

ANNUAL REPORT OF SCHOLAR SUPPORT PROGRAMME 2015-2016

It is with immense feeling of pleasure that we are submitting the report of scholar support programme for the academic year 2015-2016. Primarily we are thankful to our well wishers and stakeholders for their unstinting support and whole hearted co-operation extended. The programme was started in our college during 2013-2014. The programme continued in those departments which started it in 2013 -14 for third year students. The programme continued in those departments which started it in 2014 -15 for second year students For the first year students it started in the departments of Physics, English, History , Botany& Sociology. Everything was done as per the rules and regulations of the programme and with the consent of the council. This is a turning point where attention is focused on teachers as flag holders. The weaker students get additional attention and they get an opportunity to learn the concepts and ideas again which are difficult for them. For science students in addition to theory classes , practical classes also conducted. Students were actively participated in SSP programme. Co ordinator continually monitored the classes and given timely guidance to teachers. We, the team here in turn gain strength out of this encouragement and remain ready to serve to the satisfaction of our students.

Fund of Rs 186500/- was received for the purpose of meeting the expenses in connection with conducting the programme. An amount of Rs.186500/. was utilized under various heads for which it was given and the accounts were closed on 31-3-2016 . All the records were properly maintained and the accounts were audited and utilization certificate was obtained. We have send all the needful documents including audited SE & UC ,original bills and vouchers in time. The programme was successfully completed in our college during the academic year 2015-2016. We have one suggestion , next year kindly sanction a motivational visit to SSP students also .

We are very grateful to the Administrator Officer , Office of the New Initiatives of Higher Education, Thiruvananthapuram for selecting Carmel College Mala for SSP programme and the fund for smooth functioning of the programme. We are very thankful to Ansu and all other office staff for their timely fast and proper communication for the SSP.

ANNUAL REPORT OF SCHOLAR SUPPORT PROGRAMME 2016-2017

It is with immense feeling of pleasure that we are submitting the report of scholar support programme for the academic year 2015-2016. Primarily we are thankful to our well wishers and stakeholders for their unstinting support and whole hearted co-operation extended. The programme was started in our college during 2013-14. The programme continued in those departments which started it in 2014-15 for third year students. The programme continued in those departments which started it in 2015-16 for second year students. For the first year students it started in the departments of English, Botany, Chemistry Physics and Sociology. Everything was done as per the rules and regulations of the programme and with the consent of the council.

The various subjects selected for the SSP by the College Council and IQAC. It is based on the previous year's result and feedback from the students. This is a turning point where attention is focused on teachers as flag holders. The faculty diary also distributed among the teachers. The weaker students get additional attention and they get an opportunity to learn the concepts and ideas again which are difficult for them. For science students in addition to theory classes, practical sessions also conducted. Students were actively participated in SSP programme. The coordinator and college council continually monitored the classes and given timely guidance to teachers.. We, the team here in turn gain strength out of this encouragement and remain ready to serve to the satisfaction of our students. After selection and collection of Bio-data from the SSP students the stationery kit given to all the member students.

The external mentoring classes was very useful for the students. The five mentoring sessions conducted for all the SSP students in the college. After every mentoring sessions the feedback from students and resource persons collected and recorded. The first external session taken by the H R Director I Corporate Solutions at Cochin. The topic was 'Motivation'. The topic was proposed by the College. The students attitude was very positive in the session. The next session handled by the eminent speaker and the Principal of St. Xavier's Irinjalakuda. The topic was 'Life Skills'. The students are very much interested in

the topic. The external mentor's feedback shows it is a very good and useful programme for the students. The next three session taken by the Rev.Fr.Benny Karimalikkal, Youth coordinator and Psychologist Pacs Kallettumkara.The three sessions related the Exam Preparation and Success. It was very informative to overcome the exam fear. The sessions was both activity oriented and lecture type. The facilities provided in the college was sufficient for effective transaction.

With help of our College Library the essential books and other study materials provided for the SSP students. The weaker SSP students also get other services given by the Library. It includes the reference books and free internet facilities. The College Library allowed the SSP students to use the facilities in their free hours also.

Fund of Rs 225000/- was received for the purpose of meeting the expenses in connection with conducting the programme. An amount of Rs.225000/- was utilized under various heads for which it was given and the accounts were closed on 30-03-2017.All the records were properly maintained and the accounts were audited and utilization certificate was obtained. We have send all the needful documents including audited SE& UC, original bills and vouchers in time. The programme was successfully completed in our college during the academic year 2016-2017. For the next year our second year SSP students requested a motivation visit and more external mentoring sessions. for them. This is a humble suggestion for all the SSP students.

We are very grateful to the Administrative Officer, Office of the New Initiatives of Higher Education, Thiruvananthapuram for selecting Carmel College Mala for SSP programme and the fund for the smooth functioning of the programme. We are very thankful to Miss Ansu and all other office staff for their timely fast and proper communication for the SSP.

SSP CLASSES TAKEN BY THE INTERNAL MENTORS

SSP 2018-19

REPORT

The SSP 2018-19 took off with a Co-ordinator's meet at Thiruvananthapuram on 13/9/18. Within a few weeks the formalities for fund transfer were completed. However, the fund was transferred to the college a/c only in the last week of December '18. As such the activities and classes designed as part of the programme, though initiated in October itself, commenced in full swing from the month of January. However, the University exams activities of the college and a general lack of working days was hindering the smooth functioning of the programme. As such it was decided by the college council to conduct the various sessions under the SSP during the extra hours such as Association hours, SSP/WW hours, Tutorial hours etc. Initially only 75% of the total amount of Rs 85,500/-, i.e. 64,125/- was transferred.

Against the initial information of the month of March, it was informed towards the last week of January that the programme had to be completed and concluded in the last week of February itself. Another roadblock for the programme was the non-availability of life skill and I.T. trainers. As an alternative, an official request via mail was sent

in order to make use of the available faculty, i.e. I.T. trainers and life-skill trainer. Permission was granted and sessions were arranged in order to accommodate all the required sessions in the given short period of time. Since sessions arranged on Saturday and holidays registered low attendance, it was decided to conduct the sessions on week days only without disturbing the regular classes.

As instructed, the whole of 75% of the fund disbursed, i.e. Rs 64,125/- was utilised and the bills settled and submitted to the DD office. The balance amount for the completion of the programme was advanced by the college. After the clearance by the DD and the Treasury, the balance amount of Rs 21,375/- was credited to college a/c by the Treasury.

The SSP 2018-19 was carried out and completed in a fair way amidst a lot of time and economic constraints. As such, the programme which was carried out for the I year students, 40 of them from the disciplines of Chemistry, Physics, Botany, English and Sociology with 5 internal mentors, namely, Ms Sami, Ms Reshma, Ms Neethi, Ms Gayathri and Sr Jyothy and 3 External Mentors, namely, Ms. Christina, Sr Jee and Sr Seena was successfully completed by the last week of February.

CARMEL COLLEGE, MALA

REPORT OF SCHOLAR SUPPORT PROGRAMME FOR THE YEAR 2019-20

The activities of Scholar Support Programme for the academic year 2019-20 started in the month of August 2019. Five subjects for first, and second year was selected in the College Council meeting. The HOD s of concerned departments gave the list of internal mentors on the basis of the willingness of faculty members. A meeting of internal mentors held by the first week of September and during which a general outline of the programme is explained. Guidelines, Form 1,2,3 and 5 is distributed to the concerned mentors on the same day. We gave a general awareness about this programme to the first semester students. 40 students were selected from both first year and second year. Each internal mentors of first year and second year was given charge of 8 students. During this year all SSP students of both first and second year have English subject training in addition to their respective selected core or complimentary subject. Proper instructions given to both students and English teachers regarding this matter. For first year and second year students, there were 10 hours classes for English language skill by ASAP trainers, 3 hours classes for learning skill and 2 hours classes for personal growth. Stationary kit is distributed to all selected students.

The faculty members completed their session by February 14. The feed back of students of mentoring sessions were collected. Students were motivated and encouraged to develop interest in studies through these classes. An amount of Rs.80250-(eighty thousand and two fifty) was given by govt.as advance.As per govt.order after settled that bill ,the rest amount will released.Total amount is Rs.107000.

An amount of Rs. 60000-(sixtythousand) has been given as remuneration for internal trainers. An amount of Rs. 15000/- has been spent for external mentoring classes. Stationary kit was distributed to all students for an amountof Rs.12000.

REPORT

Learning skill and Personal development classes by External experts and internal experts

For first year ,the class arranged on 1st February 2020 at 10am to 4pm. There are 33 students who participated in the class. MinuCheriyar was the external expert .She is a Psychology teacher and a HR Trainor and consultant . The classes mainly include self esteem enhancement tasks, interactive hours, memory techniques, exam anxiety management, stress removing methods, time managements. Exam day preparations was the another interesting topic for students.

For second years, the class was on 8th February 2020 at 10am to 1pm. The topics for the class were the same as for first years. This session was more activity based one. 30 students participated.

For second years, the exam management session was handled by one of our senior faculty Dr. Shibi C. Because of her high experience in teaching field, she gave many useful tips to students about exam writing techniques. The students get more self relaxation and they got several ideas about exam writing and memory power increasing. The class is arranged on 10th February 2020 at 8.30am to 9.30 am and 3.30pm to 4.30 pm. 36 students participated.
