and adhering to legal requirements. She underscored the importance of conducting thorough research to ensure the uniqueness and eligibility of the proposed trademark.

In addition to registration, the webinar delved into the enforcement and protection of trademarks. Ms. Varghese elucidated the strategies employed by BFSI organizations to safeguard their trademarks from infringement and unauthorized use. She discussed the significance of monitoring the market, enforcing trademark rights through legal recourse, and implementing proactive measures to combat counterfeiting and brand dilution.

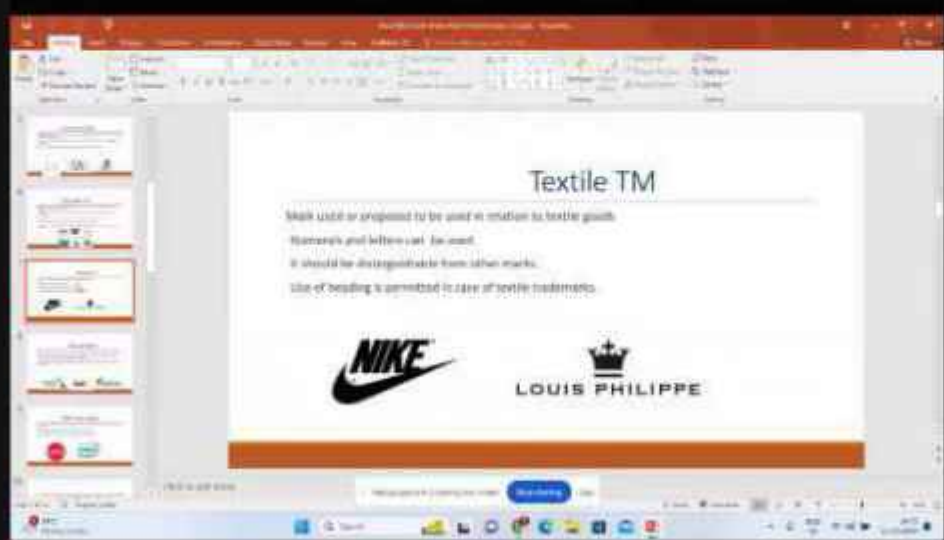

The webinar concluded with an interactive Q&A session, allowing participants to seek clarifications and engage in meaningful discussions with the resource person.

**Outcome:**

The webinar on "Intellectual Property Rights: Trademarks" proved to be an enlightening and educative session for participants. Through Ms. Vinu Varghese's expertise and engaging delivery, attendees gained valuable insights into the significance of trademarks in protecting intellectual property and fostering brand equity. The Department of BFSI extends its gratitude to Ms. Varghese for her invaluable contribution to the webinar's success.

## CARMEL COLLEGE (AUTONOMOUS), MALA PG DEPARTMENT OF COMMERCE INTELLECTUAL PROPERTY RIGHTS

PG Department of commerce organized a Seminar on "INTELLECTUAL PROPERTY RIGHTS " on 24<sup>th</sup> February 2024 @ 11.00 am in google meet. Our resource person Mr. R. Padmanaban, Associate Professor, PG & Research department of commerce, Hindustan college of arts and science college, Coimbatore, had provided a fruitful session on intellectual property rights. The programme was started with an opening remark delivered by Dr. Stegy V J, HoD, Department of Commerce, Carmel College (Autonomous), Mala. Around seventy- eight students were participated in this programme. Intellectual Property Rights (IPR) are crucial legal protections that safeguard creations of the human intellect, fostering innovation and creativity across various fields. These rights encompass patents, copyrights, trademarks, trade secrets, and industrial designs, granting creators and inventors exclusive control over their intellectual assets. Patents, for instance, safeguard inventions, encouraging inventors to disclose their innovations in exchange for a limited monopoly on their use.

**Outcome:** The outcomes of IPR are complex and multifaceted, impacting innovation, economic development, market competition, consumer protection, cultural diversity, and global collaboration. Effective intellectual property policies and enforcement mechanisms are essential to maximizing the benefits of IPR while addressing the challenges and ethical considerations that arise.

## **Report on " Academic Writings for Publication"**

The Department of Accounting and Taxation organized a workshop titled "Academic Writings for Publication" on March 26, 2024. The objective was to equip participants with the essential skills and knowledge required for academic writing and publication. Dr. Archana K A, an esteemed Assistant Professor from the Department of Agriculture, conducted the workshop. The session took place on the Google Meet platform and attracted 29 enthusiastic participants. Through comprehensive coverage of academic writing principles, research methods, publication strategies, and interactive discussions, attendees gained valuable insights and practical skills to enhance their scholarly endeavors. The workshop exemplified the department's commitment to supporting its members' academic and professional growth. Participants left the session inspired and equipped with the knowledge and tools necessary to embark on successful academic writing and publication journeys.

### **Outcome:**

- Participants gained a deeper understanding of the elements essential for crafting high-quality academic articles suitable for publication.
- The workshop served as a valuable resource for participants at various stages of their academic careers, from graduate students to early-career researchers and seasoned academics.
- Participants gained practical tips for navigating the publication process and increasing their chances of acceptance in reputable academic journals.

### **Conclusion**

The workshop provided participants with valuable insights, strategies, and practical guidance for improving their academic writing skills and navigating the publication process. Participants left the

workshop feeling empowered and motivated to pursue publication opportunities in their respective fields. The department's commitment to supporting the professional development of its members was evident through the organization of this informative and engaging workshop.

**WORKSHOP ON RESEARCH METHODOLOGY**

The Department of English organized a workshop on “Research Methodology” for the UG and PG students of the department on December 11, 2023, at 10:00 am in the Audio-Visual Hall.

Mr. Bibin Thomas, Assistant Professor, Department of English, Christ College (Autonomous), Irinjalakuda, was the resource person for the session. Dr. Pretty John P., Head of the Department, welcomed the gathering and introduced the speaker, which was followed by a 2-hour workshop on the topic under consideration. The workshop aimed at providing an orientation for students to conduct quality research. The resource person introduced the key aspects of research ethics and provided a practical session on referencing style as per MLA 9 format. Ms. Mibia Martin of II M.A. English delivered the vote of thanks. The session came to a fruitful close by 12:30 pm.

**Programme Outcome:**

The workshop delivered valuable insights to students on conducting research ethically. The students gained an understanding of plagiarism and learned techniques to prevent it to ensure the integrity of one's research content. Furthermore, students received hands-on training in MLA 9 referencing style.

## DEPARTMENT OF CHEMISTRY

Seminar report on "Chemicals in Everyday Life : Unveiling Risks and Exploring Sustainable Solutions"

Date – 15/09/2023

Time – 02.00 pm

Venue – Audio Visual Room

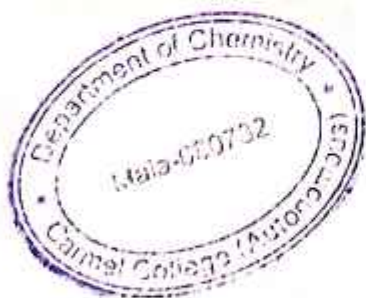

Chemistry Association was formally inaugurated by Dr. Lali Thomas Kotturan, Associate Professor and Head (Rtd.), Department of chemistry, Little Flower College, Guruvayoor on 15<sup>th</sup> September 2023. The ceremony began with a warm welcome address by Dr.Princy K.G, Head, Department of Chemistry. Respected Principal, Dr.Sr.Kochuthressia K.P, Dr. Lali Thomas Kotturan and Dr.Bindhu K.B, Head, Department of Botany with expertise in the event's domain shared their knowledge, experiences, and perspectives. Ms.Visniya Wilson proposed the vote of thanks.

Apart from this, a book entitled "Medicinal and Environmental Chemistry" jointly published by Dr.Princy K.G, Dr.Roshini K Thumpakara and Dr.Vidya Francis was launched on the same day. The book is written in a clear and engaging style and it is a valuable resource for students, researchers and practitioners in the field.

A seminar on "Chemicals in Everyday Life : Unveiling Risks and Exploring Sustainable Solutions" was also organized on the same day. The seminar was a comprehensive exploration of the role of chemicals in our daily lives, including the benefits and potential risks associated with their use. The event consisted of three informative sessions and discussions. Session 1 was about Chemicals in daily life. This session focused on the omnipresence of chemicals in everyday products and their contributions to modern life. It discussed examples such as pharmaceuticals, cleaning products, and agricultural chemicals. The second session named Risks and Challenges delved into the potential risks associated with the misuse and overuse of chemicals. Topics included health risks, environmental pollution, and regulatory challenges. The final session concentrated on sustainable alternatives and practices that can minimize the negative impacts of chemicals. Speaker presented strategies for responsible chemical management and sustainable development.

**Outcome:** The Chemistry Association Inauguration and Seminar on "Chemicals in Everyday Life" was a thought-provoking and informative event that provided attendees with a deeper understanding of the chemical world that surrounds us. It highlighted the significance of responsible chemical management and the pursuit of sustainable solutions. This event not only facilitated knowledge sharing but also encouraged discussions on how society can harness the benefits of chemicals while mitigating their risks.

## **ABOUT THE SEMINAR**

*Carmel College (Autonomous) Mala, established in the year 1981, a first-grade college for women under Calicut University stands nestled in an idyllic locale in a small town called Mala near the southern tip of Thrissur district. The department of chemistry started functioning with the very inception of the college and has the history of 42 years so far. B.Sc Chemistry Programme started in the year 1995 and uplifted to P.G department in the year 2015. The department provides a scholastic atmosphere through competent instruction, curricular and extra- curricular activities.*

*The Department of Chemistry, Carmel College (Autonomous), Mala is organizing a National Seminar on "Advancements in Chemical Research: Unveiling Emerging Trends and Innovations" scheduled on 19<sup>th</sup> January 2024. The primary goal of this seminar is to assemble a diverse group of experts, scholars, and trailblazers from academic, research and development, and industrial sectors within the relevant disciplines. This will offer students a platform to gain insights into the current landscape of science and technology. By bringing together individuals with a shared passion for advancing scientific understanding, we aim to bridge the gap between theory and application. Through interactive sessions, participants will have the opportunity to delve into the intricacies of cutting-edge research, gaining valuable perspectives that extend beyond conventional classroom teachings. Furthermore, the seminar strives to cultivate research enthusiasm among emerging graduates, fostering an environment conducive to staying abreast of the latest discoveries in the field of chemistry.*

Department of Chemistry, Carmel College (Autonomous), Mala organized a National Seminar on “Advancements in Chemical Research: Unveiling Emerging Trends and Innovations” on 19<sup>th</sup> January 2024. “Advancements in Chemical Research: Unveiling Emerging Trends and Innovations” reflects the dynamic nature of the field of chemistry, showcasing the latest breakthroughs, methodologies, and discoveries that shape our understanding and application of chemical science. From fundamental research to practical applications, this theme highlights the continuous evolution of chemistry and its pivotal role in addressing global challenges and driving technological innovation. The primary goal of this seminar was to assemble a diverse group of experts, scholars, and trailblazers from academic, research and development, and industrial sectors within the relevant disciplines. Furthermore, the seminar strived to cultivate research enthusiasm among emerging graduates, fostering an environment conducive to staying abreast of the latest discoveries in the field of chemistry.

**Outcome:** The seminar offered the students a platform to gain insights into the current landscape of science and technology. By bringing together individuals with a shared passion for advancing scientific understanding, it could bridge the gap between theory and application. Through interactive sessions, participants got an opportunity to delve into the intricacies of cutting-edge research, gaining valuable perspectives that extend beyond conventional classroom teachings.

**(RP: Mr. Abhijith Radhakrishnan, Assistant Professor, Department of English, Sacred Heart College (Autonomous), Thevara)**

**by Media Club, Department of English (16-01-2024)**

### **REPORT**

The Media Club, Department of English organized a thought-provoking workshop titled “Sinima” In/As Con-Text: The Politicality of Visual Texts” on 16<sup>th</sup> January 2024. The workshop aimed to explore the political, social and cultural dimensions of visual media, particularly cinema, and discuss strategies to engage with and respond to these themes in the contemporary context of 2024. Mr. Abhijith Radhakrishnan, Assistant Professor at the Department of English, Sacred Heart College (Autonomous), Thevara, served as the resource person, bringing his expertise in media studies and cultural analysis to the discussion.

Mr. Abhijith Radhakrishnan commenced the workshop with a lecture on the concept of “Sinima” or rather “cinema” as a form of visual text and its inherent political nature. He discussed how cinema serves as a reflection of society, shaping and being shaped by political ideologies, cultural norms, and socio-economic factors. Participants engaged in lively discussions, sharing their insights and perspectives on the political dimensions of various cinematic works. The workshop included an analysis of select case studies to illustrate the political themes and messages embedded in visual texts. Participants examined film clips, trailers, and promotional materials, dissecting the underlying narratives, symbolism, and representations of power, identity, and resistance. Interactive session encouraged active participation from the participants, allowing them to critically analyze visual texts and explore alternative interpretations and responses. Through group discussions and collaborative activities, participants delved deeper into the political implications of cinematic representations and brainstormed strategies for engaging with these texts in meaningful ways. The workshop concluded with a Q&A session, where participants had the opportunity to pose questions and seek clarification from the resource person. Mr. Abhijith Radhakrishnan provided valuable insights and perspectives, encouraging attendees to reflect on their understanding of the politicality of visual texts and consider their roles as critical consumers and producers of media content.

## OUTCOMES

- Enhanced Critical Thinking Skills:** The workshop facilitated enhanced critical thinking skills among participants, enabling them to critically analyze visual texts and recognize the political dimensions inherent in cinematic representations. Participants gained a deeper understanding of how visual media reflects and influences socio-political realities, fostering a more nuanced approach to media consumption and interpretation.
- Exploration of Advanced trends in Technology:** The workshop provided participants with insights into advanced trends in technology within the realm of visual media. Through discussions and case studies, attendees gained awareness of how emerging technologies, such as virtual reality, augmented reality, and artificial intelligence, are shaping the production, distribution, and consumption of cinematic content. This exploration of technology trends equipped participants with a forward-looking perspective, preparing them to navigate the evolving landscape of visual storytelling in the digital age.
- Experiential and Participatory Learning Experiences:** The workshop facilitated experiential and participatory learning experiences for participants, allowing them to actively engage with the subject matter and collaborate with peers in meaningful ways. Through hands-on activities, interactive discussions, and collaborative analyses of visual texts, participants immersed themselves in the workshop content, deepening their understanding of the politicality of cinema and honing their critical thinking skills. This experiential and participatory approach fostered a dynamic learning environment where participants felt empowered to explore diverse perspectives and contribute to collective knowledge construction.

4. **Empowerment through Cultural Analytical Tools and Frameworks:** By delving into the politicality of visual texts, participants felt empowered to engage with media content in a more informed and discerning manner. The workshop equipped them with the analytical tools and frameworks necessary to navigate complex political narratives and interrogate dominant discourses within the realm of cinema.

5. **Fostering Inclusivity:** The workshop fostered a sense of community engagement and collaboration among participants, as they came together to explore and discuss the political implications of visual texts. Through dialogue and exchange of ideas, participants built connections and solidarity around shared interests in media literacy and cultural analysis. The workshop served as an inspiration for participants to take action in response to the political themes and messages encountered in visual texts. Armed with newfound knowledge and critical perspectives, participants were encouraged to advocate for social justice, challenge hegemonic narratives, and promote diversity and inclusion within the media landscape.

In conclusion, the Workshop on “Sinima” In/As Con-Text: The Politicality of Visual Texts provided an engaging platform for participants to explore and interrogate the political dimensions of cinema. Under the guidance of Mr. Abhijith Radhakrishnan, participants delved into critical discussions, analyzed case studies, and reflected on their roles as consumers and producers of media content. The workshop not only enhanced participants’ critical thinking skills but also inspired them to become more active and discerning participants in the ever-evolving landscape of visual media.

### **DEPARTMENT OF B.Voc AGRICULTURE 2023-2024**

**Date:** 31<sup>st</sup> March 2024

**Organizer:** Department of Agriculture, Carmel College (Autonomous), Mala

**Resource person:** Ms.Kavya R, Young Professional – I, Sugarcane Breeding Institute, Coimbatore

**Platform:** Google meet

#### **Introduction:**

The Department of Agriculture at Carmel College Mala organized an insightful online webinar on the topic of Herbarium Preparation. The webinar aimed to educate participants about the significance of herbariums in botanical research and the methods involved in their preparation. Ms.Kavya R, a distinguished Young Professional 1 from the Sugarcane Breeding Institute Coimbatore, served as the resource person for the event.

#### **Key highlights**

##### **Importance of Herbarium**

Ms.Kavya began by emphasising the importance of herbariums in documenting plant species for scientific research, education, and conservation purposes. She elucidated how herbarium specimens serve as valuable records of plant diversity, aiding in taxonomic studies and environmental assessments.

##### **Herbarium preparation techniques**

The session delved into the meticulous techniques involved in preparing herbarium specimens. Ms.Kavya R provided a step-by-step guide, starting from plant collection in the field to the final mounting and labeling of specimens. She highlighted the significance of accurate labeling, pressing, and drying methods to ensure the longevity and usability of herbarium collection.

### **Field collection guidelines**

Participants gained insights into the best practices of collecting plant specimens in the field. Ms.Kavya R shared tips on selecting appropriate specimens, documenting habitat information, and preserving plant morphology for accurate identification and classification.

### **Hands-on demonstration**

A notable aspect of the webinar was the inclusion of a live demonstration of herbarium specimen preparation. Ms.Kavya R showcased the proper techniques for pressing, drying, and mounting plant specimens, providing participants with practical knowledge they could apply in their own botanical endeavours.

### **Interactive Q&A session**

The webinar concluded with an interactive Q&A session where participants had the opportunity to seek clarification on various aspects of herbarium preparation. Ms.Kavya R addressed queries with clarity and depth, fostering a dynamic learning environment.

### **Outcome**

The online webinar on herbarium preparation provided participants with the opportunity to seek clarification on various aspects of herbarium preparation. Ms.Kavya R addressed queries with clarity and depth, fostering a dynamic learning environment. Participants gained valuable insights into the significance of herbariums and acquired practical skills in specimen preparation. The event not only contributed to the academic growth of participants but also reinforced the importance of botanical research in understanding and conserving plant biodiversity. Such initiatives underscore Carmel College Mala's commitment to promoting excellence in agricultural education and research.

**Functions of Herbarium**

Herbarium has primary and secondary functions. The primary function is **accurate identification and taxonomic research**. The secondary function is **to learn about classification**.

Some other important functions are:

- to **preserve the plant wealth** that includes specimens;
- to **store** specimens of plant materials;
- to **preserve** the plant material for research.

Participants: Kavya R, Namitha Ps, Vrinda Das, Asna Nizar, Dr. Archane K A, and 14 others.

The slide is titled "Drying" and features a green background. It includes several images: a person in a white lab coat holding a tray of plant specimens, a wooden tray with specimens, a wooden tray with a specimen, and a metal cabinet with multiple drawers. The text on the slide reads: "The plant specimens that are collected should be pressed in sheets. Herbarium folders or envelopes of 30x40 cm should be used. These folders should then be preserved in a heat press. To avoid the discoloring and decay of days, instead, the herbarium folders should be kept in a dry place." A "Click to add note" button is visible at the bottom left of the slide.

### Report on Research Methodology Workshop on Local History

On 6th March 2024, a Research Methodology Workshop on Local History was organized by the department of History with the aim of equipping participants with the necessary skills and knowledge to conduct research in the field of local history. The workshop was held at seminar hall and was attended by researchers, historians, students, and enthusiasts interested in exploring and preserving the local history of the region. The workshop sessions were handled by Dr. Kamakshi V, who specialized in local history. These sessions covered various aspects of research methodology, including data collection, analysis, interpretation, and presentation specific to local history research. The workshop included presentations of case studies showcasing successful research projects in local history. These case studies provided insights into the challenges faced, methodologies employed, and outcomes achieved in researching and documenting local historical narratives. Interactive session was also conducted to facilitate discussions, exchange of ideas, and collaborative learning among participants. These workshops encouraged participants to apply the research methodologies learned to specific local history projects and receive feedback from peers and experts.

#### Outcome

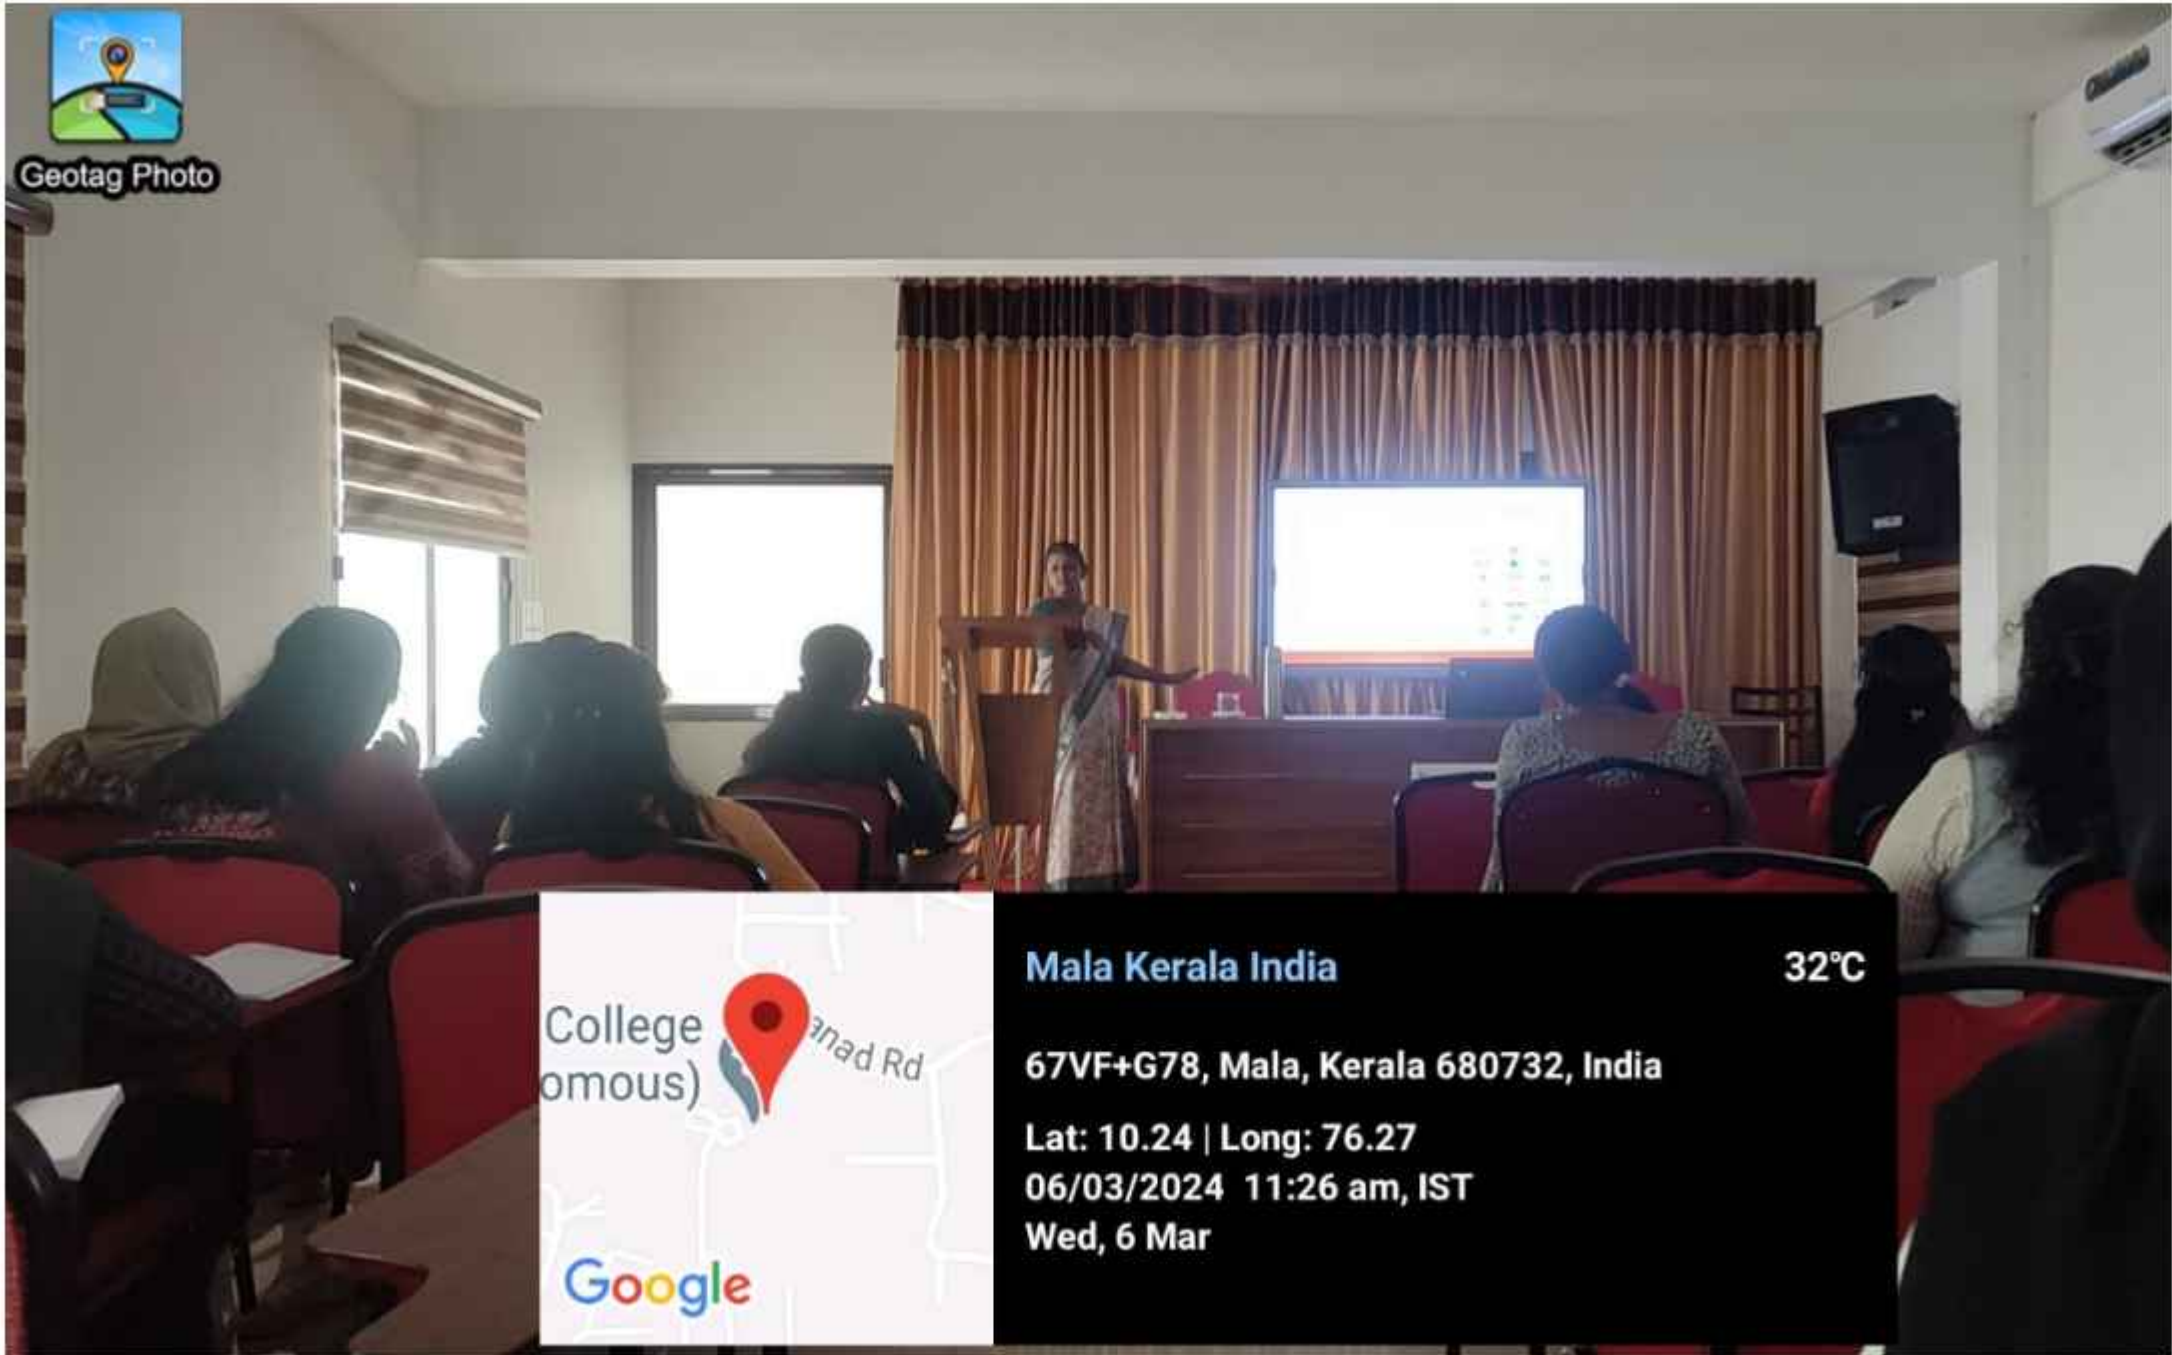

The Research Methodology Workshop on Local History was a valuable learning experience for all participants, providing them with the tools, techniques, and inspiration to delve deeper into the rich tapestry of local history. The workshop not only enhanced the research skills of the participants but also fostered a sense of community and shared passion for preserving and promoting the local heritage.

**Report on “ISRO’s advancements in Space Science and Awarding of Meritorious Students of ISRO-START programme”**

Seminar on the recent advancement in space science was relevant in a time when ISRO was beaming with achievements one after another. Dr. Manesh Micheal, Assistant Professor, Department of Physics, Bharat Mata College and Visiting Associate of IUCAA Pune, was the resource person.

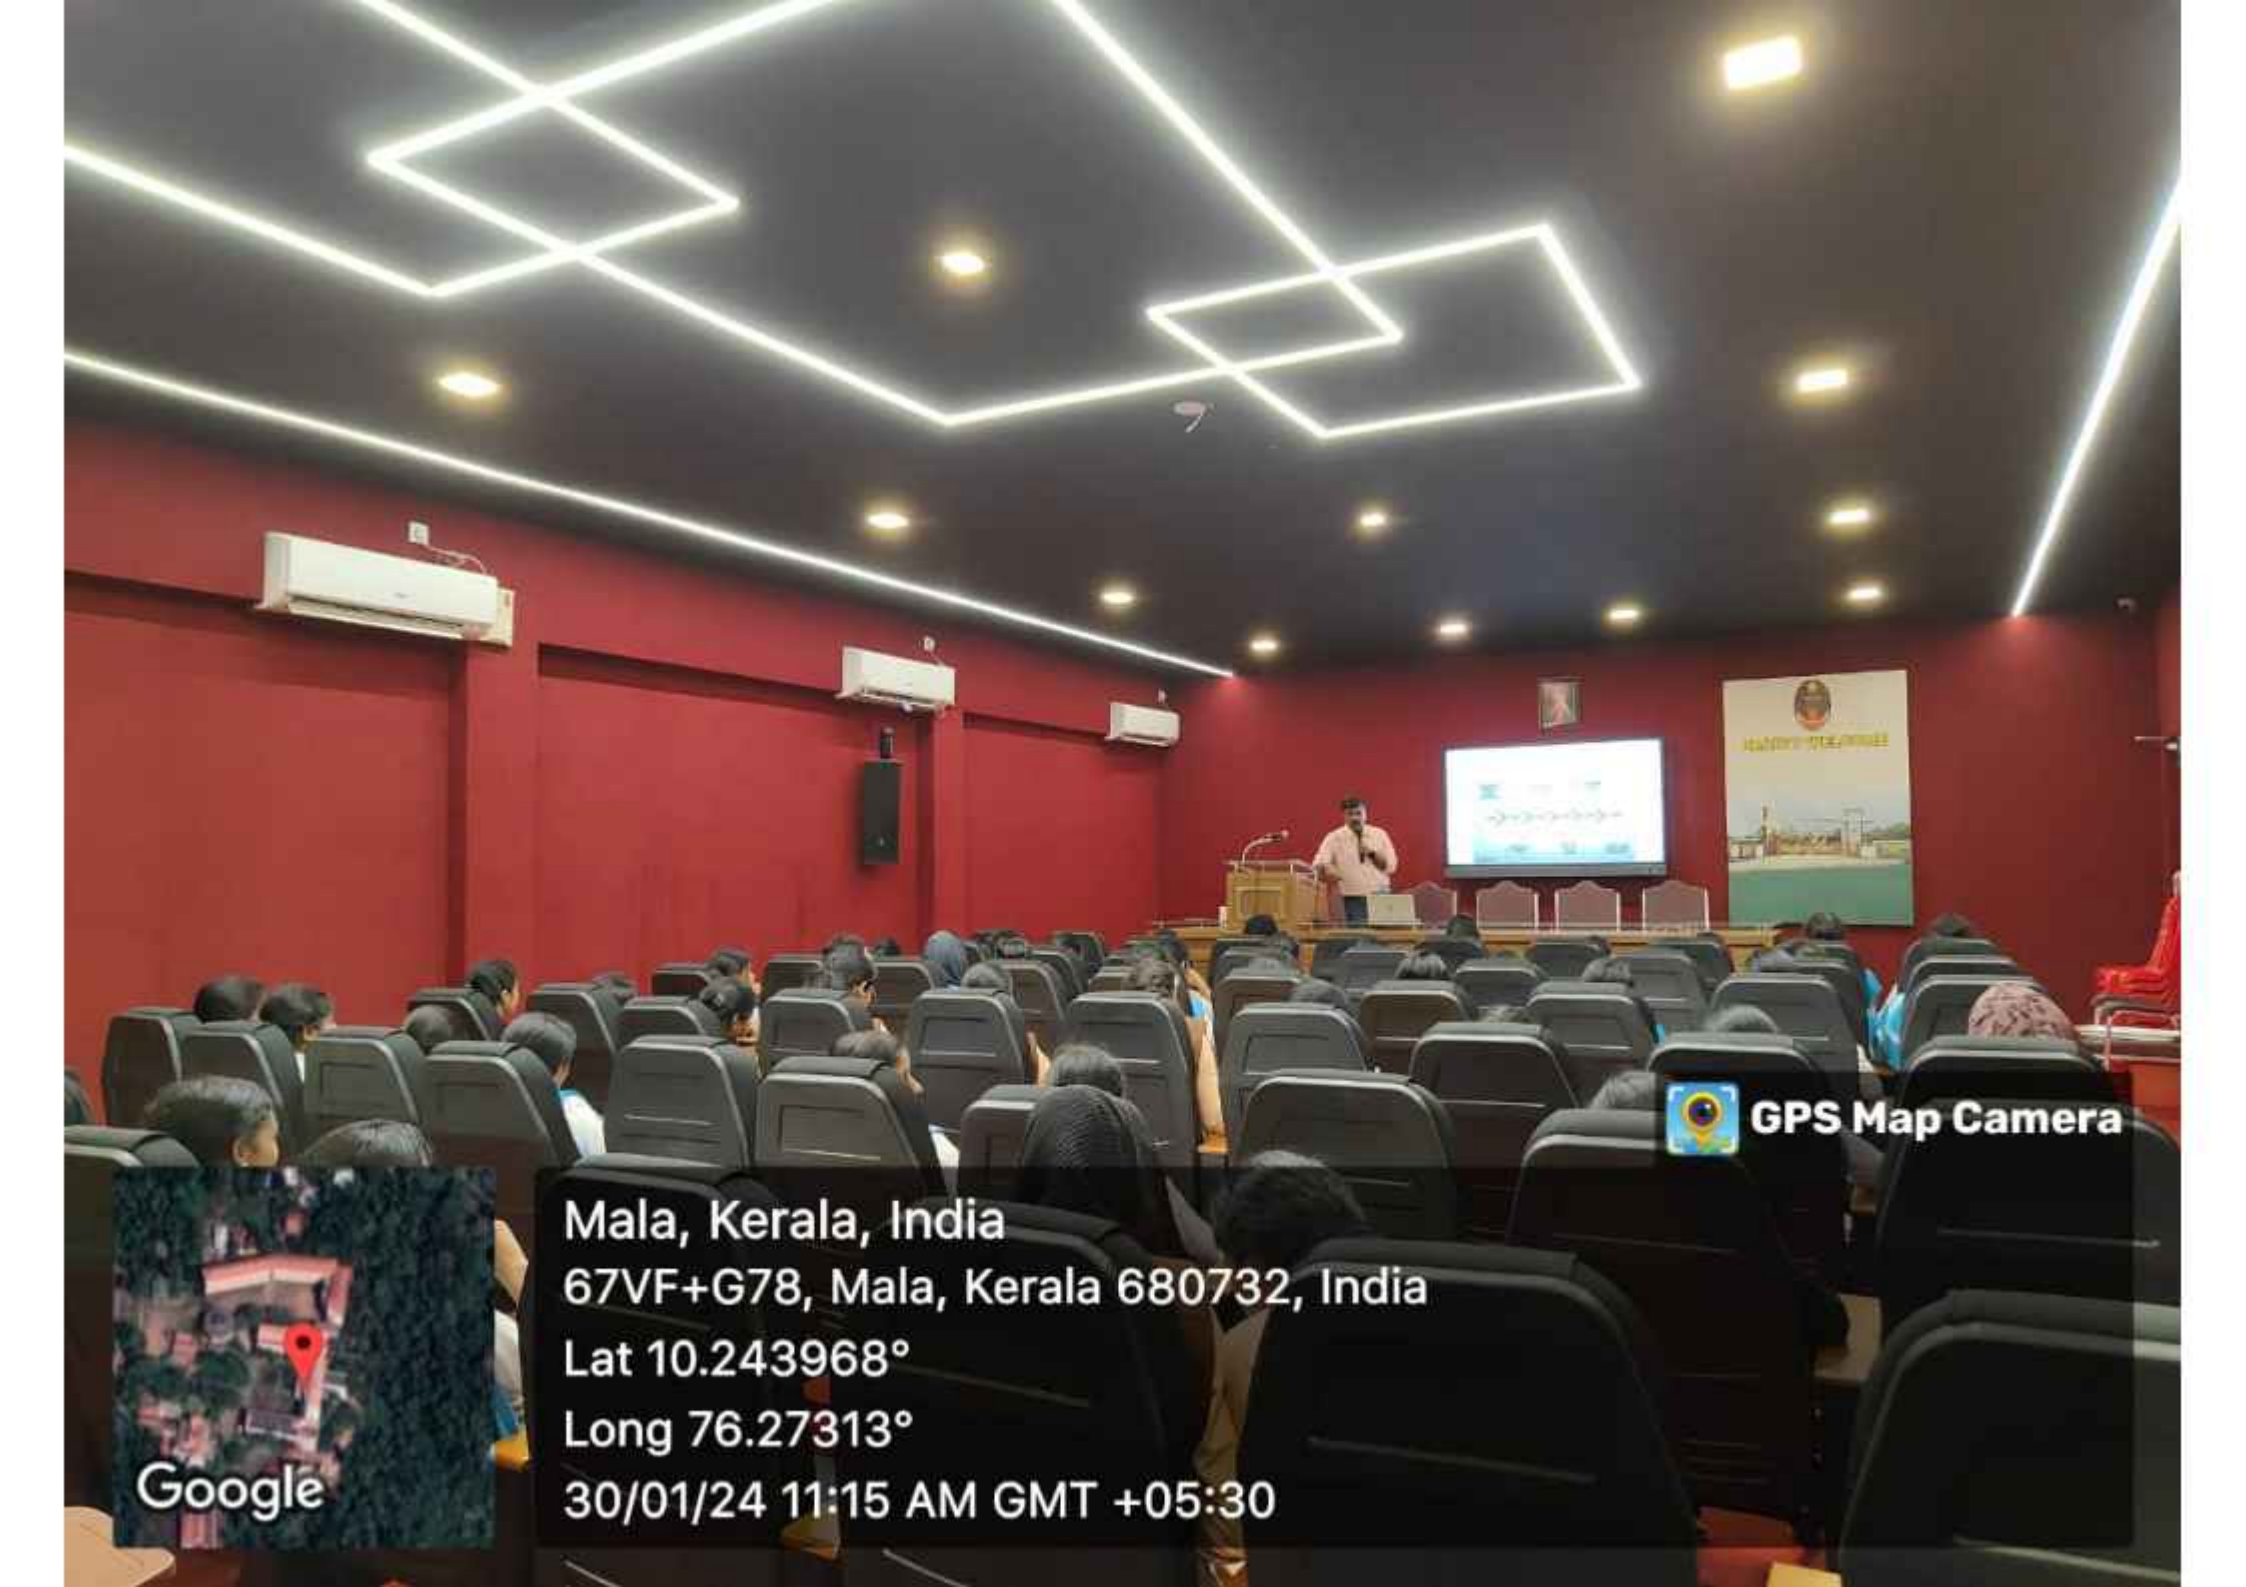

The Seminar, conducted on 30th January, 2024, at 10:30 am in the Audio Visual Hall, began with a welcome note by Dr. Maya Mathew, Coordinator of ISRO START programme. Dr. Sr. Seena felicitated on the occasion. A brief description on how the START programme was implemented in the department was given. This was followed by an awarding ceremony where certificates were awarded to the meritorious students of ISRO- START programme. 5 students completed the course with a graded certificate. The rest of the students got participation certificates. Dr. Manesh handed over the certificate of appreciation for the institute to Dr. Sr. Seena and certificate of appreciation for Nodal officer to Dr. Maya.

The seminar followed after the awarding ceremony. Dr. Manesh talked about the recent achievements of ISRO. The students were excited to hear about the how’s and why’s of the several missions of ISRO. He also talked of various career aspects of space science and also the research possibilities. Students of Physics, Chemistry and Mathematics departments had attended the session. Physics students interacted with the resource person with lots of curious questions. The seminar concluded with a vote of thanks by Thamanna Nazeer of III BSc Applied Physics.

**Outcome:** Students got to know about the recent developments in the field of Space Science and also about its various career prospects.

## **Department of Physics** **Seminar on "Research Career in Physics"**

On September 21, 2023, the Department of Physics at Carmel College, Mala, had the privilege of hosting a seminar on "Research Career in Physics" conducted by the esteemed physicist, Dr. Sudheendran, Asst. Professor, Sree Kerala Varma College. The seminar proved to be an enlightening experience for both students and faculty members in attendance. Dr. Sudheendran, with his extensive background in the field, guided the audience through the intricacies of a career in Physics research, from its foundational stages through to advanced postdoctoral work. His discussion underscored the importance of a strong theoretical and experimental physics base while fostering critical thinking skills among budding physicists. Dr. Sudheendran presented a comprehensive overview of the diverse research domains within physics, ranging from astrophysics to quantum mechanics, elucidating the array of opportunities in academia, industry, and government sectors. Furthermore, he provided invaluable insights into securing research grants and the pivotal role of interdisciplinary collaboration in pushing the boundaries of scientific discoveries. The significance of effective science communication in shaping the future of Physics research was also a focal point of his presentation. Dr. Sudheendran's seminar served as a beacon of inspiration for the physics community at Carmel College, offering a comprehensive road map into the captivating world of research in physics. It was an event that fostered a deeper appreciation for the exciting and fulfilling journey that awaits those who embark on a research career in this dynamic and ever-evolving field. The Department of Physics at Carmel College, Mala, extends its heartfelt gratitude to Dr. Sudheendran for his enlightening and motivating presentation.

**Outcome:** Students got to know the career and research prospects in the field of Physics.

### **REPORT – WORKSHOP ON RESEARCH METHODOLOGY**

Date & Time : 12/12/2023, 9.30 AM-3.30 PM

Venue : VETA Genomics, Pallimoola, Thrissur

Topic : Workshop on Research Methodology

On December 12, 2023, a one-day workshop on Research Methodology was organized for 3rd-year Zoology students at VETA Genomics in Thrissur. The workshop aimed to enhance students' understanding of research techniques and methodologies essential for their academic and future professional pursuits. The workshop was inaugurated with an opening address by Mr. Sajeesh K.S., Scientist at VETA Genomics, Pallimoola, Thrissur. He emphasized the importance of research skills in the field of Zoology and encouraged active participation throughout the day. He also provided an insightful overview of research methodology, including the formulation of research questions, literature review, and the significance of ethical considerations in research. Then Ms. Francy, another scientist, explained the laboratory facilities and equipment. After that, the students visited the laboratory. They were introduced to different types of equipment such as Microscope, Spectrophotometers, Centrifuges, DNA sequencers, PCR, Electrophoretic apparatus, Colourimeter, Blotting Equipments, Incubators, pH meters etc. The Research Methodology One-Day Workshop at Veta Genomics provided 3rd-year Zoology students with valuable insights and practical skills essential for conducting research in their field. The interactive sessions, expert speakers, and hands-on activities made the workshop an enriching experience for all participants, paving the way for a more research-oriented approach in their academic journey. 10 students of third year zoology were participated in the workshop. The session ended at 3.30 PM.

#### **OUTCOMES**

- Participants gained a comprehensive understanding of various research methodologies, including formulating research questions, conducting literature reviews, and ethical considerations in research.
- The workshop included practical sessions demonstrating the use of research tools such as microscopes, DNA sequencers, and spectrophotometers, PCR, Electrophoretic apparatus, Colourimeter.

- Hands-on experience in the laboratory settings equipped students with the skills to apply theoretical knowledge to real-world research scenarios.
- Participants gained awareness of ethical guidelines and best practices, ensuring the responsible conduct of research in their future endeavors.

**Report on the Talk on "Relevance of social research in Contemporary society"**

On June 9, 2023, the Sociology Department of Carmel College Mala organized a talk on the topic "Relevance of social research in Contemporary society". The talk aimed to highlight the importance and practical applications of social science disciplines in contemporary society. The resource person for the event was Rakhi N A, an Assistant Professor at Zamorins Guruvayurappan College, Calicut. The event took place in the Ruby Jubilee Block of Carmel College Mala, gathering students, faculty members, and other attendees interested in the subject.

**Talk Overview:** Rakhi N A commenced the talk by providing an overview of the social sciences and their significance in understanding and analyzing human behavior, societies, and social issues. She emphasized that social science disciplines such as sociology, psychology, anthropology, and political science play a vital role in addressing societal challenges and shaping public policies.

**Key Points Discussed:**

1. **Interdisciplinary Nature:** The speaker highlighted the interdisciplinary nature of social sciences, which draw from various fields to provide a comprehensive understanding of human behavior and social structures. By integrating perspectives from different disciplines, social scientists can offer insights into complex social phenomena.
2. **Social Issues and Challenges:** Rakhi N A emphasized the importance of social science disciplines in examining and addressing prevalent social issues. These disciplines provide valuable tools and methodologies to study topics such as poverty, inequality, discrimination, crime, and health disparities, among others.
3. **Policy Formation:** The speaker discussed how social sciences contribute to the formulation of evidence-based policies. By conducting research, social scientists generate valuable data that informs policymakers' decisions, leading to more effective social programs and interventions.

4. **Cultural Understanding:** Rakhi N A emphasized the role of social science disciplines in fostering cultural understanding and promoting diversity. Through ethnographic research and cultural studies, social scientists can bridge gaps between different communities, facilitate dialogue, and enhance social cohesion.
5. **Career Opportunities:** The talk also shed light on the diverse career opportunities available for students pursuing social science disciplines. The speaker highlighted potential career paths such as social work, research, policy analysis and community development.

## OUTCOMES

The talk on the “Relevance of social research in Contemporary society” by Rakhi N A provided valuable insights into the significance of social sciences in contemporary society.

- The speaker emphasized the interdisciplinary nature of social sciences and their role in addressing social issues, informing policy decisions.
- It helps the sociologist to promote cultural understanding, and opening up diverse career opportunities.
- The talk provides a comprehensive understanding of human behavior and social structures

The event was informative and engaging, contributing to the intellectual growth and awareness of the attendees.

## **Workshop Report**

The Department of Sociology at Carmel College Mala organized a comprehensive Research Methodology Workshop from August 7 to August 21 at Rubi Jubilee Block, from 10am- 12pm. The programme was Inaugurated by Sr. Jisha Chakkunny M, Head of the Department of Sociology. The workshop aimed to enhance the research skills and knowledge of the participants, providing them with a deeper understanding of various research methods and techniques. Six experienced teachers from the department conducted the classes, guiding the participants through the intricacies of the research process. The workshop was a two-week-long program, featuring a series of interactive sessions, practical exercises, and discussions. The participants were introduced to a variety of research methodologies, including qualitative, quantitative, and mixed-method approaches. The content was tailored to cater to participants with varying levels of research experience.

### **Objectives of the Workshop:**

1. To equip participants with the necessary skills and knowledge required for conducting research effectively.
2. To introduce participants to various research methods and techniques.
3. To provide practical guidance on formulating research questions, collecting data, and analysing results.
4. To enhance participants' understanding of ethical considerations in research.

The success of the workshop can be attributed to the expertise and dedication of the teachers from the Department of Sociology, Carmel College Mala. Each instructor brought a unique perspective and valuable insights to the workshop. They made the learning experience engaging and enlightening for the participants.

### **Topics Covered:**

The workshop covered a wide range of topics, including:

1. Introduction to Research Methodology
2. Research Design and Formulation of Research Questions
3. Qualitative Research Methods
4. Quantitative Research Methods
5. Mixed-Methods Research
6. Data Collection Techniques
7. Data Analysis and Interpretation
8. Ethical Considerations in Research
9. Writing and Presenting Research Findings

The workshop was conducted through a combination of lectures, group discussions, hands-on exercises, and case studies. This multifaceted approach allowed participants to not only grasp theoretical concepts but also apply them practically. The participants were actively encouraged to ask questions and engage in discussions, making the learning process dynamic and interactive.

### **Programme outcome**

1. The programme gained practical insights into the entire research process, from formulating research questions to data collection and analysis.
2. The workshop introduced participants to a wide range of research methodologies, including qualitative, quantitative, and mixed-method approaches
3. The workshop provided a platform for participants to interact and collaborate with their peers. This networking opportunity has the potential to lead to future research partnerships and collaborations.

## Discussion on Qualitative and Quantitative research Methodology Report

On the 22nd of August 2023, the Department of Sociology in Carmel College (Autonomous), Mala, conducted a comprehensive Research Methodology discussion started at 10.30 am in Ruby Jubilee block. The programme aimed to provide participants with essential tools and knowledge for conducting effective research. The event was inaugurated by the Jisha Chakkunny M, Head of the Department, followed by presentations and discussions by a panel of experienced teachers. After the discussion every student presented their area of dissertation. The programme ended at 2.30 pm

Panel Discussion consisted of multiple sessions covering different aspects of research methodology:

1. **Introduction to Research Methodology:** Bincy K F, provided an insightful introduction to the fundamentals of research methodology, emphasizing the importance of formulating research questions and hypotheses.
2. **Research Design:** Bindhuja Suresh, discussed the various research designs and methodologies used in sociological research, including surveys, interviews, and case studies.
3. **Data Collection and Analysis:** Laksmi C D, delved into data collection techniques and statistical analysis, highlighting the significance of ethical considerations in research.
4. **Qualitative Research Methods:** Anugraha Aneesh, delivered the importance of qualitative research methods, emphasizing the use of interviews and participant observation in sociological research.
5. **Ethics in Research:** The importance of ethical considerations in research was discussed by Aswathi A. The session focused on obtaining informed consent, maintaining confidentiality, and addressing potential ethical dilemmas.
6. **Research Proposal Writing:** Anugraha Varughese, guided participants on how to write effective research proposals, including research objectives, literature review, and methodology.

### Programme Outcome

- The workshop provided them with a strong foundation, allowing them to approach research with confidence and competence.
- The discussion provided valuable insights into various research designs and data collection techniques. They learned how to choose the most appropriate methodology for their research.
- The discussion has empowered participants to approach research projects with greater confidence. They are now better prepared to tackle complex research questions, analyze data effectively, and contribute meaningfully to the field of sociology.

**SEMINAR REPORT**

**DEPARTMENT OF SOCIOLOGY**

**ETHICAL RESPONSIBILITY IN SOCIAL RESEARCH (2023-2024)**

Department of Sociology conducted a seminar on January 15 at 1:00 PM in the Ruby Jubilee Block on the topic Ethical responsibility in social research. Dr. Deepika Krishnan P K (Assistant Professor, Department Of sociology, PSG College of Arts and Science, Coimbatore) was the resource person. Social research is a vital tool for understanding human behavior and society, but it comes with ethical responsibilities to protect the rights and well-being of research participants. This report examines the ethical considerations and responsibilities inherent in social research and discusses potential outcomes when these responsibilities are upheld. Researchers must ensure participants understand the purpose, procedures, risks, and benefits of the study before voluntarily agreeing to participate. Personal information of participants must be kept confidential and anonymized to prevent harm or breach of privacy. Researchers should treat participants with dignity, respecting their autonomy, diversity, and cultural backgrounds. Researchers must minimize potential harm or discomfort to participants during the research process. 36 students of our department participated. The seminar ended at 2:30 PM.

**OUTCOME**

1. This seminar increased awareness of ethical considerations in social science research.
2. This seminar enhanced ability to critically evaluate research methods and designs with ethical considerations in mind.
3. Strengthened community and collaboration among student researchers.

REPORT ON THE TOPIC: UNDERSTANDING THE PARADIGMS IN  
RESEARCH PROJECTS

On the 23rd of February 2024, the Department of Banking, Finance, and Insurance (BFSI) organized a seminar titled "Understanding the Paradigms in Research Projects." The seminar aimed to provide attendees with insights into the various paradigms prevalent in research projects and their significance in shaping research methodologies and outcomes. Dr. Sreelakshmi K, Assistant Professor from St. Aloysius College Elthuruth, was the esteemed resource person for the event. Throughout the seminar, attention was drawn to the methodological implications of different paradigms. The resource person underscored the importance of aligning research questions, methods, and paradigms to ensure coherence and rigor in research projects. The seminar concluded with an interactive question and answer session, during which attendees had the opportunity to seek clarifications, share perspectives, and engage in discussions with the resource person. 25 participants attended in the seminar and the seminar proved successful.

**Outcome:** The seminar on "Understanding the Paradigms in Research Projects" proved to be an intellectually stimulating event, providing attendees with a comprehensive understanding of research paradigms and their implications. Dr. Sreelakshmi K's expertise and insights enriched the seminar, equipping participants with valuable knowledge to navigate research projects effectively. The Department of Banking, Finance, and Insurance (BFSI) at Carmel College Mala successfully organized a program that fostered academic enrichment and critical discourse in the field of research methodologies.

### Research & PG Department of Botany

#### Workshop on E - Resources

19.01.2024

On January 19, 2024, the Department of Botany organized a comprehensive workshop on E-Resources at the library. Dr. Jesmi P J, a distinguished UGC Librarian, led the session, focusing on the relevance and effective utilization of electronic resources in the field of botany and academia at large. The workshop kicked off at 2:30 PM with a warm welcome by Dr. Sinjumol Thomas, the coordinator of the event. Dr. Jesmi P J took the stage, bringing her wealth of experience as a UGC Librarian to the forefront. The session began with an overview of the evolution of E-Resources and their pivotal role in advancing research and learning in the field of botany. Dr. Jesmi P J delved into various electronic platforms, databases, and digital libraries that cater specifically to botany and related disciplines. The presentation included demonstrations on effective search techniques, navigating scholarly journals, and accessing botanical databases. Attendees were introduced to cutting-edge tools and technologies designed to streamline their research processes. The workshop was designed to be interactive, allowing participants from the Department of Botany to engage directly with the E-Resources discussed. Hands-on sessions enabled attendees to explore databases relevant to their field of study, fostering a practical understanding of how to extract valuable information for their research. Participants actively participated in discussions, sharing their challenges and experiences with incorporating E-Resources into their academic pursuits. Dr. Jesmi P J provided personalized guidance, addressing specific concerns and offering tips on optimizing electronic resources for botany research. 25 participants actively engaged in the programme.

**Outcome:** Attendees gained insights into advanced search strategies and techniques, enhancing their ability to find relevant botanical information swiftly. Participants became familiar with a broader spectrum of electronic resources specific to botany, diversifying their research avenues beyond traditional sources. The workshop facilitated networking among botany scholars, creating opportunities for interdisciplinary collaborations and knowledge exchange. Participants left the workshop with a heightened sense of confidence and proficiency in navigating E-Resources, positioning them as informed and tech-savvy contributors to the academic community.

### **Research and PG Department of Botany**

#### **Workshop Report: Two-Day Workshop on Geographic Information Systems (GIS)**

Date: 6th and 7th March 2024

Venue: Audiovisual Hall and Computer Lab, Carmel College (Autonomous), Mala

The PG and Research Department of Botany at Carmel College (Autonomous), Mala, organized a two-day workshop on Geographic Information Systems (GIS) from the 6th to the 7th of March 2024. The workshop aimed to provide participants with a comprehensive understanding of GIS applications in botany and environmental sciences. Six participants actively engaged in the program.

The workshop commenced with registration at 9:30 am followed by the inaugural ceremony at 10:00 am in the Audiovisual Hall. The program began with a silent prayer, followed by a welcome speech delivered by Dr. Sinjumol Thomas, the Coordinator of the program. Dr. Sr. Kochuthressia K. P, the College Principal, inaugurated the program. Dr. Bindhu K.B, Head of the Botany Department, delivered felicitation, emphasizing the significance of GIS in botanical research. The keynote session provided insights into the basics of GIS and its relevance in botany.

Following the inauguration, participants proceeded to the computer lab for Session 1, which covered introductory concepts of GIS. After a tea break at 10:30 am, Session II commenced, focusing on mapping biodiversity techniques and tools. The post-lunch session (Session III) delved into spatial analysis for ecological studies, emphasizing practical applications.

Day two of the workshop began with Session IV at 10:00 am, addressing remote sensing applications in plant sciences. This session provided participants with valuable knowledge on

utilizing remote sensing data for botanical research purposes. A tea break followed at 11:00 am, allowing participants to network and interact with fellow attendees.

Session V, conducted in the computer lab, commenced at 11:15 am, offering hands-on training with GIS software. Participants had the opportunity to apply the concepts learned in previous sessions, gaining practical experience in GIS techniques. Following a lunch break at 12:15 pm, Session VI focused on GIS in conservation biology, exploring how GIS aids in biodiversity conservation efforts.

The workshop concluded with a valedictory function at 2:45 pm, where certificates of participation were distributed to attendees. Dr. Sinjumol Thomas, Coordinator, delivered the closing remarks, expressing gratitude to the participants and resource persons for their active involvement in the workshop.

**Outcome:**

The two-day workshop on Geographic Information Systems (GIS) organized by the PG and Research Department of Botany, Carmel College (Autonomous), Mala, proved to be highly informative and beneficial for all participants. By bridging theoretical knowledge with practical applications, the workshop equipped attendees with valuable skills essential for advancing research in botany and environmental sciences.

Ms. Keerthy Sophiya Ponnachan, Assistant Professor, Department of English, Carmel College (Autonomous), Mala served as the resource person for an invited lecture on “The Art of Expression: An Introduction to English Poetry” at St. Mary’s College, Thrissur, organised as part of the faculty-student exchange programme. The session occurred on September 7, 2023, at 08:30 a.m. in I B.A. English classroom. Ms. Preema Paul, Assistant Professor, Department of English, introduced the guest speaker. Twenty-two students of I B.A. English attended the lecture. The session aimed to provide students with a foundational understanding of English poetry and to ignite an appreciation for the genre. Following the lecture, a question-and-answer session took place. The session concluded fruitfully by 10:00 a.m., with participants providing favourable feedback.

**Programme Outcome:**

The academic engagement gave students insights into the multifaceted nature of poetry as a literary genre. In addition to familiarising students with the different types of poetry, the session also encourages students to critically analyse the poetic language used and its role in conveying ideas and eliciting emotions effectively.

### REPORT

The Department of English organized the Workshop “Developing Creative Writing Skills” after the Reading Month celebrations on 19<sup>th</sup> July 2023. The Resource Person was Ms. Sameeha Junaid, a versatile figure known for her prowess as author, YouTuber, blogger, and podcaster. She has penned *One World, One Life, One You and Be You* and *Inner Voice, Unheard Noise*.

Throughout the workshop, Ms. Junaid shared her wealth of knowledge and experience in creative writing, offering participants a comprehensive understanding of various writing techniques and strategies. Participants had the opportunity to explore different aspects of storytelling, character development, narrative structures, and effective writing styles. Ms. Junaid's interactive session was engaging and insightful, encouraging participants to actively participate and apply the concepts learned. Through practical exercises and discussions, attendees honed their writing skills and gained confidence in their creative abilities. Ms. Junaid's expertise provided

invaluable guidance and inspiration to aspiring writers, empowering them to unleash their creativity and craft compelling narratives across different platforms.

The workshop proved to be a transformative experience for participants, equipping them with practical skills and techniques to enhance their creative writing endeavors. Students left the workshop feeling inspired and motivated to explore new avenues in their writing journeys. With newfound knowledge and confidence, participants became prepared to embark on their creative endeavors and share their stories with the world. The workshop served as a catalyst for personal and professional growth, empowering participants to explore their creative potential and make meaningful contributions to the world of literature and digital media.

### **"Illuminating Your Creativity" LED Star Crafting Workshop**

The "Illuminating Your Creativity" LED Star Crafting Workshop, hosted by the Department of Physics for Electronics club members at the Physics Lab on November 30, 2023, was a dynamic and enriching event. The workshop began with an insightful overview of LED technology, providing participants with a solid understanding of the principles behind light-emitting diodes. The hands-on session that followed allowed attendees to actively engage in the process of crafting LED stars, fostering a practical application of the theoretical knowledge imparted. Circuit building and troubleshooting exercises were integral components, ensuring that participants not only grasped the fundamentals but also developed essential problem-solving skills.

The collaborative spirit within the workshop created a vibrant learning environment, with students sharing ideas and working together to overcome challenges. The highlight of the event was the showcase session, where participants proudly presented their crafted LED stars, showcasing a diverse range of creative designs. "Illuminating Your Creativity" served not only as a platform for skill development but also as a testament to the Department of Physics' commitment to providing meaningful, hands-on experiences that inspire innovation and teamwork among Electronics club members.

Outcome: Students learnt to make LED bulbs and lights.

**REPORT**

The Department of English organized Meet the Flavourful Soulful Mind Mrinal Das Vengalat in Limelight on “Good Food B/Vlogs: How to Create Better Content” on 14<sup>th</sup> August 2023. Renowned as a Food Vlogger, Motivational Speaker and International Restaurant Management Consultant, Vengalat, India and HMC, Middle East, Mr. Mrinal Das Vengalat graced the occasion to share his insights on “Good Food B/Vlogs: How to Create Better Content.” The participants were treated to an enriching session where Mr. Vengalat shared his expertise and experiences in the realm of food blogging and vlogging, offering valuable tips and strategies for creating engaging and impactful content in the digital space.

Moreover, the event served as the inauguration of the activities of the English Association for the academic year 2023-2024. This provided an opportunity for students and faculty members to come together and kickstart a year filled with exciting academic and extracurricular pursuits. The inauguration ceremony set a positive tone for the upcoming events and initiatives

planned by the English Association, fostering a sense of unity and enthusiasm among the participants. On this occasion English Association honoured Ms. Keerthy Sophiya Ponnachan for bagging the Best Woman Faculty in English by GISR Foundation Noida. The Association also awarded Afra Sherif with the Most Inspiring Student of the Department of English.

Overall, the event proved to be a remarkable platform for learning, networking, and inspiration, as attendees gained valuable insights into the world of food blogging and vlogging while also celebrating the commencement of a new academic year's activities. Through engaging discussions and interactions, participants left the event feeling motivated and empowered to explore their creativity and passion for content creation, setting the stage for a productive and fulfilling year ahead.

The event also shed light on the employability and career prospects in the field of food blogging and vlogging, providing valuable guidance to aspiring content creators on leveraging their skills and expertise for professional success. Through Mr. Vengalat's insights, attendees gained a deeper understanding of the lucrative opportunities available in the digital content industry, inspiring them to pursue their passions with confidence and determination. This aspect of the event further enhanced its relevance and impact, empowering participants to explore exciting career pathways in the ever-evolving landscape of digital media.

## ABOUT THE COLLEGE

Carmel College (Autonomous) under the University of Calicut, stands nestled in an idyllic locale, Mala, the southern tip of Thrissur District, the cultural capital of Kerala. This college, which began in the year 1981, is run by the Sisters of the Congregation of Mother of Carmel (CMC) who, guided by their founders Saint Kuriakose Elias Chavara and Rev. Fr. Leopold Boccaro, have taken up the apostolate of education. The Management adopts a proactive approach providing infrastructural facilities and learning resources that are periodically enhanced and upgraded in order to ensure the smooth execution of the academic and administrative process. Consistent support and ample platforms are extended to students who aspire to excel in academics, sports and arts. The college offers 17 UG Programmes including 6 B. Voc., 9 PG Programmes including 2 M. Voc., 1 Integrated PG Programme, 1 Ph. D Programme and 2 Diploma Courses.

## ABOUT THE CONCEPT

Food is not just something we eat to fill our stomachs. It is consciousness and has been the cornerstone of any food culture around the world. Food culture can be defined as habits, rituals, practices, belief systems, values, lifestyle, traditions, and customs centered around growing, producing, procuring, cooking, eating, serving, and celebrating food. The food culture is influenced by individuals or small networks and institutions, such as families, or large ones, such as societies, companies, and countries. People's lifestyles, religions, social status, family background, heritage and lineage along with race, ethnicities, class, caste, gender, geographic divides, climates, media, literature, social and political situations have immensely influenced the food culture. In difficult times, like poverty, war or pandemics, no matter how little, food has comforted people time and again.

The fast-food phenomenon has changed the paradigm of eating everywhere. The emergence of food delivery apps like Swiggy, Zomato and the like, food b/vlogging, mukbangs, food art and photography and glocalised foodscapes have transcended the borders resulting in the hybridity of food cultures and to an extent, acculturation of society.

As globalization and neoliberalism have transformed food systems, some people have responded by seeking to return to their roots. Similar to the Indian Ayurveda, the traditional medicines of China, Korea and Japan with the integration of nutrition, medicine and foods have conquered the hearts of many. Some have embraced local ingredients and notions of cultural heritage too much that Fabio Parasecoli identifies the phenomenon of "gastronautism," the ideological use of food to advance ideas about who belongs to a community and who does not. Food as a human right protects the right of all human beings to live in dignity, free from hunger, food insecurity and malnutrition.

## ABOUT THE DEPARTMENT OF ENGLISH

The Department of English started functioning ever since the inception of Carmel as a junior college in the year 1981. In 1998, the Department of English was officially inaugurated with the introduction of the new UG Programme, B.A. Functional English. M.A. English Language and Literature was sanctioned in 2013 as a self-financing PG Programme. At present, the Department of English offers 2 Certificate Courses and 1 Value Added Course. The four Clubs and Forums functioning under the Department and the extension activity programmes in the nearby villages help students to equip themselves with skills and values needed to face the real-time challenges.

Food takes on significance that transcends the biological function and survival context, affecting even our perceptions of edibility and constitutes a meaning system imbued with subtle unconscious cultural connotations of all kinds. Foodways deals with the ways in which food shapes and is shaped by society and culture, and it includes food politics, social inclusion/exclusion.

Literary traditions have often relied on the inclusion of food within narratives for realistic or metaphoric purposes. The forbidden fruit in the *Book of Genesis* to food metaphors in literary works like *Fairy Tales*, Arundhati Roy's *The God of Small Things*, Virginia Woolf's *To the Lighthouse*, Haruki Murakami's *The Wind-Up Bird Chronicle*, Italo Calvino's *Under the Jaguar Sun* and Margaret Atwood's *The Edible Woman* substantiate them. Fiction and food also affect each other by creating alternate creative, linguistic, and narrative possibilities. Literary expressions of food offer ways for exploring the multiple meanings that surround food. In *The Physiology of Taste* (1825), Jean Anthelme Brillat-Savarin states: "Tell me what you eat, and I will tell you what you are" (xxxv). This seems to be true because food has always had something to tell us – which, fortunately, literature lets it to do effectively.

The Seminar on "Food, Foodscapes and Foodways: Diverse Perspectives" aims to deal with numerous food/power dynamics from varied perceptions. Let's dream for sustainable food systems providing healthy food to everyone irrespective of social and economic disparities creating sustainable environment.

## **DEPARTMENT OF ENGLISH**

### **International Seminar on**

### **“Food, Foodways, and Foodscapes: Diverse Perspectives”**

**(16-18 August 2023)**

### **REPORT**

The International Seminar on “Food, Foodways, and Foodscapes: Diverse Perspectives” organized by the Department of English, was held in hybrid mode from 16<sup>th</sup> to 18<sup>th</sup> August 2023. This three-day event aimed to provide an interdisciplinary platform for exploring the cultural, socio-economic, and ecological dimensions of food. It featured expert resource persons, paper presentations, and interactive discussions, offering deep insights into the evolving role of food in society. The seminar was designed to:

- Foster cultural and linguistic harmony through food narratives.
- Advocate for food as a human right, addressing ethical and social dimensions.
- Promote environmental sustainability by exploring sustainable food practices.
- Enhance understanding of health, inclusivity, and participatory learning through discussions on food choices and traditions.
- Highlight food’s role in cultivating human values and preserving cultural heritage.

The seminar comprised six sessions led by distinguished resource persons:

- Dr. C.G. Shyamala (Assistant Professor and Research Guide, PG Department of English and Research Centre for Comparative Studies, Mercy College, Palakkad) discussed “Food Culture and Narratives,” examining food's role as a cultural and literary symbol.
- Fr. Davis Chiramel (Founder and Chairman of Kidney Federation of India, General Secretary, Accident Care and Transport Service (ACTS), Co-ordinator, Hunger Hunt Project, Agri My Culture and Cloth Bank Project) delivered a session on “Food as a Human Right,” emphasizing the ethical and social dimensions of food security.
- Mr. Martin Jacob (Head HR, Mane Kancor Ingredients Pvt. Ltd., Angamaly) spoke on “Food Safety and Environmental Sustainability,” exploring sustainable practices in food production.
- Ms. Diby Jins (Physiotherapist, St. Peter's Park, Bexhill-on-Sea, United Kingdom) addressed “Food: Culture and Lifestyle,” linking food habits to cultural identity and health.
- Dr. Vrinda Varma (Author, Translator & Assistant Professor, Department of School of Management Studies and Centre for Women Welfare and Social Empowerment, National

Institute of Technology, Calicut)) delivered a session on “We Are What We Eat: But What Do We Eat?”, analyzing the socio-cultural significance of food choices.

- Dr. Bindhu K.B. (Associate Professor, Research Guide and HoD, Department of Botany, Carmel College (Autonomous), Mala) explored “*Ahara, Anna, and Ayurveda: Food as Medicine in Indian Culture,*” emphasizing Ayurvedic approaches to holistic health.

Each session was followed by paper presentations, where participants shared research on topics such as food in literature, sustainable food practices, food and identity, traditional medicinal diets and so on. There were more than 100 paper presentations from twenty plus universities from India and abroad. The seminar achieved the following outcomes:

▪ **Promotion of Cultural and Linguistic Harmony:**

Enhanced understanding of food as a medium for bridging cultural divides.

▪ **Advocacy for Human Values and Human Rights:**

Encouraged discussions on food equity and the ethical dimensions of food security.

▪ **Environmental Sustainability:**

Fostered awareness of sustainable practices in food production and consumption.

▪ **Inclusivity and Health Awareness:**

Highlighted the role of food in promoting health and inclusive lifestyles.

▪ **Skill Development:**

Enhanced research and analytical skills through paper presentations and discussions.

• **Experiential and Participatory Learning:**

Engaged participants through paper presentations and interactive sessions, enhancing their research and analytical skills.

• **Interdisciplinary Collaboration:**

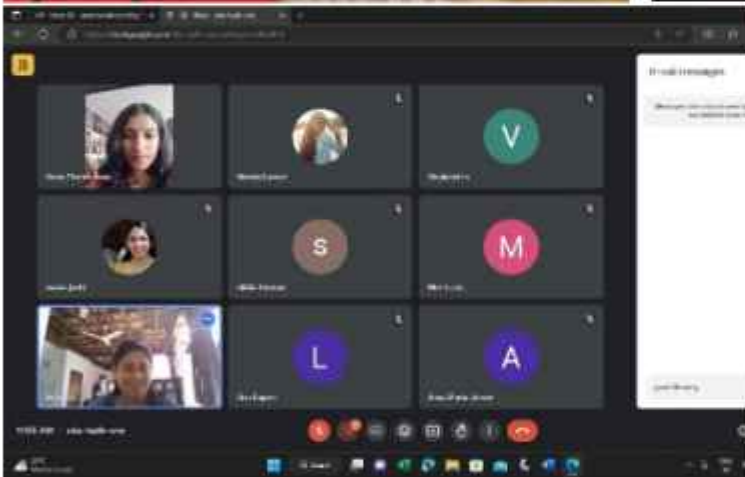

Brought together diverse perspectives, emphasizing the interconnectedness of food with culture, economy, and environment.

The International Seminar on “Food, Foodways, and Foodscapes: Diverse Perspectives” was a resounding success, providing an interdisciplinary platform for examining the multifaceted dimensions of food. The seminar’s discussions and outcomes are expected to contribute significantly to future research and initiatives in food studies, fostering a more sustainable and inclusive global community.

**PREP TALK - DEVELOPING MEDIA SKILLS WITH ANJANA**

The Speaker's Forum of the Department of English organized a session on the topic "Developing Media Skills" for the students of the department on February 19, 2024, at 2:00 pm in the Audio-Visual Hall. Ms. Anjana P.V., Multimedia Journalist, *The Hindu Businessline* was the resource person for the session. Ms. Annliya Shaijan, faculty and joint co-ordinator, of the Speaker's Forum welcomed the gathering and introduced the speaker, which was followed by a one-hour prep talk on the topic under consideration. Ms. Anjana shared her personal experience of working with *The Hindu* and other firms of repute over the years. The opportunities and challenges awaiting those who aspire to work in the media field, as well as the pertinence of developing requisite industry skills, were effectively communicated to the students. The resource person was presented with a memento as a token of appreciation by Dr. Pretty John P, Head of the Department. Ms. Linda P. Joseph, Co-ordinator of the Speaker's Forum also graced the dais. Ms. Mibia Martin of II M.A. English delivered the vote of thanks. The session came to a fruitful close by 3:30 pm.

**Programme Outcome:**

The session sought to foster a more profound comprehension of diverse media platforms, encompassing both traditional and digital media. Additionally, it aimed to equip students with essential skills for thriving in the media industry and provide them with insights into enhancing

their capabilities and confidence to navigate the media landscape effectively. Furthermore, the session aimed to inculcate in the students the ability to critically engage with media content.

#### **A workshop on Herbal Cosmetics**

**09.10.2023**

On the 9th of October 2023, the Botany Department of Carmel College organized an insightful workshop on the topic "Enhance the Beauty through Nature." The event was coordinated by Dr. Sr. Sinjumol Thomas and Ms. Mirsha M. The chief guest and facilitator of the workshop was Ms. Jayalakshmi Manoj, a seasoned Cosmetologist from High Tech Beauty Parlour Mala. The workshop, held at the Botany Laboratory, aimed to shed light on the traditional use of herbs in cosmetics as an alternative to chemical-based products. Devika T and Ashifa Fathima S, I MSc Botany students, delivered the welcome speech and words of felicitation, respectively.

Ms. Jayalakshmi Manoj began the workshop by providing insights into the historical and traditional use of herbs in cosmetics. She highlighted the importance of natural ingredients and the potential harmful effects of chemical cosmetics. An accompanied practical session enriched the workshop, allowing participants to witness firsthand the application of herbal ingredients in skincare and haircare. Ms. Jayalakshmi Manoj demonstrated various techniques, providing valuable hands-on experience to the students. The resource person shared practical tips for the maintenance and enhancement of natural beauty. This included personalized advice on skincare routines, herbal treatments, and the benefits of incorporating natural ingredients into beauty regimens. The workshop featured an interactive session where students actively participated, asking questions and seeking clarification on the use of specific herbs and their benefits. This engagement added a dynamic element to the workshop. The workshop ended at 4:00 pm, leaving participants enriched with a newfound appreciation for the natural beauty-enhancing properties of herbs. 21 Participants attended the workshop including students and faculty.

#### **OUTCOME:**

Participants gained a deeper understanding of the traditional use of herbs in cosmetics, recognizing the potential benefits for natural beauty enhancement. The hands-on practical session allowed students to develop practical skills, learning how to utilize herbal ingredients effectively for skincare and hair care. The workshop successfully raised awareness about the harmful effects of chemical cosmetics, encouraging students to consider natural alternatives for beauty care.

## DEPARTMENT OF HINDI

### REPORT ON INTERNATIONAL HINDI DAY 2023-24

The day marks the commemoration of the first time Hindi was spoken in the United Nations General Assembly (UNGA) in 1949. Vishwa Hindi Diwas was marked for the first time on January 10, 2006, on the instructions of the then Prime Minister Manmohan Singh. It is an occasion to recognise Hindi as a universal language. The Department of Hindi conducted a webinar on "Keral Mein Hindi Adhyayan Ki Samasyayem" on 10<sup>th</sup> January 2024. The resource person was Ajeesh A.S, Assistant Professor, Department of Languages, Don Bosco College, Mannuthy.

#### Outcome

The webinar successfully created awareness among the students about the significance of Hindi as a language. It highlighted the need for a more organized and widespread effort to promote the study of Hindi in Kerala. The awareness generated through the webinar is expected to contribute to the protection and promotion of the Hindi Language.

## ABOUT THE COLLEGE

Carmel, a first-grade college for women under the University of Calicut, stands nestled in an idyllic locale in a small town called Mala near the southern tip of Thrissur district, the cultural capital of Kerala. This college, which began in the year 1981, is run by the Sisters of the Congregation of Mother of Carmel who, guided by their founders Saint Kuriakose Elias Chavara and Rev. Fr. Leopold Broccaro, has taken up the apostolate of education. The management adopts a proactive approach providing infrastructural facilities and learning resources that are periodically enhanced and upgraded in order to ensure the smooth execution of the academic and administrative process. Consistent support and ample platforms are extended to students who aspire to excel in academics, sports and arts.

## ABOUT THE DEPARTMENT

The Department of Business Administration Initially functioned as a part of the Department of Commerce. On 17th August 2015, the Department got identified as an independent Department and thereby assumed its activities in full swing. Students from this department have proved their calibre in sports, arts and many other curricular and co-curricular areas. The department is proven for its commitment with qualified, dedicated and experienced faculty members. The department feels proud of its alumni and its contributions.

**REPORT 2023-24**

Malayalam department organised a One Day Seminar on 8<sup>th</sup> August 2023 in the Audio-Visual Room at 9.30am. Dr. Rema P, HoD, Department of Business Administration Carmel College (Autonomous) Mala, delivered on the topic 'KARKKIDAKAPPERUMA'. College Principal Dr.Sr. Kochuthressia K P presided over the function. 42 students were participated in the function. Dr.Merin Francis, HoD, Department of Malayalam welcomed the gathering and Ms Rajeswary PK , gave away the vote of thanks.

**OUTCOME**

The programme was a great success and informative for students. It was very useful to the students for getting knowledge about the 'Traditional aspects of Karkkidaka month'. The resource person explained the various folk rituals, beliefs, concepts which Keralites followed in the month of Karkkidaka and its significans in the lifestyle of Kerala.

**2023-2024**

The Department of English organized an invited lecture on the topic "Radio: Theatre of the Mind" as part of the faculty-student exchange programme on November 15, 2023, at 11:00 a.m. The event took place in the II B. A. Functional English classroom in the Ruby Jubilee Block. Ms. Abhini P.K. Assistant Professor, Department of English from St. Mary's College, Thrissur served as the resource person for the session. Dr. Pretty John P., the Head of the Department of English, extended a warm welcome to the attendees and introduced the guest speaker. Nineteen students of II B.A. Functional English of Carmel College (Autonomous), Mala attended the lecture. The session successfully conveyed insights into the functioning of radio and its significance in contemporary society. Following the lecture, a question-and-answer session took place. The session concluded fruitfully by 12:30 p.m., with positive feedback received from the participants.

**Programme Outcome:**

The academic engagement allowed students to gain a better understanding of the role of radio in society, and its evolution as a medium of communication and entertainment. The session provided students with insights into the technical and creative aspects of radio production, diverse genres, and formats of radio programming. Students were also encouraged to critically review the radio content rather than be passive listeners.

## **Department of Agriculture 2023-2024**

**Report: Extension activity at SOCCORSO HSS, Kottamury, Mala**

**Date : 11<sup>th</sup> August 2023**

**Organized by:** Department of Agriculture  
Carmel College (Autonomous), Mala

On 11<sup>th</sup> August 2023, an extension activity was organized by the Department of Agriculture, Carmel College (Autonomous), Mala. The event took place at SOCCORSO higher secondary school in Kottamury, Mala. The primary objective of this activity was to educate and engage higher secondary students in the process of preparing tomato sauce, highlighting its nutritional value and the importance of incorporating locally grown produce into their diet.

### **Participants**

The event was attended by approximately 50 higher secondary students from SOCCORSO HSS along with staff and students of Department of Agriculture, Carmel College (Autonomous), Mala.

### **Demonstration**

The event began with a informative session on the nutritional benefits of tomato and their significance in balanced diet by Aiswarya K C. The students were guided through the step-by-step process of preparing homemade tomato sauce lead by Akhila Jaison and Rameesha. The list of ingredients required were listed out. Then the tomatoes were washed. The other ingredients like garlic, onion, etc were chopped. Then the tomatoes were blanched, blended, seasonings added, and cooked until it reached the sauce consistency. The final step determined by thickening of the sauce and by flavour identification.

### **Interactive session**

Following demonstration, an interactive session took place where the students had opportunity to ask questions and clarify their doubts regarding tomato cultivation, processing, and its applications in various culinary dishes.

### **Distribution and tasting**

At the end of the session, the freshly prepared tomato suce was distributed to the participating students. This allowed them to experience the flavours and quality of homemade sauce firsthand.

### **Outcome**

The programme helped in educating the higher secondary students about tomato cultivation, sauce preparation, and its nutritional benefits. The interactive and hands-on approach of the demonstration provided them with valuable insights into culinary arts. The activity fostered greater appreciation in encouraging healthier dietary habits among the young generation.

**SKILL MELA**

**REPORT**

Carmel College (Autonomous), Mala organised skill mela on 23<sup>rd</sup> Aug 2023 in connection with Onam. In our college all the departments were participated. Classes were arranged as shops at Chavara Block. Principal Inaugurated the Skill Mela.

Department of Business Administration arranged a food stall with different varieties of food items and skill items such as Dish wash, Earing's of different models, Handmade items and also food items such as PaniPuri, Ice cream, home-made snacks, Kappa Chammandi. Home made Pappadam chips were our highlights. Kaaya Varavu, Sharkara Varatti, Home made pappadam were also made good sale items in that mela. 2<sup>nd</sup> year BBA students were also arranged the stall. Sales section handled by 3<sup>rd</sup> year BBA students on that day. It's a good marketing platform of all departments. Outsiders purchased our student's products and made skill mela more memorable.

Outcome: Elevated the technical skills among students.

## Report on Training and Orientation Session: A Winning Strategy in the Competitive World

On 18 September 2023, the Department of Political Science at Carmel College (Autonomous), Mala, hosted a significant training and orientation session titled "A Winning Strategy in the Competitive World" at the college auditorium, starting at 9:30 AM. The event was conducted by Anukrishnan, the Manager at Aptitech Placement and Training Institution and saw the enthusiastic participation of 486 students. Coordination of the session was overseen by Ms. Mary Philip, Head of the Department of Political Science, with joint efforts from Ushus Mol E U, Sujith K S, and Amilsha A A.

The session aimed to equip students with crucial soft skills necessary for success in the competitive job market. Anukrishnan began by stressing the importance of soft skills such as communication, teamwork, problem-solving, and time management. The interactive nature of the session included various activities that allowed students to engage directly with the content and apply these skills in practical scenarios.

A significant portion of the session was dedicated to discussing strategic approaches for career development. Anukrishnan shared insights on building a strong personal brand, effective networking, and navigating career opportunities. The Q&A segment at the end of the session provided students with the chance to seek personalized advice, further enhancing their understanding and readiness for the professional world.

### Outcome of the Program

Students gained a deeper awareness of the importance of soft skills, improved their practical abilities through interactive exercises, and received strategic advice on career planning. The session also boosted students' confidence in their career pursuits and facilitated valuable networking opportunities with a seasoned professional.

Overall, the training and orientation session was highly successful, providing students with both the knowledge and practical tools needed to excel in a competitive environment. The collaborative efforts of the Department of Political Science and the guidance provided by Anukrishnan made the event a valuable experience for all participants.

### Department of Multimedia

The Department of Multimedia conducted “**Selfie Hunt Challenges**” on 19, 20, 21&22 August 2023 @ 9.30 Am. Selfie hunt challenges have emerged as a popular activity, blending the traditional concept of scavenger hunts with the digital age obsession with selfies. These challenges offer participants a unique way to explore their surroundings while engaging in fun and creative tasks. The primary objective of selfie hunt challenges is to complete a series of tasks or find specific items within a given time frame, all while capturing selfies as evidence of completion. These challenges are often organized by individuals, communities, or businesses to promote engagement and social interaction. These self hunt was conducted in four days program and choose the best photos with theme and gave prize to the winners.

**DEPARTMENT OF ACCOUNTING & TAXATION**

**Wreath Making Workshop – Report**

The Accounting & Taxation Department organized a Wreath Making Workshop on 14th December 2023 at the BFSI Lab. This workshop aimed to provide students with a creative outlet amidst their rigorous academic curriculum, while also fostering a sense of community within the department. Ms. Gopika M, an esteemed alumnae member, led the workshop, guiding participants through the intricacies of wreath crafting. Ms. Gopika commenced the workshop with an insightful introduction to wreath making, elucidating its relevance to the holiday season and its therapeutic benefits. A comprehensive demonstration followed, wherein she showcased various techniques and materials, effectively setting the stage for the participants' hands-on experience. Equipped with an assortment of foliage, flowers, ribbons, and ornaments, participants enthusiastically delved into the creative process under Ms. Gopika's guidance. Ms. Gopika provided personalized guidance to each participant, offering feedback on design concepts, budget considerations, and time management. The workshop fostered a collaborative atmosphere, with participants exchanging ideas, sharing resources, and offering assistance to one another. 24 students actively participated in this workshop.

**Outcomes:**

- Participants expanded their creative horizons, exploring innovative ways to incorporate accounting and taxation themes into their wreath designs, thereby honing their problem-solving skills.
- Engaging in hands-on crafting provided participants with a welcome respite from their academic endeavors, promoting relaxation and stress relief essential for maintaining well-being during demanding academic periods.
- The workshop served as a platform for departmental bonding, fostering camaraderie and a sense of belonging among participants, thereby strengthening the department's sense of community.
- Participants gained practical experience in budgeting, resource allocation, and time management, skills crucial for success in accounting and taxation professions.

**Conclusion:**

The Wreath Making Workshop organized by the Accounting & Taxation Department proved to be a rewarding experience for all participants. Under the guidance of Ms. Gopika M, students not only acquired valuable practical skills but also fostered a sense of community and camaraderie within the department. Such initiatives underscore the department's commitment

to holistic education, preparing students not only for academic success but also for personal and professional fulfillment in their chosen fields.

### **CARMEL COLLEGE (AUTONOMOUS), MALA PG DEPARTMENT OF COMMERCE SOFT SKILL**

PG Department of commerce organized a Seminar on “Critical thinking and problem solving” on 28<sup>th</sup> January 2024 @ 02.30 pm in Audio-visual room. Our resource person Mr. Anson Antony, Asst Manager, student relation, T.I.M.E, Pvt, Ltd., Thrissur, had provided a fruitful session on problem solving. Around forty-three students were participated in this programme. Critical thinking and problem-solving are not just academic concepts; they are essential life skills that enable individuals to navigate the complexities of the modern world with confidence and competence. By honing these skills through education, practice, and a commitment to lifelong learning, individuals can become more effective thinkers, decision-makers, and problem-solvers, contributing to their own success and the betterment of society as a whole. Educational institutions play a crucial role in fostering critical thinking and problem-solving skills among students.

**Outcome:** The outcomes of critical thinking and problem-solving extend far beyond mere academic or professional success. They empower individuals to navigate the complexities of the modern world with confidence, integrity, and resilience, driving positive change and contributing to the betterment of themselves and society as a whole.

### **Report on LED star sales Expo**

The Sales Exhibition of LED Stars at Carmel College Autonomous, Mala, on December 13, 2023, exemplified the "Earn While Learn" concept, allowing students from Creative Spectra to apply their physics knowledge practically. Crafted by the students, the LED stars not only showcased creativity but also served as a tangible product for sale, aligning with the philosophy of earning while learning.

The first sale, made to Mr. Krishna Theja IAS, the Thrissur District Collector, validated both the quality of the LED stars and the potential for students to generate income through their academic pursuits.

Creative Spectra's active participation demonstrated how students can leverage their skills for financial gain while still pursuing their education, fostering self-reliance and entrepreneurship.

This initiative not only provided hands-on experience but also contributed to the financial well-being of the participating students, reinforcing the practical and economic value of academic endeavors.

Out come; The success of this event serves as a catalyst for exploring more opportunities that align with the "Earn While Learn" philosophy, encouraging a holistic approach to education that integrates practical experience with academic learning. The Department of Physics recognizes the dual benefits of this initiative and aims to continue fostering similar opportunities for students.

**REPORT**  
**2023-2024**

Ms. Linda P. Joseph, Assistant Professor, Department of English, Carmel College (Autonomous), Mala served as the resource person for an invited lecture on “Structuralism” at St. Mary’s College, Thrissur organized as part of the faculty-student exchange programme. The session occurred on July 31, 2023, at 10:00 a.m. in III B.A. English classroom. Ms. Amritha Lakshmi, Assistant Professor, Department of English introduced the guest speaker. Twenty-five students of III.B.A. English attended the lecture. The session aimed to introduce to the learners a framework of contemporary literary theory and its practical application in analysing various cultural texts. Following the lecture, a question-and-answer session took place. The session concluded fruitfully by 11:30 a.m., with participants providing favourable feedback.

**Programme Outcome:**

The academic engagement allowed students to gain an informed understanding of the theoretical arguments and practical application of structuralism as a literary theory. Key proponents of the theory and their significant contributions were also introduced to lay a firm foundation for the topic under discussion.

### **DRAMA DAY REPORT 2023-24**

In connection with World Theatre Day, department of Malayalam conducted a Webinar on 24<sup>th</sup> March 2024 in the Audio-visual Room at 10.30 am. Dr. Swapna C. Kombath, Assistant Professor, Department of Malayalam, Sahrudaya College of Advanced Studies, Kodakara was the resource person and delivered a talk on the topic 'Value conflicts in Bhagnabhavanam'. This programme was conducted under MOU with Sahrudaya College of Advanced Studies, Kodakara. 22 students were participated in the function. Dr. Merin Francis, HoD, Department of Malayalam welcomed the gathering and Ms Rajeswary PK, gave away the vote of thanks.

#### **OUTCOME**

Students attained the knowledge about Malayalam Drama and its cultural aspects. Human values have significant role in our life and literary works reflects the conflicts of that values in our lifes. Bhagnabhavanam drama reveals this fact ina huge aspect.
