Workshop on

“Speaking and Interactional Skills”

by Ms. Sabitha M.M., MES Asmabi College, Vemballur (22.06. 2017)

The Department of English organized a Workshop on “Speaking and Interactional Skills” on 22nd June 2017. Ms. Sabitha M.M., Assistant Professor, Department of English, MES Asmabi College, Vemballur, Kodungallur was the resource person. The sessions included how to develop speaking and interactional skills to communicate effectively in various situations especially in job interviews.

Practically, all second language speakers require the development of speech-processing and oral production skills, which almost always include accurate pronunciation, grammar, and vocabulary, as well as information sequencing and discourse organization. The job aspirants need to make presentations, give talks, or make formal announcements in their educational or professional careers or they have to interact socially or casually, for example, at the office, or in other contexts where conversations take place. Ms. Sabitha M.M. stated that speaking and interactional skills allow speakers to convey their messages in a thoughtful and convincing manner and suggested some techniques for improving communication skills. The sessions were very lively and useful for the students.
