ORDER

As per reference cited 1st above, a Committee has been constituted for the preparation of the guidelines for the Second Stage Ph.D. Admission Process and Ph.D. Admission Reservation Roster. As per the reference cited 2nd above, the Committee for preparation of Reservation Roster for Ph.D. Admission Process has resolved as follows:

1. The Research Centres should maintain register of the reported vacancies with date of occurrence.
2. In the case of Institution/Centres with multiple disciplines reservation shall be applied discipline wise.
3. Where sufficient numbers of candidates belonging to a reserved category are not available to fill up the vacancies reserved for them in the admission, the vacancies shall be filled by candidates belonging to other communities next in the reservation roster, treating these vacancies as “backlog vacancies”. In the subsequent admission year when admissions are made for the vacancies of that year (called the current vacancies), the backlog vacancies of reserved categories will also be announced for admission. All the backlog vacancies reserved for categories will be filled up by the candidates belonging to the category concerned without any restriction whatsoever as they belong to distinct group of backlog vacancies of categories. Vacancies reserved for various categories which could not be filled up and are carried forward as backlog vacancies and remain unfilled in the following admission year also, will be carried forward as backlog vacancies for subsequent admission year(s) as long as these are not filled by candidates of the category for which these are reserved.

As per the reference cited 3rd above, the Vice Chancellor has granted permission to implement the minutes of the Committee for Reservation Roster for Ph.D. Admission Process.

The Ph.D. Admission Reservation Roster has been approved by the Vice Chancellor, as per the reference 4th cited above.
