CARMEL COLLEGE (AUTONOMOUS), MALA

PREFACE

Since its establishment in 1981 by the Sisters of the Congregation of the Mother of Carmel, Carmel College (Autonomous), Mala has consistently strived to uphold its vision and mission. Inspired by the visionary Saint Kuriakose Elias Chavara, our founder Principal, Rev. Mother Aurea, embarked on a mission to establish a premier institution for women's education in the small town of Mala.

Guided by the principles of quality and inclusivity, the college endeavors to shape generations of capable individuals who can contribute meaningfully to society and the nation. Our primary mission is to empower the underprivileged and uplift rural women by providing comprehensive education. The policies outlined in this document serve as a framework to actualize our vision, ensuring the highest standards of education for all stakeholders.

1. ACADEMIC POLICY

At Carmel College (Autonomous), Mala, we prioritize the delivery of quality education by fostering an environment conducive to learning and research. To achieve this, we undertake well-defined measures to plan, implement, evaluate, and enhance our academic endeavours. The key components of this policy include:

1. Preparing an academic calendar aligned with the university's schedule and disseminating it through the college handbook.
2. Ensuring each department submits an annual action plan to the IQAC (Internal Quality Assurance Cell).
3. Allocating workloads and syllabi based on faculty expertise before the commencement of each semester.
4. Encouraging curriculum enrichment through certificate courses, value-added programs, and similar initiatives.
5. Assigning tutors to each class and mentors to individual students for their academic and personal growth.
6. Adopting innovative, student-centered teaching methodologies supplemented by ICT tools.
7. Regularly assessing students' academic performance through internal exams, assignments, and projects.
8. Providing remedial coaching and additional support for slow learners.
9. Promoting interactive learning through workshops, field visits, and collaborations with reputed institutions.
10. Conducting internal and external academic audits to ensure curriculum delivery aligns with institutional goals.
11. Ensuring the completion of any one certificate/value-added course either online or offline in the first year, a language proficiency course in the second year and a SWAYAM or MOOC course in the final year.
12. The overall performance of the students shall be assessed not only through curricular and co-curricular activities but also through participation in community engagements, cultural, arts and sports programmes.
