## **PARAMBIKULAM TIGER RESERVE**

On 19<sup>th</sup> December 2019, we the first year and second year Zoology students of Carmel College Mala started our journey to a Parambikulam Tiger Reserve at 11:30 pm. Our HOD Dr. Sr. Rini Raphael, M.s. Goldy Davis P and Ms. Grace Varghese M accompanied us. We reached our destination at 9:00am. Forest Department officer welcomed us to tiger reserve and he gave us some instructions. Mr. Murukan and Mr. Babu gave us the instructions and precautions to travel through the forest. After that, we went for a trucking in the tropical deciduous forest. We were guided by Mr. Murukeshan and Mr. Babu. We could grasp knowledge about many wild plant and animal species. Next, we had a very informative class about tiger reserve and tiger by Mr. Murukan. This class gives us information about the Parambikulam Tiger Reserve, importance of wild life conservation.

Next day we begin with Avian observation. We saw many birds like Malabar Parakeet common strike, Snake bird etc. We were grateful to see the leopard markings near a lake. After that, at 10 am we visited the Interpretation Centre. It was vast area filled with knowledge. Then we had great opportunity to visit the evergreen forest, where we saw the markings of tiger. Then conduct quiz competition about Parambikulam tiger reserve. Our first year students Devika Das and Asna T.A secured the first and second places respectively. After the quiz we travel to the evergreen forest. It was an interesting journey. We reached back college at 8:45 pm.
