

ACADEMIC AUDIT 2018 - 2019

CARMEL COLLEGE
MALA, THRISSUR-680732

Carmel College follows a robust and methodical evaluation system to ensure quality education and to enhance a better learning environment. Pedagogical activities are evaluated against the demands of this transitional society so that updated strategies can be integrated to the curriculum and outdated practices can be either modified or removed. Academic Audit 2018-2019 comprehensively analyses the educational practices and policies of the institution.

Executive Summary

One of the pivotal strategies employed to assure consistency in quality performance of the departments and allied activities of the institution have been the practice of Academic Audit undertaken by the IQAC. The Self-Study Reports submitted by each department undergo a thorough assessment by the panel of external experts constituted by the IQAC. The Academic Audit of 2018-19 saw constructive reviews on various academic aspects by the expert team, particularly in the implementation of co-curricular and other skill-enhancement programmes. Based on the Academic Audit report by the panel, the Committee Members of IQAC have consolidated the suggestions given by them. They are as follows:

- To introduce new regular UG and PG Programmes within two or three years such as B.A. Hindi, B.A. Malayalam, B.A. Economics, B.Sc. Home Science, B.Sc. Agriculture, B.Sc. Psychology, M.Sc. Physics and M.Sc. Zoology
- Add more certificate programmes that caters to upskilling the students
- All possible departments should take initiatives to implement internship programmes
- Importance should be given to Intellectual Property Rights Awareness programmes
- Sign more MoUs with industries to get industrial work exposure or to gain industrial work experience especially by the departments offering vocational courses
- A retired faculty association can be formed and their experience and services can be utilized for the academic and professional development of ongoing students

- More research collaborations can be undertaken
- Implementation of online feedback system for students and parents
- Expanding the provisions of fitness centre and construction of a sports hostel can be placed under serious consideration
