## PREFACE

Since 1981, the year of establishment of Carmel College by the Sisters of the Congregation of the Mother of Carmel, the institution has earnestly endeavored to stay committed to its vision and mission. It has been the far-sightedness of the visionary Saint Kuriakose Elias Chavara that impelled our founder Principal, Rev. Mother Aurea, to follow suit and built an educational institution for women in the small town, Mala.

As a college we strive to mould generations of quality individuals who can productively engage with the community and the nation at large. It is our vision and mission to uplift the weak and downtrodden in the society, particularly the rural women by empowering them through well-rounded education.

The institution abides by the policies framed on various dimensions pertaining to its functioning as guidelines to actualize its vision on education in the best interest of all stakeholders.
