Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

Reports on Seminars and workshops in 2018

- The department of Botany conducted a one day class on 14th November 2018 on the topic 'Fungi-Industrial uses' by Geethu Elizabeth, Assistant Professor St. Thomas College, and Thrissur. This was one of the emerging topics in research. There was an interactive session after that.

- The department of Botany conducted a seminar on 'Systematic Approach to Angiosperms' in the department of Botany on 13th of October, 2018. The resource person for the day was Dr. Justin. R. Nayagam, Assistant professor, Department of Botany, UC college, Aluva.

- **Workshop on Value added products of Mushroom**

We arranged a class on the value added products of mushroom, their nutritional values and a work shop on its preparation on 13th December 2018. Dr. Meghathampi, Assistant Professor, Morning star College of Home science Angamali was the resource person. Mis. Linda and Aleena of same department also accompanied her.

Rural women from our adopted colony and our UG, PG students were participated in the programme.

Mushroom food items were prepared from the cultivated mushroom. Different items like mushroom masala, mushroom, fried rice, mushroom biriyani, mushroom roast, mushroom omlet, mushroom cutlet, mushroom fry, mushroom bajji, mushroom noodles, mushroom thoran, mushroom masala dosha, etc were prepared. It was really a wonderful experience for all. Dr. MegaThambi described about the nutritional value of mushroom and mushroom products.
